Re: Request for Proposal for Professional Services for Community Development Block Grant-Disaster Recovery (CDBG-DR) Monitoring and Compliance Services II RFP # 201712\_063

Dear Chris Prather:

Thank you for submitting a response to the January 4, 2018 Request for Proposals for Professional Services for CDBG-DR Monitoring and Compliance Services II. This RFP was issued by the Governor's Office of Storm Recovery (GOSR) of the Housing Trust Fund Corporation (Corporation).

After reviewing all the responses, I am pleased to inform you that Exiger LLC is one of six (6) offerors that have been selected to provide these services to the Corporation, subject to execution and delivery of a contract by GOSR that includes all Federal and New York State terms, conditions and appendices included in the RFP. The other awardees of this contract are Cohn Reznick LLP, Deloitte Financial Advisory Services LLP, K2 Intelligence, LLC, MPACT Strategic Consulting LLC and PricewaterhouseCoopers Public Sector LLP. As set forth in the RFP, the Corporation reserved the right to award a contract to multiple offerors; based upon our review of proposals, it was in the best interest of the Corporation to make six (6) awards.

Notwithstanding the foregoing, please be advised that GOSR reserves the right to withdraw this award at any time prior to the execution and delivery of the contract, in GOSR's sole discretion (and for any reason or no reason). In event of any such withdrawal of this award, GOSR reserves the right, in its sole discretion, to award to any of the other parties who submitted bids for these services or to solicit bids from other parties.

We look forward to working with you (subject to the foregoing) and will contact you shortly to discuss the contract and the intended allocation and initiation of services.

Sincerely,

GOSR Procurement
