A. Proposed Allocation of Funds

Description of changes: All updates associated with the proposed APA 22 allocation of funds will be made to the tables at page 6 and page 57 of the State's Action Plan. Allocation amounts to reflect this proposed reallocation will also be updated throughout the Action Plan wherever referenced.

The proposed APA 22 allocation of funds considers the unmet needs analysis already identified in the State's Action Plan and the need of eligible applicants in its Housing programs.

The State has identified an increased need in the Interim Mortgage Assistance component of the NY Rising Housing program. Due to the unforeseen pervasiveness of contractor fraud and an unexpected number of particularly vulnerable applicants still displaced following Superstorm Sandy, Hurricane Irene, and Tropical Storm Lee, existing applicants require more mortgage assistance than originally estimated. Funds are being reallocated from the State's Condominium and Cooperative Program to meet this increased program need.
