## Notice of Upcoming M/WBE and Section 3 Opportunities

---

Opportunity Code: 16-103-001

Project Location: The Village of Amityville, Suffolk County

Estimated Start Date: Fall/Winter 2016-2017

Project Description: The proposed action would involve construction of approximately 2,000 linear feet of public bulkhead in severely damaged areas of the Village. A total of 22 bulkhead locations (individual project sites) were identified for repairs, replacement, or new construction. Locations were selected based on an assessment of the bulkheads most in need of improvement, engineering feasibility, and a determination of which projects would most increase resiliency. Specific project activities include removal and replacement of existing bulkheads, installation of new bulkheads at three project sites, installation of tie-back systems, replacement of drainage pipe and installation of new catch basins.

Anticipated Trades/Work:
