**NOTICE OF DEADLINES FOR YOUR FUNDING
AND COMPLETION OF YOUR CONSTRUCTION PROJECT**

Dear NAME:

The Governor's Office of Storm Recovery (GOSR) operates its NY Rising Housing Recovery Program by way of funding made available through the U.S. Department of Housing & Urban Development (HUD). As we strive to distribute this funding as expeditiously as possible, we are writing to notify you about several upcoming deadlines and will be requesting updates on the status of your construction project(s).

Our goal is to help you to complete your repairs within the next year.

Upon entering the NY Rising Housing Recovery Program, you signed a grant agreement indicating that you would repair any storm-related damage that was recorded in your inspection report, and failure to complete these repairs could cause a decrease in the amount of your award and/ or involuntary withdrawal from the program (requiring a full repayment of any grant funds you received). As such, please let us know whether you will be completing your repairs with your own licensed contractor, or withdrawing from the program and repaying the funds you have received. In some special cases, applicants may qualify for additional program-sponsored resources to assist in the recovery from Superstorm Sandy, Hurricane Irene and Tropical Storm Lee. If you would like to discuss your eligibility for this Construction Program, please contact your case representative or call 1-844-9NYRISING.

The NY Rising Housing Recovery Program seeks to promote the timely completion of your construction projects and the establishment of a clear schedule to achieve this work.

Deadlines for each repair type are captured in the chart that follows.

Repair. Rebuild. Reimagine.

NY Rising: resilience for our future

Please notify us **within 15 business days** whether you will meet your specified deadline(s), or if you require assistance meeting the deadline(s) and/or would like to determine if you qualify for GOSR's Construction Program. Specifically:

1. **IF YOU HAVE ALREADY FINISHED YOUR REPAIRS, SCHEDULE A FINAL SITE INSPECTION:** If you have already finished your repairs, please call your case representative or 1-844-9NYRISING to schedule a final inspection, close your file, and receive your final payment. More information about scheduling a final site visit can be found in our [Requesting a Final Inspection](#) FAQ.
2. **IF YOU KNOW THAT YOU WILL MEET THE DEADLINE, NOTIFY THE PROGRAM OF YOUR PROGRESS:** Even if you are confident that you will meet any relevant deadlines, the program still needs to know the status of your project(s). Call or email your case representative to provide this update, which will then be placed in your file.
3. **IF YOU ANTICIPATE NOT BEING ABLE TO MEET THE DEADLINE, CONTACT GOSR FOR ASSISTANCE:** If you expect that you will be unable to meet applicable deadlines, call our GOSR Call Center at 1-844-9NYRISING to discuss your project and obtain assistance. If you are stuck, or need help for any reason, please know that GOSR cares about your case and would like to hear from you as soon as possible.

GOSR's comprehensive portfolio of NY Rising programs aims to reimagine New York in a stronger, more resilient way. We thank you for helping us realize this mission through the construction projects you are undertaking on your own home. We offer our assistance to the fullest extent possible, and look forward to helping you complete this important process in the year ahead.

Sincerely,

The NY Rising Team
