

LIVING BREAKWATERS & TOTTEVILLE SHORELINE PROTECTION PROJECT

FOR STATEN ISLAND & RARITAN BAY

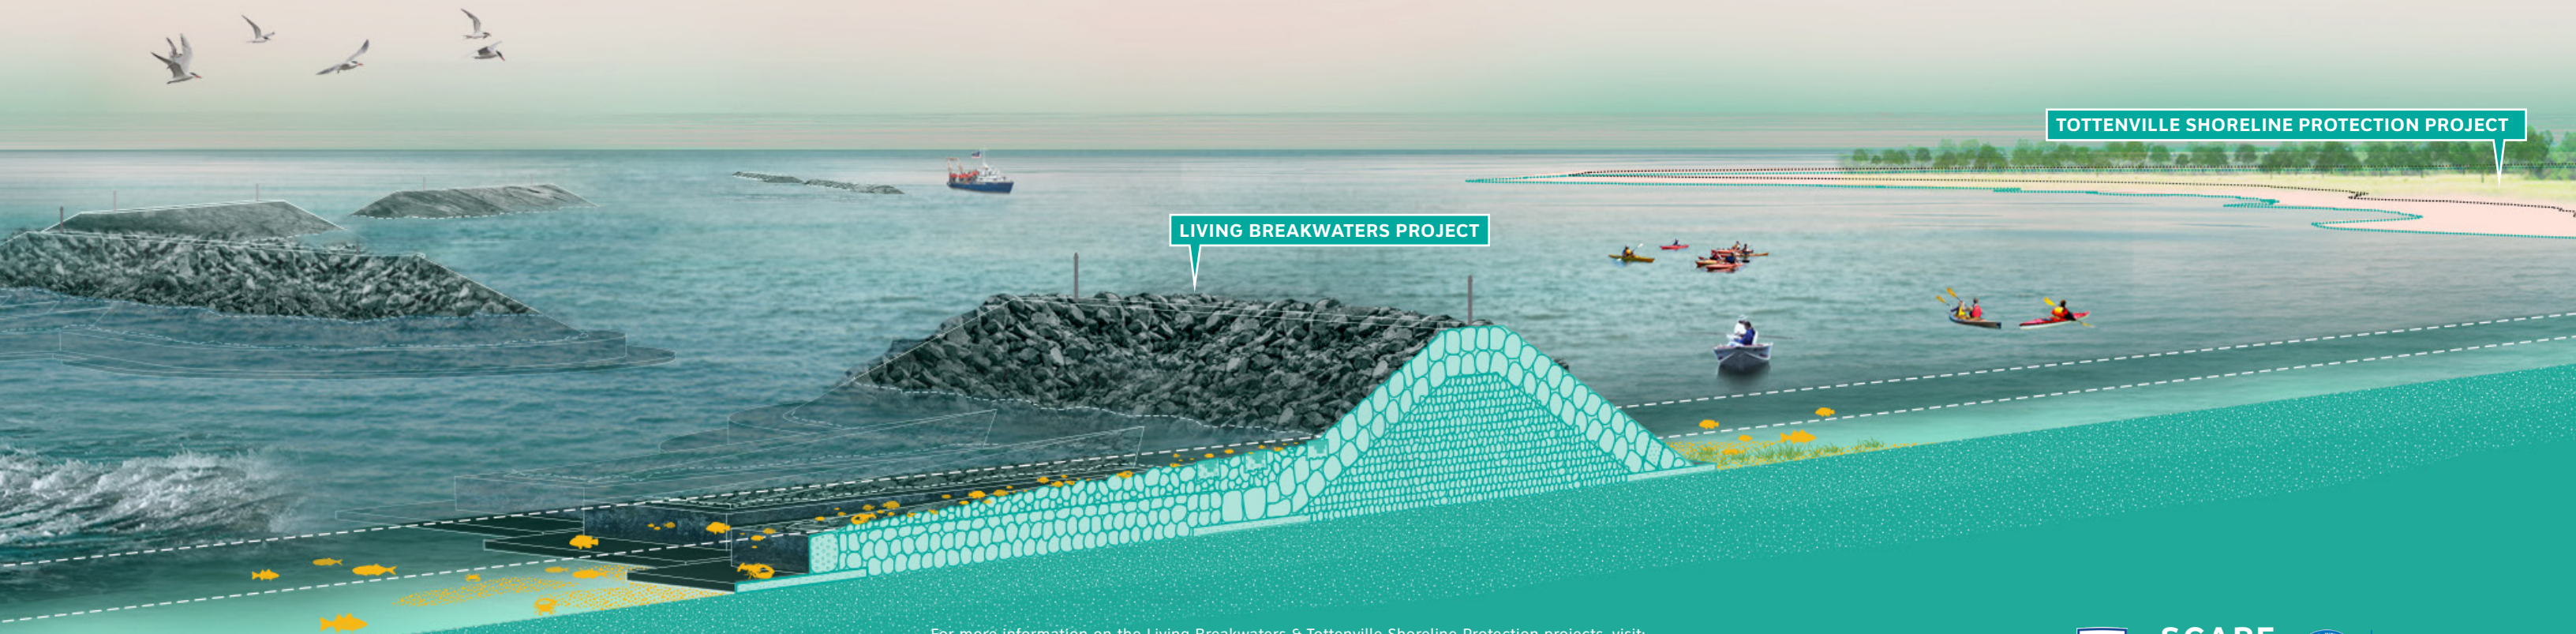

The Governor's Office of Storm Recovery invites the public to attend the eight Rebuild by Design Living Breakwaters Citizens Advisory Committee (CAC) meeting to hear an update and to provide input on the coastal and social resiliency measures planned in and adjacent to Tottenville on Staten Island's South Shore.

The public is invited to meet the Living Breakwaters CAC and learn more about the progress of these projects and the environmental review process. All are encouraged to attend. The Citizen's Advisory Committee is a group of stakeholders assembled by the State to receive updates on the Rebuild by Design project. The CAC plays an important advisory role in the planning and implementation the projects.

COME JOIN US!

WHEN:
TUESDAY MARCH 6, 2018
6:30 - 8:30PM

WHERE:
PUBLIC SCHOOL 6
555 PAGE AVENUE
TOTTEVILLE, STATEN ISLAND
