INTERIM MORTGAGE ASSISTANCE (IMA) PROGRAM APPLICATION

General Information
Interim Mortgage Assistance program ("IMA" or "Program") offers assistance to NY Rising Housing Program applicants displaced from their storm damaged property. The IMA program provides reimbursement for an applicant’s monthly mortgage costs (interest, principal, taxes, and escrow) when the applicant provides evidence of rental costs at a temporary rental property. IMA provides assistance for up to 20 non-consecutive months at a maximum benefit of $3,000 per month. In accordance with federal guidance, IMA provides assistance of up to 36 non-consecutive months, extended on a month-to-month basis, up to December 31, 2017.

To qualify for IMA, an applicant must provide a current mortgage statement and monthly rental receipts. Applicants may be eligible to receive retroactive payments for up to six (6) months prior to the date of applying to the IMA Program if mortgage and rental receipts are provided for each month reimbursement is requested. Payments are made on a reimbursement basis.

If FEMA determines the damaged Property to be located in the 100-year floodplain, federal regulation requires the applicant to purchase flood insurance in perpetuity and inform subsequent owners of the flood insurance requirement. The applicant must evidence to the Program compliance with the flood insurance requirement prior to closeout.
