

Working together to build back better: Sidney, NY

Give our residents choices **by buying vulnerable properties in high risk neighborhoods and relocating structures in the Village's recently designated Historic District.**

Help our families rebuild savings and equity **by working with committed local financial institutions and affordable housing agencies to develop public/private financial incentives.**

PARTNERS

- Sidney Federal Credit Union
- NBT Bank

Grow and prosper **by encouraging busienses large and small.**

Grow and prosper **by encouraging busiensses large and small.**

Make our residents safe **by optioning and annexing the 165-acre Riverlea Farm** for a new flood-safe, mixed-use neighborhood.

Meet urgent needs **by constructing infrastructure at the Riverlea Farm property to make it ready for development in 2014.**
