ARTICLE 2.

Work in Accordance with Contract Documents

2.1 Contractor hereby agrees to furnish, perform, and complete the Work required under this Contract in accordance with all provisions and requirements of the Contract Documents. Contractor agrees that the Work shall satisfy the requirements of the Contract Documents and shall (without limitation): (a) conform to the Scope Documents; (b) be of the quality required under the Scope Documents; (c) be free of Liens caused or created by Contractor or any Subcontractor; and (d) be constructed by means and methods complying with Laws.

2.2 Contractor agrees that the Work Order Price shall be Contractor's entire compensation and/or reimbursement for the performance of the Work and for all Included Items which will, might, or could be earned or incurred by Contractor and all Subcontractors under or by reason of the Contract Documents. Contractor agrees that amounts received by Contractor from HTFC shall be held in trust by Contractor pursuant to the Lien Law of New York State and shall be used first to pay for: (a) labor, materials, services, or equipment furnished in connection with the Work or any portion thereof (including materials or equipment stored offsite); (b) utilities furnished and taxes imposed; and (c) premiums on the Bonds and the Required Insurance.

2.3 Contractor shall secure (or cause to be secured), as part of the Work Order Price, all permits, licenses, certificates and approvals, if any, required under the Scope Documents or otherwise customary for Contractor's trade.

2.4 Contractor shall perform the Work in a good and skillful manner in accordance with current good standards of practice. Contractor shall be responsible for all applications, means, methods, techniques, sequences, and procedures necessary or desirable for the correct, prompt, and orderly prosecution and completion of the Work as required by the Contract Documents; subject, however, to HTFC's right to reject means and methods proposed by Contractor which (a) will constitute or create a hazard to the Work or to persons or property, or (b) will not produce finished Work in accordance with the requirements of the Contract Documents. Approval of (or failure to reject) any of Contractor's means and methods of demolition shall not relieve Contractor of any obligations under the Contract Documents.

2.5 Subject to HTFC's prior written approval (not to be unreasonably withheld), Contractor may use the Project Site for storage of materials and for temporary facilities, provided that Contractor makes all necessary arrangements for protecting, insuring, and securing such items within the Work Order Price.

ARTICLE 3.

Familiarity with Documents and Conditions; No Warranties as to Contract Documents

3.1 Contractor represents that Contractor has reviewed carefully the Scope Documents and all other Contract Documents, as existing on the applicable Work Order Date. Execution of each Work Order shall be deemed representation by Contractor that Contractor had carefully reviewed all such documents existing on the applicable Work Order Date. Contractor agrees that HTFC has not made, and shall not be deemed to have made, any representations or warranties with respect to the Scope Documents, whether as to the design or other adequacy or sufficiency thereof, or otherwise.

3.2 Execution of each Work Order shall be deemed representation by Contractor that Contractor represents that, before the applicable Work Order Date: (a) Contractor has inspected (and has had the opportunity to inspect) and is familiar with the nature and location of the Project Site, other physical conditions relevant to the Work, and the jurisdiction and work rules of labor unions involved or to be involved in the Project; and (b) Contractor has become familiar with other applicable general and local conditions which may be material to Contractor's performance of the Work and the observable condition of and all existing buildings and structures (if any) on or adjacent to the Project Site; and (c) Contractor and has afforded its Subcontractors the opportunity to conduct such inspections and to become familiar with such general and local conditions.

3.3 Contractor shall not receive Extra Payment (or other additional compensation) with respect to any conditions or circumstances of any kind relating to or affecting the Project Site, including Unforeseen Conditions except for Extraordinary Conditions covered by an approved Change Order. Except for Extraordinary Conditions, Contractor assumes the entire risk of all conditions or circumstances relating to or affecting the Project Site, including Unforeseen Conditions.

3.4 Changes in Law occurring during the term of any applicable Work Order and/or reasonably expected to be effective immediately subsequent to completion of the services, which require a change in design of the Work, or in Contractor's means and methods, shall NOT be deemed Extra Work, and Contractor shall not receive any adjustment of the Work Order Price for any changes in Law. For the avoidance of doubt, a change in Law shall mean and include, also, a change in the interpretation or administration of any Law (including any changes or interpretations in rules, regulations, or administrative protocols or procedures of any kind).

ARTICLE 4.

Meaning of Documents

4.1 The Scope Documents and all other Contract Documents are intended to complement and supplement each other and to include or imply all items required for the proper execution and completion of the Work. The Scope Documents and other Contract Documents do not necessarily indicate or describe all items required for full performance of the Work. Contractor agrees to furnish without additional compensation all Work indicated on, or implied from, any one such Contract Document as if required by all. Contractor shall perform and complete the Work in accordance with the requirements of the Contract Documents (with all labor, materials, services, and other things included thereto, or usually performed in connection therewith, or reasonably inferable therefrom). In the event of any inconsistency among any of the Contract Documents, the Construction Agreement shall govern, followed by the remaining Contract Documents in the order of precedence determined by the order in which they appear in the definition of "Contract Documents" in Article 1. Any issues of inconsistency shall be resolved by the GOSR Referee.

4.2 Contractor represents that Contractor is fully familiar with the technical standards specified in the Contract Documents or otherwise applicable to Contractor's performance of the Work. References in the Contract Documents to technical standards shall be construed to mean the most recent published technical standards of the institute, organization, association, authority, or society specified. Unless otherwise specified to the contrary in the Contract Documents: (a) all references to technical standards shall include all revisions prior to the applicable Work Order Date; (b) such technical standards shall apply as if incorporated in the Contract Documents; and (c) if any revision of such technical standards occurs after the applicable Work Order Date and prior to completion of the applicable Work, Contractor shall notify HTFC and, if directed to do so by HTFC, shall perform the Work in accordance with the revised requirement. Where the Contract Documents require materials or apparatus to conform to specified technical standards, Contractor shall furnish HTFC, upon request, the manufacturer's written certification that such materials or apparatus conform to such technical standards. Failure of HTFC to request or reject any certification shall not release Contractor from full responsibility for the accurate and complete performance of the Work in accordance with the Contract Documents.

4.3 All indications, notations, schedules, or details in the Contract Documents specifically applicable to one or a number of similar situations, materials or processes, or shown as typical or representative, shall apply to all similar situations, materials, or processes, wherever appearing in the Work, unless the Contract Documents clearly require a contrary result. A typical or representative detail indicated on the Contract Documents shall be the standard of construction and material in all corresponding parts of the Work. Where necessary, and where inferable from the Scope Documents, Contractor shall apply such representative detail for all corresponding parts of the Work.

4.4 Any reference in the Contract Documents to materials, equipment, systems or supplies shall be construed to require Contractor to furnish the same in accordance with the grades and/or standards indicated in the Contract Documents. Where the Contract Documents do not specify any explicit quality or standard for materials or construction, Contractor shall use only construction and new materials of the quality appropriate to the Project; and the Contract Documents are to be interpreted accordingly. The products and materials of manufacturers referred to in the Scope Documents are intended to establish the standard of quality and design required. Items other than those specified may be used if equivalent and approved by HTFC.

4.5 Contractor shall be responsible for all measurements required for execution of the Work to the position and elevation as required by the Contract Documents. Contractor shall follow dimensions set forth in the Contract Documents and in such cases shall not determine dimensions of the Work by scale. Before executing any Work, Contractor shall verify all measurements by inspection and examination at the Project Site. Contractor acknowledges that the Scope Documents do not necessarily show all variations in alignment, elevation, detail, etc., required to avoid interference or satisfy architectural and structural limitations; and Contractor assumes responsibility for the proper and correct performance of the Work.

4.6 Contractor shall be responsible for all measurements, load and other stress tests required for execution of the Work. Before executing any Work, Contractor shall verify all measurements by inspection and examination at the Project Site.

ARTICLE 5.

Subcontractors

5.1 Each Subcontractor to be engaged by Contractor shall be subject to HTFC's prior written approval. Contractor shall have full responsibility for every portion of the Work furnished by any Subcontractor and for every act and omission (whether willful, negligent, or otherwise) of every Subcontractor and such Subcontractor's Employees. All Work, acts or omissions of every Subcontractor and such Subcontractor's Employees shall be deemed those of Contractor for all purposes of the Contract Documents.

5.2 If HTFC disapproves any proposed Subcontractor, Contractor shall promptly propose a substitute Subcontractor for the applicable Work at no additional cost or give written notice to HTFC that Contractor itself will perform the same Work. Failure to disapprove any Subcontractor shall not: (a) excuse Contractor from complying in all respects with the Contract Documents; or (b) imply that HTFC approves Contractor's or any Subcontractor's proposed staffing or scheduling of the Work or agrees that Contractor or any Subcontractor has the capacity or ability to complete the Work.

5.3 Nothing contained in the Contract Documents shall create any relationship of contract or agency between HTFC and any Subcontractor, notwithstanding HTFC's consent to any Subcontractor. Contractor acknowledges and agrees that HTFC shall have no obligation to supervise or deal with any Subcontractor or its Employees or to pay any Subcontractor or its Employees. No dealings of any kind whatsoever between HTFC or Homeowner and any Subcontractor shall be deemed a waiver of the foregoing by HTFC unless HTFC (at HTFC's election) specifically agrees otherwise in writing.

5.4 Contractor shall require all Subcontracts to be in writing and to comply with the requirements of this Article 5. Each Subcontract shall include a provision under which the Subcontractor agrees that the Subcontract shall be assigned to HTFC, at HTFC's written election, upon a termination of Contractor's rights to perform the Work under Article 12 or Article 20 (such assignment to become effective upon HTFC's giving written notice to the Subcontractor). Each Subcontract shall contain the same terms and conditions as to method of payment for Work and as to retained percentages as are set forth in this Contract, unless HTFC agrees otherwise in writing. Each Subcontract shall incorporate these General Conditions (and all other Contract Documents which apply generally to all Work or specifically to the Work covered by such Subcontract, and specifically the Supplementary Conditions) and shall provide that the Subcontractor shall be obligated to Contractor thereunder to the same extent as Contractor is obligated to HTFC for the Work of such Subcontractor. Upon HTFC's written request, Contractor shall deliver to HTFC a true and complete copy (or counterpart original) of the signed Subcontract between Contractor and each Subcontractor (and any modifications thereof). If Contractor desires to make a substitution for any Subcontractor, the proposed substitution shall be subject to all other requirements of this Article.

5.5 No Subcontractor shall be permitted on the Project Site unless Contractor has complied with Sections 5.2 and 5.4 of these General Conditions. Contractor shall bear all risk of delay resulting from Contractor's failure to submit required information, or obtain HTFC's decision concerning acceptability, within sufficient time to enable the applicable Subcontractor to commence Work when scheduled.

ARTICLE 6.

Indemnification; Release of Liability

6.1 Contractor hereby agrees to defend (using counsel acceptable to HTFC), indemnify and hold harmless each and every Indemnitee (its successors, affiliates and assigns) from and against (and to pay the full amount of) all Loss-And-Expense, whenever asserted or occurring, which any Indemnitee may suffer, incur or pay out, or which may be asserted against any Indemnitee in whole or in part, by reason of, or in connection with, the following:

(a) any bodily injury, sickness, disease or death of or to any person or persons occurring in connection with (or arising out of, or resulting from) the Work and/or any willful or negligent acts or omissions of Contractor or any Subcontractor, and whether occurring on the Project Site or elsewhere;

(b) any damage to or destruction or loss of any property, including any third party property and any property of HTFC and any property of others in the care, custody and control of Contractor, arising out of, or

resulting from the Work and/or any willful or negligent acts or omissions of Contractor or its Employees or any Subcontractors, and whether occurring on the Project Site or elsewhere;

(c) any loss of benefits under any manufacturer's guarantee, warranty or service agreement resulting from the fault of Contractor or any Subcontractor;

(d) any materially untrue or incorrect statement or representation of Contractor or Subcontractors in any Requisition, or in any other document submitted by Contractor with respect to the Work, the Project, or the Contract Documents (or for purposes of securing the Construction Agreement);

(e) any failure of Contractor or subcontractors to comply with Laws;

(f) any failure of Contractor or subcontractors to secure and maintain Required Insurance, or any Indemnitee's loss of coverage under any Insurance by reason of acts or omissions of Contractor;

(g) any amounts payable under worker's compensation or similar Laws not otherwise covered under (a) or (b) above in connection with (or arising out of, or resulting from) Contractor's performance or failure to perform the Work, or any other willful or negligent acts or omissions of Contractor or any Subcontractor attributable or relating thereto; and/or

(h) any claim in the nature of patent, copyright, or trade secret infringement or unfair competition, or other propriety right, arising out of Contractor's or subcontractor's unauthorized use of any intellectual property or other similar protected material.

6.2 Contractor shall defend (using counsel acceptable to HTFC) any claim, demand, allegations of liability, or Legal Proceedings (collectively referred to herein as "Legal Proceedings") commenced against any Indemnitee concerning any matter covered by any indemnity under Section 6.1. If Contractor fails to defend diligently any such Legal Proceeding, HTFC shall have the right (but no obligation) to defend the same at Contractor's expense. Contractor shall not settle any such Legal Proceeding without HTFC's prior written consent. Contractor shall give HTFC copies of documents served in any such Legal Proceeding and, whenever requested by HTFC, shall advise promptly as to the status of such Legal Proceeding. Contractor shall notify HTFC promptly of every Legal Proceeding or claim of which Contractor has knowledge which may be covered by any indemnity under this Article 6 and/or which may be covered by any Required Insurance. Contractor shall also give timely notice of such Legal Proceedings and claims to each insurer which has issued an applicable policy of Required Insurance, identifying all Indemnitees involved.

6.3 Contractor's indemnities and obligations under Sections 6.1 and 6.2 shall cover and include the Fees-And-Costs paid or incurred by HTFC in connection with any matter and amount referred to in Sections 6.1 and 6.2, together with the Fees-And-Costs paid or incurred by any Indemnitee to enforce this Article and Contractor's obligations hereunder (and Contractor agrees specifically that Contractor shall pay HTFC the Fees-And-Costs paid or incurred by HTFC to enforce this Article and Contractor's indemnities and obligations hereunder). Contractor shall pay such Fees-And-Costs upon demand from time to time.

6.4 Contractor's indemnities and obligations under the Contract Documents shall not be limited or defined by the amount of Required Insurance or by any limitations or restrictions on the amount or type of damages, compensation or benefits payable to, by or for Contractor under workers' compensation acts, disability benefit acts or any other Laws relating to employee benefits. No Indemnitee's right to indemnity under the Contract Documents shall be diminished, waived, or discharged by the exercise of any other remedy allowed under the Contract Documents or by Law.

6.5 This Article 6 and the obligations of Contractor hereunder shall survive Completion, all payments to Contractor, and any termination of Contractor's right to perform the Contract.

6.6 Contractor assumes the risk of, and hereby releases all Indemnitees from and with respect to, any and all matters and things covered by Contractor's obligations under this Article 6; provided, however, that Contractor shall not be required to indemnify against Loss-And-Expense as to any Indemnitee to the extent that such Loss-And-Expense is the result of the negligence or willful misconduct of such Indemnitee.

6.7 If any Subcontractor or any other Person claiming to have been employed directly or indirectly by or through Contractor or any Subcontractor files a Lien (unless as a result of HTFC's failure to pay an undisputed amount properly due to Contractor under this Contract), Contractor shall satisfy, remove or discharge such Lien at Contractor's expense by bonding, payment or otherwise within 30 days after notice to Contractor of the filing thereof. If Contractor fails to do so, HTFC may satisfy, remove or discharge such Lien; and, at HTFC's election: (a) HTFC may deduct the cost thereof (including all applicable Fees-And-Costs) from Contractor's next succeeding Requisitions (or may invalidate any previously approved but unpaid Requisitions) until HTFC recoups the total thereof; or (b) Contractor shall pay the same to HTFC upon demand.

ARTICLE 7.

Access to Work; Inspections; Testing; Uncovering of Work

7.1 During the progress of the Work through Completion, Contractor shall at all times afford HTFC and other Persons designated by HTFC, access to the Work and every reasonable, safe, and proper facility for inspecting or examining all Work at the Project Site or, if elsewhere, at the place of preparation. Contractor shall secure and deliver to HTFC promptly all certificates of inspection, test reports, work logs, or approvals with respect to the Work as and when required by the Contract Documents (or by Laws which place responsibility for the same on Contractor).

7.2 All tests or inspections required by Law ("Controlled Inspections") shall be at Contractor's expense within the Work Order Price (and Contractor shall engage, or provide the services of, a licensed engineer, at Contractor's expense, for such purpose). Contractor shall arrange and coordinate any Controlled Inspections and notify HTFC sufficiently in advance of the need and time for such Controlled Inspections. Additionally, Contractor shall arrange, coordinate and conduct all tests or inspections specifically required of Contractor or any Subcontractor under the Contract Documents (or which are otherwise required by any Laws which place the responsibility for conducting such test or inspection on Contractor) which are not Controlled Inspections. Contractor shall give three Work Days advance notice of the scheduled time for a test or inspection to HTFC and any consultants or other Persons who will be affected by (or who should necessarily or properly be present for) such test or inspection. Contractor shall give HTFC copies of all inspection certificates from Controlled Inspections or other tests and inspections within five days after Contractor receives the same.

7.3 HTFC may at any time conduct (or cause to be conducted) such on-site inspections and such other tests as HTFC deems necessary or desirable to ascertain whether the Work complies with the Contract Documents. HTFC will pay for a test or inspection requested by HTFC (and not required under Section 7.2) as Extra Work under Article 21, unless such test or inspection reveals a failure of the Work to comply with the Contract Documents or Laws, in which event Contractor shall bear all expenses of such inspection or test. Should Contractor fail to adequately coordinate with the applicable inspector or testing entity, Contractor shall be back-charged for any additional Fees-And-Costs incurred by HTFC for re-inspection or re-testing.

7.4 Contractor shall secure and deliver to HTFC promptly all certificates of inspection, test reports, work logs, or approvals with respect to the Work as and when required by the Contract Documents (or by Laws which place responsibility for the same on Contractor).

ARTICLE 8.

Casualty and Other Damage to the Work

8.1 In the Contract Documents, "Damage" (or "Damaged") means and includes damage, destruction, or loss resulting from fire, weather, other casualty, vandalism, theft, negligent or intentional acts or omissions of Contractor or a Subcontractor, and/or any other cause whatsoever. From the applicable Work Order Date until Completion, Contractor shall use care and diligence, and shall take precautions, to protect the Work and other property of HTFC and/or other Persons from Damage. Contractor acknowledges that HTFC and Homeowner shall NOT carry any builder's risk or other insurance that would cover any such Damage. Contractor assumes the risk of all Damage to the Work or the Project and agrees that any restoration, remediation, additional protection, and/or any change in Contractor's logistics or means and methods of conducting the Work required by reason of Damage shall be at Contractor's expense.

8.2 Contractor shall notify HTFC of any Damage to the Work, or any accidents on the Project Site, as promptly as reasonably possible after Contractor learns of the same; and, within ten days after learning of any occurrence, Contractor shall submit a full and complete written report to HTFC. Contractor shall also submit to HTFC copies of all accident and other reports filed with (or given to Contractor by) any insurance company, adjuster, or Government Entity.

9.1 The Scope Documents, and all drawings, notes and other documents of any kind issued by HTFC in connection with the Contract, the Work Order or the Work, and all samples, Shop Drawings, and other submittals prepared by Contractor or any Subcontractor in connection with the Work or the Project, together with all other Books and Records, and all rights in the foregoing (including rights of use, copyright, and trademark), shall be and remain the sole and confidential property of Homeowner (whether or not HTFC undertakes, terminates, or completes the Work, or this Construction Agreement is terminated for any reason whatsoever) and, for the avoidance of doubt, Contractor hereby assigns all rights it may have in the foregoing to Homeowner.

9.2 Notwithstanding anything to the contrary in Section 9.1, HTFC and Homeowner shall not own but shall have a royalty-free perpetual license to use (or permit use of) any intellectual property or other similar protected material prepared as part of the Work for any purpose related to the Project. If Contractor does not have the right to grant such a license with respect to such material prepared by third parties, Contractor shall notify HTFC promptly.

ARTICLE 10. Contractor's Representatives and Personnel; Contractor Responsible for Labor Matters, Coordination, Etc.

10.1 Contractor has designated in Schedule C to the Construction Agreement one or more representatives who have full authority, individually, to act for Contractor under and with respect to the Contract Documents. The acts of each such representative shall fully bind Contractor; and HTFC shall be fully protected in relying upon, or dealing with, any one of such designated representatives. Contractor is an independent contractor and not an Employee of HTFC. Contractor and all Persons assigned to the Work by Contractor shall perform in a manner which is skillful and otherwise appropriate and shall cooperate with HTFC and its Employees, consultants, contractors and representatives. If any Person assigned to the Work by Contractor is unacceptable, in HTFC's judgment, Contractor shall terminate the assignment of such Person immediately (and secure an acceptable substitute, if required) without any increase in the Work Order Price.

10.2 Contractor shall be responsible for establishing a safety program and security as appropriate for each Project. Contractor shall (and shall cause each Subcontractor to) (a) use care and diligence to protect the Work and the Project Site and Homeowner from theft, vandalism, and other unlawful or inappropriate activities, and (b) in furtherance thereof, in compliance with Laws, perform background screening of all employees entering the Project Site. Costs of safety and security required under this paragraph shall be borne by Contractor, at Contractor's expense, within the Work Order Price.

10.3 Contractor acknowledges and agrees that HTFC or Homeowner may award contracts to Separate Contractors for other activities or work at the Project Site. Contractor agrees: to cooperate reasonably and to coordinate with any Separate Contractors so as to avoid disputes and delays; to allow Separate Contractors, upon reasonable advance notice during normal working hours, to review pertinent documents in Contractor's possession (including any Contract Documents or Shop Drawings and samples which will or may affect the work of such Separate Contractor); if Contractor controls the Project Site, to afford Separate Contractors access to the Project Site (provided that all Separate Contractors shall coordinate their work with Contractor while on the Project Site); and to notify promptly any Separate Contractor, HTFC and Homeowner of any problems in the Separate Contractor's work that are reasonably likely to cause damage or delay to Contractor and to cooperate with the Separate Contractor to mitigate the effects of the problem.

ARTICLE 11.

Books and Records

11.1 Contractor shall keep and maintain the following (the "Books and Records"): (a) complete accounts and cost records of all payments by HTFC to Contractor and/or by Contractor to any Subcontractor or other Person in connection with the Work, including records of all Extra Work and Disputed Work performed; (b) copies (and originals, as appropriate) of all documents of any kind prepared, issued, or received by Contractor in connection with the Work or the Project; (c) all payroll records, receiving documents, time books, job diaries and reports, cost analyses, cancelled checks, sales or excise tax filings and returns (or exemptions therefrom), other government filings, and other documents showing acts or transactions in connection with (or relating to or arising by reason of) the Work, the Contract, or any Subcontract; and (d) one complete set of the Scope Documents marked to record all changes by Contractor during the Work and specifying the applicable Change Orders. Contractor shall, upon written notice from HTFC, produce any or all Books and Records for examination, audit, and/or copying, during regular business hours, at Contractor's office, by a representative of HTFC. Contractor shall keep and maintain all Books and Records for at least six years after Completion.

12.1 "Event of Default" means any of the following:

- (a) Contractor fails to commence Work on the Starting Date, subject to Excusable Delays;
- (b) Contractor abandons the Work in violation of Contractor's obligations under the Contract Documents;
- (c) Contractor reduces Contractor's work force to a number which HTFC reasonably believes would be insufficient to complete the Work and Contractor fails, after five days' written notice from HTFC, to increase the work force to a number sufficient so as to complete the Work;
- (d) Contractor fails to secure and maintain all Required Insurance in accordance with the Contract Documents;
- (e) Contractor does not achieve Completion on or before the Completion Date (as extended under Article 18);
- (f) the unpaid balance of the Work Order Price is clearly insufficient to complete the Work and to pay all Liens which are Contractor's responsibility under Section 6.7 (and not yet bonded or discharged), and Contractor fails to confirm in writing, after seven days written notice from HTFC, that Contractor shall complete the Work in accordance with the Contract Documents;
- (g) Contractor: (i) seeks, consents to, acquiesces in, or suffers the appointment of, a receiver of all or a material part of Contractor's property or income; (ii) admits in writing Contractor's inability to pay Contractor's debts as they mature; (iii) makes a general assignment for the benefit of creditors; (iv) files a voluntary petition in bankruptcy, or a petition or an answer seeking reorganization or an arrangement with creditors or an advantage under any present or future federal, state or other law relating to bankruptcy, reorganization, insolvency, readjustment of debt, dissolution or liquidation or similar relief; or files an answer admitting the material allegations of a petition filed against Contractor in any proceeding under any such law; and/or (v) is adjudicated an insolvent or is subject to an involuntary petition in bankruptcy, and such adjudication or filing is not set aside or terminated within 30 days;
- (h) an attachment is levied or a judgment is executed against all or any material part of Contractor's property or income and the same is not discharged within 30 days;
- (i) Contractor (or the chairman or president, or any vice president, treasurer, or any shareholder owning more than twenty percent (20%) of Contractor's issued and outstanding capital stock, or the sole proprietor of Contractor or any member, manager, general partner or joint venturer of Contractor) is indicted for an alleged felony related or pertaining to the business activities of Contractor; and/or
- (j) except as covered by (a) through (i) above, Contractor fails to perform or observe any other term, covenant, condition and provision of the Contract Documents for twenty-one (21) days after written notice from HTFC specifying the nature of Contractor's failure; provided, however, that if curing or correcting such failure requires Work to be performed, acts to be done, or conditions to be removed which cannot be performed, done, or removed within such twenty-one (21) days, no Event of Default shall be deemed to have occurred if Contractor: (i) gives written notice to HTFC within such twenty-one (21) days acknowledging that Contractor intends to take all actions necessary to remedy the matter involved with due diligence; (ii) promptly commences to cure and correct the matter involved and diligently continues to prosecute the same; and (iii) cures and corrects the matter involved within a reasonable time, taking into account the relevant circumstances.

12.2 Upon the occurrence of any Event of Default (following the applicable notice and/or cure period specified in Section 12.1 for such Event of Default, if any), HTFC may give written notice (the "Five Day Notice") to Contractor. If Contractor still fails to cure or correct the specified default within five days after HTFC gives the Five Day Notice, Contractor shall be in "Default" and thereupon HTFC may do any or all of the following, in any sequence: (a) terminate Contractor's

right to perform the Work, in whole or in part, to the extent specified by HTFC; and/or (b) at Contractor's expense, take (or cause to be taken) any and all actions and incur any costs which HTFC deems necessary or desirable (in HTFC's judgment) to investigate and/or cure all or any portion of such Default. For this purpose, HTFC may: (i) take possession of and use (or permit any Person described in (ii) or (iv) below to take possession of and use) any or all materials, tools, plant, equipment, supplies and/or facilities used or to be used by Contractor for the Work (whether on or off the Project Site) to the fullest extent permitted by Law; (ii) employ any architect, engineer, attorney, accountant, or other consultant, or any contractor or other Person, on terms satisfactory to HTFC (in HTFC's judgment), with or without competitive bidding, to advise and consult, to furnish services, labor, materials, tools, plant, equipment, supplies, transportation, facilities, and/or any other matters of any kind necessary or desirable (in HTFC's judgment) to complete the Work, or otherwise to cure Contractor's Default; (iii) repair or replace any Work or part of the Project, or Work of any other contractor, damaged, removed, or uncovered by reason of Contractor's Default, or the curing and correction thereof; (iv) rebid, re-let, or otherwise award the Construction Agreement or any portion of the Work to any other Person (whether by negotiation, competitive bidding, or otherwise); and/or (v) compel the Surety under the Performance Bond (if any) to perform Contractor's obligations under the Contract Documents. Contractor and each Surety under the Bonds (if any) shall remain liable under the Contract Documents, whether or not HTFC terminates Contractor's right to perform the Construction Agreement (either in whole or in part) or takes (or omits to take) any other action with respect to any Default.

12.3 Contractor shall be liable to HTFC for all Loss-And-Expense paid or incurred by HTFC in connection with any and all actions and matters under Section 12.2 (collectively, "Completion Expense"). HTFC shall determine the amount of the Completion Expense from time to time, and: (a) to the extent the Completion Expense exceeds the portion of the Work Order Price properly attributable to the remaining Work being completed or corrected, such excess amount: (i) shall be deducted from any unpaid balance of the Work Order Price or other amounts due Contractor hereunder, to the extent of such balance; and (ii) Contractor shall pay HTFC any amount exceeding the unpaid balance of the Work Order Price, upon demand; and (b) upon Completion of the Work, but only to the extent the entire Completion Expense is less than the unpaid balance of the Work Order Price, HTFC shall pay Contractor any balance of the Work Order Price still due and unpaid for Work actually performed by Contractor, without interest, after Contractor has complied with the requirements of Article 28.

12.4 If HTFC terminates Contractor's right to perform the Work and if it is determined subsequently for any reason that an Event of Default did not occur or that Contractor had cured such Event of Default in a timely manner, then HTFC's termination of Contractor's right to perform the Work shall be deemed to have been an elective termination of this Construction Agreement pursuant to Article 20 and HTFC shall pay Contractor the Cancellation Payment specified in Section 20.2.

12.5 The rights and remedies of HTFC under this Article are not intended to be exclusive. Each right and remedy shall be cumulative and shall be in addition to all other rights and remedies given HTFC under the Contract Documents or available at law or in equity.

12.6 This Article is intended to supplement and not limit any provisions of the Supplementary Conditions dealing with the subject matter hereof.

ARTICLE 13.

Legal Proceedings by Contractor; Governing Law

13.1 Contractor shall not bring any Legal Proceeding against HTFC or any other Indemnitee under the Contract Documents, or with respect to any aspect of the Work, unless Contractor commences the same no later than 365 days after: (a) Completion; (b) any termination of Contractor's right to perform the Work under Article 12 or Article 20; and/or (c) any abandonment of the Project or purported termination by Contractor based upon any alleged default by HTFC. The Contract Documents shall be construed and enforced in accordance with, and governed by, the laws of the State of New York (without regard to principles of conflicts of laws). In the event of any Legal Proceeding between the parties concerning the Contract Documents (or any matter pertaining to or arising under the Contract Documents) which results in a judgment final beyond appeal, the prevailing party shall be entitled to reimbursement from the losing party, upon demand, for all Fees-And-Costs of such Legal Proceeding paid or incurred by the prevailing party. Contractor and HTFC agree that any legal action with respect to this Contract (including all defenses to any such legal action and all counterclaims or cross-claims therein) shall be brought and maintained only in the Supreme Court of the State of New York, New York County; and Contractor and HTFC accept (and submit to) the jurisdiction of such court.

ARTICLE 14.

No Waivers; No Third-Party Rights

14.1 The Contract Documents may not be modified or amended (or any term or provision waived or discharged) except in writing signed by the party against whom such amendment, modification, waiver or discharge is intended to be effective or except as elsewhere provided in the Contract Documents. Except and unless as elsewhere provided in the Contract Documents (or unless otherwise specifically agreed by HTFC in writing with respect to a particular matter), no action, failure to act, course of dealing or delay of HTFC shall constitute a waiver by HTFC of Contractor's compliance with any term or provision of the Contract Documents or shall preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

14.2 Unless another provision of the Contract Documents provides specifically to the contrary, nothing in the Contract Documents, express or implied, is intended: (a) to confer on any Person other than HTFC, Homeowner or Contractor any rights, obligations, liabilities or remedies; or (b) to waive any claim or right of Contractor, HTFC, Homeowner or any Indemnitee against any other Person.

ARTICLE 15.

Correction of Work; Guarantees

15.1 Prior to Completion and at any time during the Guarantee Period when HTFC or Homeowner gives written notice to Contractor, Contractor shall correct promptly all Work which is incorrect, defective, incomplete, omitted, or not otherwise in compliance with the Contract Documents. Unless a longer period is otherwise set forth in the Contract Documents, "Guarantee Period" means the period commencing on the date of Completion and ending on the later of (a) 365 days following such date or (b) 180 days after the completion of the specific corrective action. If Contractor fails to commence required action under this Article within ten (10) days after written notice from HTFC or Homeowner, or if Contractor does not thereafter prosecute such action diligently to completion, HTFC or Homeowner may undertake the necessary corrective action itself or through other Persons at Contractor's expense. Any costs of corrective action for which Contractor is responsible under this Article shall be deducted from the unpaid balance of the Work Order Price (if any) or otherwise paid by Contractor upon demand. This Article is intended to supplement (and not to limit) Contractor's obligations under other provisions of the Contract Documents and under Laws, including Article 2.

ARTICLE 16.

Resolution of Disputes

16.1 If Contractor, HTFC or Homeowner dispute any action of the other relating to any issue arising under this Construction Agreement (or under the Supplement to Grant Agreement), and if they fail to resolve their dispute within fifteen (15) days after written notice from one party to the other advising of the dispute and specifying this Article, either party may submit a notice of dispute to the GOSR Referee. Each such submission to the GOSR Referee shall specify in reasonable detail:

- (a) the nature of the dispute and/or any information or interpretation requested by the party (the "petitioner") giving notice to the GOSR Referee; and
- (b) the petitioner's proposal for resolving the dispute.

16.2 The petitioner shall include with such request all documents and other materials which the petitioner deems relevant. The petitioner shall give copies to the other party(ies) (the "respondent") of all documents and other materials submitted by the petitioner to the GOSR Referee.

16.3 The GOSR Referee shall review each matter submitted and shall allow the respondent an opportunity to submit a written statement of the respondent's position (together with any documents or materials which the respondent deems relevant) within thirty (30) days after the respondent receives the petitioner's submission of documents under Section 16.2. The GOSR Referee shall also confer with both parties together to discuss the dispute and hear argument and may allow either party to submit a further written statement (or statements) of its position. In considering or rendering any decision, the GOSR Referee shall construe, interpret, and apply the Contract Documents or Supplement to Grant Agreement strictly in accordance with their terms. The GOSR Referee shall deliver a written decision to Contractor, HTFC and Homeowner as promptly as possible, but no later than thirty (30) days after the last document submission by the parties to the GOSR Referee

(or conference with both parties, if later). Contractor, HTFC and Homeowner shall comply promptly with decisions of the GOSR Referee.

16.4 A decision of the GOSR Referee shall be conclusive and binding on Contractor, HTFC and Homeowner with full effect as the decision of an arbitrator under New York law.

16.5 HTFC, Contractor and Homeowner shall each bear its own expenses of any proceeding before the GOSR Referee. There shall be no charge for the fees or expenses of the GOSR Referee.

16.6 If the GOSR Referee is disbanded or is unable to serve, GOSR shall designate a successor within thirty (30) days after application by a petitioner. In such event the time periods for issuance of a determination by the GOSR Referee under this Article shall (if necessary) be postponed day-for-day pending the appointment (and agreement to serve) of the successor GOSR Referee.

16.7 A Surety issuing any Bond with respect to this Construction Agreement shall be bound by decisions of the GOSR Referee to the same extent as Contractor. Moreover, by issuing its Bond such Surety shall be deemed to have agreed that submission of any matter to the GOSR Referee, and/or any decision or other action of the GOSR Referee, shall not discharge, release, amend, or waive such Bond or any rights of HTFC or Homeowner thereunder.

16.8 Contractor shall not stop Work during the pendency of any dispute. Following a decision of the GOSR Referee, each party (as applicable) shall comply immediately with such decision.

16.9 Contractor and Homeowner acknowledge and agreed that the members of GOSR Referee may be an employee of, or contractor with, HTFC or of another agency of the State of New York. Nonetheless, Contractor and Homeowner each waives any actual or apparent conflict of interest and accepts the GOSR Referee as the Person to perform the functions which are specified for the GOSR Referee under this Article.

ARTICLE 17.

Commencement of Work; Time

17.1 Contractor shall commence Work on the Project Site, no later than the Starting Date. Subject to Excusable Delays, time is of the essence for Contractor's Completion of the Work on or before the Completion Date.

17.2 If at any time the Work is likely to be delayed for any reason, or if HTFC otherwise desires to accelerate the Work for any reason, HTFC may give written notice requiring Contractor to (a) increase the number of workers and/or the amount or types of machinery, tools, equipment, or materials employed by Contractor in or for the performance of the Work; and/or (b) schedule and conduct additional lawful work shifts. Contractor shall undertake immediately all such action which HTFC so requires in order to accelerate the Work, subject to availability of labor and materials. Costs of additional labor, machinery, tools, equipment and/or materials, if any, required under this paragraph shall be borne by Contractor, at Contractor's expense, within the Work Order Price where the Work has been delayed by Contractor (as extended for Excusable Delays) or otherwise shall be borne by HTFC as an Extra Payment computed in accordance with Article 21. If HTFC and Contractor do not agree as to the cause of any delay in the Work, or if Contractor disputes the necessity of accelerating the Work, nevertheless Contractor shall comply with HTFC's requirements and shall continue to prosecute the Work. Whether or not HTFC exercises the same, HTFC's right to accelerate performance of the Work under this Section shall not limit, modify or waive any of HTFC's rights or remedies under the Contract Documents.

ARTICLE 18.

Extensions of Time

18.1 Contractor shall be entitled to extensions of the Completion Date only for Excusable Delays, subject to compliance with the conditions and requirements of this Article. Contractor may request an extension of time by giving a written notice to HTFC which briefly describes the delay and estimates the duration of the delay (a "Delay Notice") within ten (10) days (unless a different time period is expressly identified in the applicable Work Order) after Contractor receives notice or otherwise becomes aware that the Excusable Delay has commenced or can be expected to commence. Contractor hereby waives and releases any right to an extension of time as to which Contractor does not give a Delay Notice as specified in this Article. Subject to the foregoing, if Contractor is entitled to a requested extension of time, HTFC shall issue a Change Order after timely receipt of the Delay Notice. Contractor shall not receive an extension of time under this Article to the extent that Contractor would have been delayed concurrently by any fault of Contractor.

19.1 HTFC may order Contractor, by written notice at any time, to stop the Work (or any part thereof) for any period or periods specified by HTFC, for any reasons (i.e., with or without cause). HTFC's order shall specify the date on which Contractor shall stop the Work. Contractor shall resume the Work thereafter if and when HTFC so orders. Contractor shall receive an extension of time as an Excusable Delay for any period of stoppage ordered by HTFC under this Article unless the suspension was necessary by reason of or attributable to Contractor's fault.

19.2 Extensions of time under Article 18, and payment of any amounts that may be due under Section 27.1 for a suspension by HTFC, shall be construed as full consideration to Contractor, and as a release of HTFC by Contractor (and all Persons claiming by, through and/or under Contractor), with respect to the particular stoppage of the Work.

20.1 HTFC may terminate Contractor's right to perform the Contract in whole or in part at any time after the date of the Construction Agreement for any reason, with or without cause, by at least ten (10) days' prior written notice to Contractor (the "Termination Notice") specifying the effective date of such termination (the "Termination Date") and the extent to which performance of the Work is terminated.

20.2 Upon a termination under this Article and after Contractor complies with Article 28, Contractor shall be entitled to a "Cancellation Payment" consisting of the following: (a) all amounts (including any Extra Payments) due, but not yet paid, Contractor under the Contract Documents for Work completed prior to the Termination Date; (b) direct out-of-pocket costs of any supplies, materials, machinery, equipment, facilities, or other property, in each case specially fabricated or purchased by Contractor or any Subcontractor pursuant to the Scope Documents in accordance with the Construction Agreement for the sole purpose of performing the Construction Agreement and not capable of installation and use except as a part of the Work; (c) other reasonable costs for which Contractor is obligated under non-cancellable agreements, even though Contractor has not yet received delivery of the same (but limited as though all Subcontractors have received a notice of termination effective as of the same date and are bound by similar provisions in their Subcontracts); and (d) five percent (5%) of all costs computed under (a) through (c) above; however, (e) minus any amounts due to HTFC from Contractor under the Contract Documents. Contractor shall receive no other payments (and, without limitation, no payment of any Included Items) by reasons of such termination.

20.3 Contractor agrees that the Cancellation Payment will fully and adequately compensate Contractor (and all other Persons claiming by or under Contractor) for all Loss-And-Expense attributable to the termination of Contractor's right to perform this Construction Agreement. After the Termination Date, in HTFC's sole discretion (but without any obligation to do so), HTFC may take any and all actions necessary or desirable to complete the Work so terminated, including, entering into contracts with other contractors, with or without public letting. Unless Section 12.4 applies, this Article shall not apply to any termination of Contractor's right to perform this Construction Agreement under Article 12.

20.4 This Article is intended to supplement and not limit any provisions of the Supplementary Conditions dealing with the subject matter hereof.

21.1 HTFC may issue Change Orders pertaining to any and all aspects of the Work at any time and for any reason whatsoever, whether and however such Change Orders may revise this Contract, add Extra Work, or require the deletion of Deleted Work.

21.2 Whenever Contractor believes (or has cause to believe) that Extra Work is required, or whenever Contractor performs any Disputed Work (see Section 22.1), Contractor shall deliver to HTFC a notice (the "Change Order Advisory") containing (a) a statement of why the particular Work is Extra Work; and (b) a rough order of magnitude as to the Extra Payment involved and extension of time required (if any). For the avoidance of doubt, Contractor understands that Contractor will receive no Change Orders for Unforeseen Conditions or for any other matter under this Construction Agreement other than Discretionary HTFC Changes or other matters which for which this Construction Agreement otherwise makes explicit provision. As used herein a "Discretionary HTFC Change" means Extra Work which materially changes the

Base Contract Work and is specifically required by a written order of HTFC describing the same. The Project Manager shall have no authority to issue Discretionary HTFC Changes; and no bulletin, interpretation, advisory, or other document of any kind issued by the Project Manager or any other Government Entity shall be deemed to constitute a Discretionary HTFC Change.

21.3 If HTFC issues a Discretionary HTFC Change, or if Contractor believes that Contractor has encountered Extraordinary Conditions, Contractor shall submit to HTFC a Change Order which shall set forth in sufficient detail all proposed changes in the Work and the reasons therefor. Contractor shall specify, also, whether the Change Order will result in an increase or reduction in the Work Order Price and the amount thereof (which shall be governed by this Article). If HTFC approves, HTFC shall issue a Change Order and Contractor shall implement the particular Change Order in accordance with HTFC's instructions. Submission of any proposed Change Order by Contractor shall be deemed a representation by Contractor that (a) the Work covered by such proposed Change Order is Extra Work or Deleted Work, as the case may be, which requires an adjustment in the Work Order Price and (b) that the adjustment in the Work Order Price set forth in such proposed Change Order is fair and reasonable and does not include any costs which are not permissible under the Contract Documents. For the avoidance of doubt, HTFC reserves the right to engage one or more Separate Contractors for performance of work or services that would constitute Extra Work if performed by Contractor hereunder, including addressing Extraordinary Conditions.

21.4 Contractor shall undertake and complete promptly all Extra Work authorized under this Article. Subject to Section 22.1, Contractor shall not perform any Extra Work without a Change Order signed by HTFC specifically authorizing Extra Work.

21.5 Without limiting other provisions of this Construction Agreement, Contractor shall not be entitled to any Extra Payment for any Extra Work, if and to the extent required by reason of: (a) Contractor's or any Subcontractor's fault; (b) coordination of Scope Documents, other than lack of coordination resulting from material design defects; (c) development of details inferable from the Scope Documents; (d) the inclusion or exclusion of any item which should be included or excluded in accordance with good construction practice, whether or not shown or set forth in a Contract Drawing and/or Specification; or (e) any risk or obligation assumed by Contractor in the Contract Documents, including Unforeseen Conditions.

21.6 HTFC may request Contractor to submit a price for Extra Work covered by any proposed Change Order. In response, within five Work Days after receipt of any such request, Contractor shall submit a written quotation in a form approved by HTFC.

21.7 If HTFC and Contractor fail to agree upon the amount of Extra Payment due Contractor with respect to proposed Extra Work, HTFC may, in its sole discretion, issue a Change Order requiring such Extra Work, instruct Contractor to continue performance of the Work without the proposed Extra Work (if physically possible), or instruct Contractor to stop the Work. If HTFC issues a Change Order requiring such Extra Work, or if HTFC issues a Change Order without first requesting a quotation pursuant to Section 21.6, Contractor shall proceed immediately with the Extra Work covered by such Change Order; and, unless Contractor and HTFC agree on a lump-sum or unit-price payment, any Extra Payment due Contractor shall be computed on the time and materials basis in accordance with Section 21.8; and in such case Contractor shall notify HTFC by telephone before 3:00 p.m. E.S.T. on any Work Day of all Extra Work to be performed on a time and materials basis which Contractor has scheduled for the next Work Day. If HTFC instructs Contractor to stop the Work, Contractor shall stop Work on the date and to the extent specified by HTFC and take all action as necessary (or as HTFC may direct) to protect and preserve all materials, equipment, tools, facilities and other property and the safety of all Persons connected with the Work or the Project Site.

21.8 Whenever Contractor performs Extra Work on the time and materials basis, HTFC shall pay Contractor the following reasonable costs actually incurred for the following with respect to such Extra Work: (a) necessary materials (including actual costs of transportation to the Site); (b) necessary direct labor; (c) premiums actually paid by the employer for worker's compensation; vacation allowances, union dues, health, welfare, unemployment, and retirement benefits, and payroll taxes, which the employer actually pays on such direct labor; (d) incremental additional costs of Required Insurance and/or Bonds occasioned by performance of such Extra Work; (e) sales and personal property taxes (if any) required to be paid on materials incorporated in such Extra Work, other than those for which exemption is (or should be) allowed under this Contract; (f) actual rental costs of necessary plant and equipment other than small tools (or, in the case of Contractor-owned equipment, the reasonable rental value thereof); (g) necessary installation and dismantling of such plant and equipment (including transportation to and from the Site), if any; and (h) fifteen percent (15%) (the "Change Order Mark-up") in the

aggregate on the total of items (a) through (g) for all Included Items of Contractor and all Subcontractors associated with such Extra Work. Where Contractor performs Extra Work on a time and materials basis and Contractor has not submitted full time sheets with its Requisition for same, HTFC will make a provisional payment of 70% of the Extra Payment requested by Contractor in any Requisition with the remaining 30% paid upon HTFC's receipt and verification of full time sheets for such Extra Work, subject to Article 24 and the completion of an audit.

21.9 The Work Order Price shall be reduced if and to the extent that any Change Order, whether for Deleted Work or otherwise, results in any net reduction in Contractor's cost of the Work. If Contractor and HTFC do not agree as to the amount of the reduction, the Work Order Price shall be reduced by an amount equal to the estimated cost of the Deleted Work, computed in accordance with Items (a) through (h) of Section 21.8; provided, however, that if any Change Order requires both Extra Work and Deleted Work with respect to related items of Work, the applicable Extra Payment (if any) shall be computed only on the actual net increase in Contractor's cost of the Work. However, any savings or decreased costs attributable to Deleted Work shall not be netted against Extra Payment for an unrelated item of Work.

ARTICLE 22.

Disputed Work; Time and Materials Certificate

22.1 If Contractor is of the opinion that any Work ordered to be done as Base Contract Work is instead Extra Work and not Base Contract Work ("Disputed Work"), before proceeding with the particular Disputed Work, Contractor shall give HTFC the Change Order Advisory described in Section 21.2. If Contractor fails to deliver such Change Order Advisory within ten (10) days of HTFC's direction to perform the Disputed Work, Contractor shall be conclusively deemed to have agreed that such Disputed Work is Base Contract Work, and Contractor shall pay, at Contractor's expense, all costs due to the particular Subcontractor(s) by reason of such Disputed Work. If, after receipt of such Change Order Advisory, HTFC does not approve a Change Order for the Disputed Work, Contractor shall not perform the Disputed Work.

22.2 For all Disputed Work performed (after approval of a Change Order by HTFC) and for all Extra Work performed on a time and materials basis, Contractor shall prepare and deliver to HTFC a certificate containing the following: (a) a statement of the number of hours for which workers were actually employed, the wages due such worker, and a brief statement of the categories of work performed; (b) a statement of changes (if any) in the rates and amounts of worker's compensation premiums, state and federal taxes, vacation allowances, and union dues and assessments payable upon any worker's wages; (c) a statement of the amount and character of materials furnished for such Work, the Persons from whom purchased, and amounts payable for the same; and (d) a statement of the equipment used in the performance of such Work, together with the rental (if any) payable for the same.

ARTICLE 23.

Requisitions

23.1 Subject to the terms of this Construction Agreement, HTFC will pay the Work Order Price for each Project after Completion of the applicable Project in accordance with the Payment Schedule set forth in the applicable Work Order. To this end, Contractor shall submit all Requisitions to HTFC (with copies to the Project Manager) upon satisfaction of the conditions set forth in the Payment Schedule. Contractor shall submit to HTFC with each Requisition:

- (a) the Line Item Breakdown, annotated to reflect all Work actually completed to date;
- (b) a list and copies of all permits, licenses and certificates obtained from Government Entities having jurisdiction over the Work not yet submitted with a prior Requisition, if any;
- (c) a partial Waiver of Lien from Contractor and every Subcontractor covering all payments by HTFC pursuant to previous Requisitions, if any;
- (d) a detailed summary of all Change Orders approved and/or requested to date;
- (e) a Homeowner Work Approval Certification;
- (f) photographs or other documents of completed work in place; and

(g) any other certification, reports, documentation or information relating to the Work or the Contract Documents required to meet the conditions to payment set forth in the Payment Schedule or which HTFC otherwise reasonably requests or are required by Law.

23.2 Within thirty (30) days after receipt of a Requisition satisfactory to HTFC pursuant to Section 23.1, HTFC will approve or disapprove all or a portion of such Requisition. If HTFC disapproves all or a portion of the Requisition, HTFC will deliver a written statement of any disapproved amounts pursuant to Section 24.3.

23.3 HTFC may withhold payment of all or any portion of a Requisition for the reasons set forth in Sections 24.2 and 24.3 below. However, if, in HTFC's reasonable judgment, other grounds for withholding payment do not concurrently exist, HTFC will pay any portion(s) of the Requisition not then in dispute within thirty (30) days of HTFC's approval of all or the applicable portion of the Requisition.

23.4 With respect to the portion, if any, of the Requisition which HTFC has disapproved, Contractor shall immediately undertake all corrective or other action required by HTFC and shall continue to prosecute the Work expeditiously in accordance with the Contract Documents. If and when HTFC's grounds for withholding payment are removed by judicial determination final beyond appeal, expiration of an applicable limitation period, or written agreement between HTFC and Contractor, HTFC shall pay Contractor the amount so withheld, less any other amounts still subject to withholding under Sections 24.2 and 24.3.

23.5 If HTFC receives notice (or otherwise has good reason to believe) that Contractor has failed to pay any Subcontractor an amount due to such Subcontractor from funds previously paid by HTFC to Contractor (*i.e.*, where the funds due to such Subcontractor were covered by a Requisition previously paid by HTFC), upon demand from HTFC, Contractor shall immediately pay the amount due to such Subcontractor or (if HTFC so specifies) shall return such funds to HTFC with interest at the legal rate from the date when due. In such event, also, HTFC may elect, upon three days' written notice to Contractor, thereafter to issue payments directly to any or all Subcontractors and deduct any and all such payments (including interest thereon) from any amounts due from HTFC to Contractor pursuant to this Contract.

23.6 Whenever requested, Contractor shall submit to HTFC a sworn statement, in form and accompanied by documents satisfactory to HTFC, accounting for the disbursement of funds received from HTFC. No payment by HTFC shall relieve Contractor of any of Contractor's obligations under this Construction Agreement.

23.7 If at any time, taking into account any amounts which HTFC is entitled to withhold and retain under the Contract Documents, HTFC has made payments to Contractor which exceed the aggregate amount then due Contractor under the Contract Documents, Contractor shall repay the excess to HTFC upon demand (or HTFC may, in its discretion, offset the amount of such payment against amounts due Contractor under Contractor's pending or future Requisitions).

ARTICLE 24.

Conditions of Payment; Money Retained Against Claims

24.1 No Requisition shall be payable unless and until Contractor has prepared and submitted to HTFC, and HTFC has approved, the submissions required pursuant to Section 23.1.

24.2 HTFC may withhold and retain the following amounts from payments requested by Contractor: (a) any amount permitted under Section 24.3 from any payment requested in any Requisition; (b) any amounts then due and payable to HTFC under Section 15.1; (c) any Completion Expense due HTFC under Article 12; (d) any amounts due HTFC under Article 6; (e) one hundred twenty-five percent (125%) of the amount of any Lien asserted against HTFC, Homeowner, the Work, or the Project Site (or any portion thereof) by any Person claiming by, through or under Contractor which has not been bonded, paid, or otherwise discharged (except to the extent such Lien is asserted as a result of HTFC's failure to pay an undisputed amount properly due under to Contractor under this Contract); and/or (f) any other amount which HTFC may deduct or withhold pursuant to other specific provisions of the Contract Documents.

24.3 HTFC may disapprove and withhold any payment (or any portion thereof) requested in any Requisition if and to the extent that: (a) such Requisition and/or any documents to be delivered therewith are not correct and complete; (b) the Work covered by such Requisition (and/or any previous Requisition) does not comply with the Contract Documents; (c) any condition to payment set forth in the Payment Schedule has not been satisfied; (d) any Person has asserted a claim or secured a judgment against any Indemnitee, the Work or the Project involving any matter covered by Contractor's

indemnification under Article 6 and the applicable Required Insurance (if any) may or will not cover the matter (taking into account all previous such judgments, if any); (e) any statement or representation in any Requisition or other document submitted with respect to the Project or the Work (or for purposes of securing this Contract) was materially untrue or incorrect when made; (f) an Event of Default has occurred under Article 12; (g) Contractor has failed to pay any Subcontractor (or any Person claiming by, through, or under Contractor) any amount previously due to such Subcontractor or other Person for which Contractor has previously received payment; and/or (h) such withholding is authorized pursuant to Section 756-a of the New York General Obligations Law.

ARTICLE 25.

Intentionally Omitted

ARTICLE 26.

Completion; Requisition

26.1 "Completion" for each Project shall occur when all of the following conditions have been satisfied for the applicable Project:

(a) all Work (including any Punch List Work and all Close-Out Requirements) is complete and in compliance with the Contract Documents;

(b) all Government Entities having jurisdiction have inspected the Work and the Project and have unconditionally authorized all final or permanent permits, licenses, certificates, evidencing the final completion of the Work in accordance with Law and any other approvals specifically required under the Contract Documents;

(c) Contractor has submitted to HTFC a Requisition, which shall include the submissions required pursuant to Section 23.1 (except that such Requisition shall include a final Waiver of Lien from Contractor and every Subcontractor covering all payments by HTFC pursuant to previous Requisitions, if any), with respect to Completion; and

(d) Contractor has delivered to HTFC a written statement of any Surety (in form and substance satisfactory to HTFC) to the effect that HTFC's payment of the unpaid balance of the Work Order Price shall not modify or discharge any obligations of the Surety under the Bonds.

26.2 When Contractor believes that the Work is complete in compliance with the Contract Documents, Contractor shall submit to HTFC a written notice stating that in Contractor's estimation the Work has been completed in compliance with the Contract Documents ("Completion Notice"). Upon HTFC's receipt of the Completion Notice, HTFC shall perform an inspection for the purposes of determining whether the Work is so performed. Such inspection shall commence within ten days of receipt of Completion Notice by HTFC and shall be completed with due diligence and in any event within fifteen (15) days of commencement of such inspection. If HTFC identifies repairs, corrections and adjustments to the Work or incomplete aspects of the Work (collectively, "Punch List Work") that remain to be completed, Contractor shall undertake and complete same. When HTFC finds upon inspection that the Work (including any Punch List Work and the Close-out Requirements) is complete, HTFC shall issue to Contractor a certificate of Completion.

26.3 Upon Completion, Contractor may submit to HTFC a Requisition for the unpaid balance of the Work Order Price. Within thirty (30) days after submission of a satisfactory Requisition pursuant to this Section, HTFC shall pay Contractor the unpaid balance of the Work Order Price, less any amounts then withheld under Article 24 (the "Final Payment").

26.4 Contractor's acceptance of Final Payment shall be construed as Contractor's complete, unconditional and general release of HTFC and all Indemnitees by Contractor (and all Persons claiming by, through, and/or under Contractor) with respect to all payments of the Work Order Price or any other amounts due Contractor connected with, or arising out of, the Contract Documents or the Work, except for Contractor's claim for any amount then withheld under Article 24. This Section shall not be construed to revive any claim previously waived by Contractor under other provisions of the Contract Documents.

27.1 If acts or omissions of HTFC that constitute an Excusable Delay cause Contractor to experience Excusable Delays prior to Completion (such delays, "Sec. 27.1 Delays") exceeding thirty (30) days in the aggregate; and if, by reason of such Sec. 27.1 Delays, Contractor incurs additional out-of-pocket costs for labor, materials and/or third-party services which Contractor would not have incurred but for such Sec. 27.1 Delays; and if Contractor has given HTFC Delay Notices within the time specified in Section 18.1 describing the acts or omissions of HTFC which caused the respective Sec. 27.1 Delay(s); and if Contractor has taken action to avoid or mitigate such additional costs to the extent possible; then HTFC shall reimburse Contractor for the reasonable actual additional direct out-of-pocket costs of labor, materials and/or third-party services (without markup for any Included Items) incurred by Contractor from and after the end of such thirty (30) day period by reason of such Sec. 27.1 Delays exceeding thirty (30) days in the aggregate. Contractor agrees that Contractor has experienced no Sec. 27.1 Delays prior to the signing of this Construction Agreement.

27.2 Except for extensions of time under Article 18 and subject to Sections 17.2 and 27.1: (a) Contractor alone hereby specifically assumes the risk of all delays in the Work (or the performance thereof) of any kind of duration, whether Excusable Delays or otherwise, and whether or not within the contemplation of the parties and whether foreseeable or unforeseeable and all Loss-And-Expense attributable thereto; and (b) Contractor agrees to make no claim for damages for delay in the Work (or the performance thereof) of any kind whatsoever, whether foreseeable or unforeseeable and agrees that any such claim shall be compensated for solely by an extension of time to complete performance of the Work. Contractor shall have no right to rescind or terminate this Contract and Contractor shall have no cause of action under any theory of quasi-contract or quantum meruit, by reason of any delay of any kind or duration whatsoever.

ARTICLE 28.

Certain Obligations of Contractor Upon Termination or Completion

28.1 Upon a termination of Contractor's right to perform the Construction Agreement under Article 12 or Article 20, Contractor shall:

- (a) stop Work on the date and to the extent specified by HTFC;
- (b) take all action as necessary (or as HTFC may direct) to protect and preserve all materials, equipment, tools, facilities and other property and the safety of all Persons connected with the Work or the Project Site;
- (c) deliver to HTFC promptly complete copies of all Subcontracts, together with a statement of (i) the items ordered and not yet delivered pursuant to each agreement; (ii) the expected delivery dates of all such items; (iii) the total cost of each agreement and the terms of payment; (iv) the estimated costs of canceling each agreement; and (v) sums paid under contracts and all other sums due and outstanding; and, at HTFC's option, Contractor shall either terminate or assign to HTFC Contractor's rights under each Subcontract and make no additional agreements with Subcontractors with respect to the Work or the Contract Documents;
- (d) deliver to HTFC promptly a correct and complete list of all supplies, materials, machinery, equipment and other property previously delivered by Contractor or any Subcontractor but not yet incorporated into the Work;
- (e) give written notice promptly to every Surety which has issued a Bond (with a copy of each such notice to HTFC);
- (f) as directed by HTFC, transfer free and clear title to HTFC or Homeowner (as directed by HTFC) by appropriate instruments of title, and deliver to the Project Site (or such other place as HTFC may specify), all property paid for by HTFC (or, if required under Section 12.2, any other property);
- (g) notify HTFC promptly in writing of any Legal Proceedings against Contractor by any Subcontractor relating to the termination of the Work or otherwise;

(h) deliver to HTFC promptly all plans, drawings, manuals, books, records, and other documents which the Contract Documents would otherwise have required Contractor to deliver to HTFC prior to (or upon) Completion;

(i) give written notice promptly (if required) under each policy of Required Insurance (with a copy of each such notice to HTFC), but continue to maintain any policy of completed operations coverage for the period required under Schedule B; and

(j) take such other actions, and execute such other documents, as HTFC may reasonably request to effectuate and confirm the foregoing matters, or as may be necessary or desirable to minimize HTFC's costs, and take no action which will increase any amount payable by HTFC under the Contract Documents.

28.2 Upon Completion, or upon a termination of Contractor's right to perform the Work under Article 12 or Article 20, Contractor shall: (a) unless HTFC directly or otherwise takes possession of and uses the same under Section 12.2, promptly remove from the Project Site all equipment, implements, machinery, tools, temporary facilities of any kind and other property owned, leased, or rented by Contractor, and repair any damage caused by such removal; (b) provide for the termination and removal of any temporary utilities or other services used in connection with the Work; (c) clean the Project Site, the Work and all areas of the Project Site previously occupied by Contractor, and leave the same in a neat and orderly condition; (d) complete and comply with all other Close-Out Requirements; and (e) promptly cause all Employees of Contractor and any Subcontractors to vacate the Project Site.

28.3 If Contractor fails to comply with any obligation under this Article, HTFC may perform the action contemplated after five (5) Work Days' prior written notice to Contractor; and, at HTFC's election, HTFC may deduct the entire cost (or any portion thereof) from the unpaid balance of the Work Order Price; or Contractor shall pay the entire cost (or any portion thereof) upon demand, notwithstanding that any other Person may have defaulted in taking similar action or occupied the same areas or otherwise had any responsibility for the condition involved. Contractor shall have no right to further payments under any Requisition until Contractor has complied with all obligations under this Article.

ARTICLE 29.

Miscellaneous

29.1 The Contract Documents embody the entire agreement and understanding of the parties and supersede all prior proposals, agreements and understandings relating to the subject matter hereof.

29.2 Except as set forth in Article 5, Contractor shall not assign or delegate this Contract, the Contract Documents, or any of Contractor's rights, payments, liabilities, or duties under this Contract or the Contract Documents, or any part thereof (or subcontract or delegate the Work, or any part thereof) without the prior written consent of HTFC in each case, which HTFC may withhold for any reason whatsoever. Any such assignment, subcontract, or delegation without HTFC's prior written consent (including any assignment or transfer by operation of law or any transfer of control of Contractor) shall be void against HTFC.

29.3 All the terms of the Contract Documents, whether so expressed or not, shall be binding upon the respective permitted successors and assigns of the parties hereto and shall inure to the benefit of and be enforceable by the parties hereto and by their respective permitted successors and assigns. The headings of the Contract Documents are for purposes of reference only and shall not limit or otherwise affect the meaning thereof. This Contract may be executed (a) in counterparts, a complete set of which shall constitute an original and (b) in duplicates, each of which shall constitute an original. Copies of this Contract showing the signatures of the respective parties, whether produced by photographic, digital, computer, or other reproduction, may be used for all purposes as originals.

29.4 If any court determines that any provision of the Contract Documents is illegal or unenforceable, the Contract Documents shall remain in effect in accordance with their terms, excluding the provision declared illegal or unenforceable.

29.5 Nothing in this Contract is intended, nor shall anything herein be construed, to deem HTFC and Contractor to be joint venturers or partners with respect to any activity whatsoever.

29.6 Contractor agrees that no members, directors, trustees, managers, officers, or other Employees of HTFC shall have any personal liability for any amounts or obligations owing to Contractor or any Subcontractors under or with respect to the Contract Documents. The liability of HTFC for HTFC's obligations under this Construction Agreement will be limited to HTFC's title and interest in and to the Project.

29.7 Unless and until HTFC gives Contractor notice to the contrary, throughout all Projects, Contractor shall work with and take direction and instruction from the Project Manager (except that all written approvals and Change Orders must be signed by HTFC's authorized representative). Contractor shall submit to the Project Manager copies of all submissions and deliveries of documents and other materials which Contractor is required to submit to HTFC under the Contract Documents. For the avoidance of doubt, references to "HTFC" in the Contract Documents shall also be deemed to be references to the Project Manager unless specifically stated otherwise.

ARTICLE 30.

Organizational Representations

30.1 Contractor represents and warrants to HTFC as follows:

- (a) Contractor is the type of legal entity specified in the Construction Agreement, duly organized, validly existing and in good standing under the laws of the state specified in the Construction Agreement;
- (b) the execution and delivery of this Contract, and the performance by Contractor of all its obligations thereunder, have been duly and effectively authorized by all necessary action on the part of Contractor, and this Contract has been duly executed and delivered by authorized representatives of Contractor;
- (c) neither Contractor nor any of its Employees has offered or given any gratuity to an Employee of HTFC or of the State of New York to secure this Contract or to secure favorable treatment with respect thereto; and
- (d) there are no judgments, actions, suits, or proceedings existing or pending (or, to the knowledge of Contractor's officers, threatened) against Contractor which can reasonably be expected to have a material adverse effect upon its performance of the Contract.

ARTICLE 31.

Notices

31.1 All notices, requests, demands, elections, consents and other communications of any kind whatsoever ("notices") which may or must be given under the Contract Documents shall be addressed to Contractor, HTFC and the Project Manager at the addresses set forth in the applicable Work Order. Any notice required by the Contract Documents to be given or made in writing within a specified period of time or on or before a date certain must be transmitted either by hand delivery (which may include commercial delivery service) subject to written receipt, or by U.S. Express, registered or certified mail, return receipt requested and postage and registry fees prepaid. All notices shall be deemed given when received (or date of attempted delivery if refused). Either party (or the Project Manager) may change its address for notices by written notice to the other party which complies with the foregoing requirements.

ARTICLE 32.

Funding Source; Other Assignments

32.1 Contractor hereby consents to the assignment of the Contract Documents, and/or any part of HTFC's interest therein, to any Government Entity, pension trust or other financial institution which makes, or participates in, a grant, loan, or contribution to finance the Project, whether or not such loan is secured by an Encumbrance, whether directly or collaterally (each a "Funding Source").

32.2 Each assignment pursuant to Section 32.1 shall be subject to the condition that either:

- (a) HTFC shall agree in writing with Contractor to remain responsible for the full performance of all obligations of HTFC under the Contract arising prior to the date of such assignment and the assignee shall agree in writing with Contractor to assume all obligations of HTFC under the Contract arising from and after the date of such assignment; or

(b) the assignee shall assume all responsibility and liability for the performance of all obligations of HTFC under the Contract, including any obligations arising prior to the date of such assignment.

32.3 Upon HTFC's written request, and subject to Contractor's approval (not to be unreasonably withheld or delayed), Contractor shall execute any documents or instruments which any Funding Source or other assignee may reasonably request to confirm and effect Contractor's agreements in this Article, provided such documents are consistent with Section 32.2 above.

ARTICLE 33.

Homeowner; Third Party Beneficiary

33.1 It is a precondition to the award of any Work Order that the applicable Homeowner shall have executed and delivered to HTFC a Supplement to Grant Agreement with respect to the applicable Work.

33.2 Contractor agrees that Homeowner is a third-party beneficiary of, and shall have the right to directly enforce, Contractor's obligations under the Contract Documents, although nothing contained in the Contract Documents shall create (or be deemed to create) any relationship of contract or agency between Homeowner and Contractor (or any Subcontractor). No dealings of any kind whatsoever between Homeowner and Contractor shall be deemed a waiver of the foregoing (unless Homeowner and HTFC specifically agree otherwise in writing). Upon HTFC's request, Contractor shall furnish to Homeowner any submissions, services, or other Work which the Contract Documents require Contractor to furnish to HTFC (in addition to any matters which the Contract Documents direct specifically to Homeowner).

33.3 Contractor agrees to allow Homeowner: (a) the right to participate in meetings concerning the Work; and (b) every reasonable, safe and proper facility for inspecting the Work at the Project Site and for inspecting the manufacture or preparation of materials and equipment at the place of such manufacture or preparation. Contractor shall coordinate all logistics, staging and storage area(s) with the Project Manager and Homeowner.

33.4 Each Indemnitee is a third-party beneficiary of, and shall have the right to directly enforce, Contractor's obligations under the indemnity and insurance provisions of the Contract Documents.

Each and every provision of law and clause required by law to be inserted in this contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the contract shall forthwith be physically amended to make such insertion or correction.

2. **STATUTORY AND REGULATORY COMPLIANCE**

Contractor shall comply with all laws and regulations applicable to the Community Development Block Grant-Disaster Recovery funds appropriated by the Disaster Relief Appropriations Act, 2013 (Pub. 3. **BREACH OF CONTRACT TERMS**

The State reserves its right to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this contract, in instances where the Contractor or any of its subcontractors violate or breach any contract term. If the Contractor or any of its subcontractors violate or breach any contract term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4. **REPORTING REQUIREMENTS**

The Contractor shall complete and submit all reports, in such form and according to such schedule, as may be required by the State. The Contractor shall cooperate with all State efforts to comply with HUD requirements and regulations pertaining to reporting, including but not limited to 24 C.F.R. §§ 85.40-41 (or 84.50-52, if applicable) and 570.507.

5. **ACCESS TO RECORDS**

The State, the U.S. Department of Housing and Urban Development, the Comptroller General of the United States, or any of their duly authorized representatives, shall have, at any time and from time to time during normal business hours, access to any work product, books, documents, papers, and records of the Contractor which are related to this contract, for the purpose of inspection, audits, examinations, and making excerpts, copies and transcriptions.

6. MAINTENANCE/RETENTION OF RECORDS

All records connected with this contract will be maintained in a central location and will be maintained for a period of at least four (4) years following the date of final payment and close-out of all pending matters related to this contract.

7. SMALL AND MINORITY FIRMS, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

The Contractor will take necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used in subcontracting when possible. Steps include:

- (i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- (iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises; and
- (v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

8. RIGHTS IN DATA

(a) *Definitions.* As used in this clause—

Computer database or database means a collection of recorded information in a form capable of, and for the purpose of, being stored in, processed, and operated on by a computer. The term does not include computer software.

Computer software: (1) Means (i) Computer programs that comprise a series of instructions, rules, routines, or statements, regardless of the media in which recorded, that allow or cause a computer to perform a specific operation or series of operations; and (ii) Recorded information comprising source code listings, design details, algorithms, processes, flow charts, formulas, and related material that would enable the computer program to be produced, created, or compiled; and (2) Does not include computer databases or computer software documentation.

Computer software documentation means owner's manuals, user's manuals, installation instructions, operating instructions, and other similar items, regardless of storage medium, that explain the capabilities of the computer software or provide instructions for using the software.

Data means recorded information, regardless of form or the media on which it may be recorded. The term includes technical data and computer software. The term does not include information incidental to contract administration, such as financial, administrative, cost or pricing, or management information.

Form, fit, and function data means data relating to items, components, or processes that are sufficient to enable physical and functional interchangeability, and data identifying source, size, configuration, mating and attachment characteristics, functional characteristics, and performance requirements. For computer software it means data identifying source, functional characteristics, and performance requirements but specifically excludes the source code, algorithms, processes, formulas, and flow charts of the software.

Limited rights means the rights of HTFC in limited rights data as set forth in the Limited Rights Notice of paragraph (g)(3) if included in this clause.

Limited rights data means data, other than computer software, that embody trade secrets or are commercial or financial and confidential or privileged, to the extent that such data pertain to items, components, or processes developed at private expense, including minor modifications.

Restricted computer software means computer software developed at private expense and that is a trade secret, is commercial or financial and confidential or privileged, or is copyrighted computer software, including minor modifications of the computer software.

Restricted rights, as used in this clause, means the rights of the HTFC in restricted computer software, as set forth in a Restricted Rights Notice of paragraph (g) if included in this clause, or as otherwise may be provided in a collateral agreement incorporated in and made part of this contract, including minor modifications of such computer software.

Technical data, means recorded information (regardless of the form or method of the recording) of a scientific or technical nature (including computer databases and computer software documentation). This term does not include computer software or financial, administrative, cost or pricing, or management data or other information incidental to contract administration. The term includes recorded information of a scientific or technical nature that is included in computer databases (See 41 U.S.C. 403(8)).

Unlimited rights means the rights of HTFC to use, disclose, reproduce, prepare derivative works, distribute copies to the public, and perform publicly and display publicly, in any manner and for any purpose, and to have or permit others to do so.

(b) *Allocation of rights.*

(1) Except as provided in paragraph (c) of this clause, HTFC shall have unlimited rights in:
(i) Data first produced in the performance of this contract; (ii) Form, fit, and function data delivered under this contract; (iii) Data delivered under this contract (except for restricted

computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this contract; and (iv) All other data delivered under this contract unless provided otherwise for limited rights data or restricted computer software in accordance with paragraph (g) of this clause.

(2) The Contractor shall have the right to: (i) Assert copyright in data first produced in the performance of this contract to the extent provided in paragraph (c)(1) of this clause; (ii) Use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the Contractor in the performance of this contract, unless provided otherwise in paragraph (d) of this clause; (iii) Substantiate the use of, add, or correct limited rights, restricted rights, or copyright notices and to take other appropriate action, in accordance with paragraphs (e) and (f) of this clause; and (iv) Protect from unauthorized disclosure and use those data that are limited rights data or restricted computer software to the extent provided in paragraph (g) of this clause.

(c) Copyright.

(1) *Data first produced in the performance of this contract.* (i) Unless provided otherwise in paragraph (d) of this clause, the Contractor may, without prior approval of HTFC, assert copyright in scientific and technical articles based on or containing data first produced in the performance of this contract and published in academic, technical or professional journals, symposia proceedings, or similar works. The prior, express written permission of HTFC is required to assert copyright in all other data first produced in the performance of this contract; (ii) When authorized to assert copyright to the data, the Contractor shall affix the applicable copyright notices of 17 U.S.C. 401 or 402, and an acknowledgment of HTFC sponsorship (including contract number); (iii) For data other than computer software, the Contractor grants to HTFC, and others acting on its behalf, a paid-up, nonexclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform publicly and display publicly by or on behalf of HTFC. For computer software, the Contractor grants to HTFC, and others acting on its behalf, a paid-up, nonexclusive, irrevocable, worldwide license in such copyrighted computer software to reproduce, prepare derivative works, and perform publicly and display publicly (but not to distribute copies to the public) by or on behalf of HTFC.

(2) *Data not first produced in the performance of this contract.* The Contractor shall not, without the prior written permission of HTFC, incorporate in data delivered under this contract any data not first produced in the performance of this contract unless the Contractor: (i) Identifies the data; and (ii) Grants to HTFC, or acquires on its behalf, a license of the same scope as set forth in paragraph (c)(1) of this clause or, if such data are restricted computer software, HTFC shall acquire a copyright license as set forth in paragraph (g)(4) of this clause (if included in this contract) or as otherwise provided in a collateral agreement incorporated in or made part of this contract.

(3) *Removal of copyright notices.* HTFC will not remove any authorized copyright notices placed on data pursuant to this paragraph (c), and will include such notices on all reproductions of the data.

(d) *Release, publication, and use of data.* The Contractor shall have the right to use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the

Contractor in the performance of this contract, except: (1) As prohibited by Federal law or regulation (e.g., export control or national security laws or regulations); (2) As expressly set forth in this contract; or (3) If the Contractor receives or is given access to data necessary for the performance of this contract that contain restrictive markings, the Contractor shall treat the data in accordance with such markings unless specifically authorized otherwise in writing by HTFC.

(e) Unauthorized marking of data.

(1) Notwithstanding any other provisions of this contract concerning inspection or acceptance, if any data delivered under this contract are marked with the notices specified in paragraph (g)(3) or (g) (4) if included in this clause, and use of the notices is not authorized by this clause, or if the data bears any other restrictive or limiting markings not authorized by this contract, HTFC may at any time either return the data to the Contractor, or cancel or ignore the markings. However, pursuant to 41 U.S.C. 253d, the following procedures shall apply prior to canceling or ignoring the markings: (i) HTFC will make written inquiry to the Contractor affording the Contractor 60 days from receipt of the inquiry to provide written justification to substantiate the propriety of the markings; (ii) If the Contractor fails to respond or fails to provide written justification to substantiate the propriety of the markings within the 60-day period (or a longer time approved in writing by HTFC for good cause shown), HTFC shall have the right to cancel or ignore the markings at any time after said period and the data will no longer be made subject to any disclosure prohibitions; (iii) If the Contractor provides written justification to substantiate the propriety of the markings within the period set in paragraph (e)(1)(i) of this clause, HTFC will consider such written justification and determine whether or not the markings are to be cancelled or ignored. If HTFC determines that the markings are authorized, the Contractor will be so notified in writing. If HTFC determines, with concurrence of the head of the contracting activity, that the markings are not authorized, HTFC will furnish the Contractor a written determination, which determination will become the final agency decision regarding the appropriateness of the markings unless the Contractor files suit in a court of competent jurisdiction within 90 days of receipt of HTFC's decision. HTFC will continue to abide by the markings under this paragraph (e)(1)(iii) until final resolution of the matter either by HTFC's determination becoming final (in which instance HTFC will thereafter have the right to cancel or ignore the markings at any time and the data will no longer be made subject to any disclosure prohibitions), or by final disposition of the matter by court decision if suit is filed.

(2) The time limits in the procedures set forth in paragraph (e)(1) of this clause may be modified in accordance with agency regulations implementing the Freedom of Information Act (5 U.S.C. 552) if necessary to respond to a request thereunder.

(3) Except to the extent HTFC's action occurs as the result of final disposition of the matter by a court of competent jurisdiction, the Contractor is not precluded by paragraph (e) of the clause from bringing a claim, in accordance with the Disputes clause of this contract, that may arise as the result of HTFC removing or ignoring authorized markings on data delivered under this contract.

(f) Omitted or incorrect markings.

(1) Data delivered to HTFC without any restrictive markings shall be deemed to have been furnished with unlimited rights. HTFC is not liable for the disclosure, use, or reproduction of such data.

(2) If the unmarked data has not been disclosed without restriction outside HTFC, the Contractor may request, within 6 months (or a longer time approved by HTFC in writing for good cause shown) after delivery of the data, permission to have authorized notices placed on the data at the Contractor's expense. HTFC may agree to do so if the Contractor: (i) Identifies the data to which the omitted notice is to be applied; (ii) Demonstrates that the omission of the notice was inadvertent; (iii) Establishes that the proposed notice is authorized; and (iv) Acknowledges that HTFC has no liability for the disclosure, use, or reproduction of any data made prior to the addition of the notice or resulting from the omission of the notice.

(3) If data has been marked with an incorrect notice, HTFC may: (i) Permit correction of the notice at the Contractor's expense if the Contractor identifies the data and demonstrates that the correct notice is authorized; or (ii) Correct any incorrect notices.

(g) Protection of limited rights data and restricted computer software.

(1) The Contractor may withhold from delivery qualifying limited rights data or restricted computer software that are not data identified in paragraphs (b)(1)(i), (ii), and (iii) of this clause. As a condition to this withholding, the Contractor shall: (i) Identify the data being withheld; and (ii) Furnish form, fit, and function data instead.

(2) Limited rights data that are formatted as a computer database for delivery to HTFC shall be treated as limited rights data and not restricted computer software.

(h) Subcontracting. The Contractor shall obtain from its subcontractors all data and rights therein necessary to fulfill the Contractor's obligations to HTFC under this contract. If a subcontractor refuses to accept terms affording HTFC those rights, the Contractor shall promptly notify HTFC of the refusal and shall not proceed with the subcontract award without authorization in writing from HTFC.

(i) Relationship to patents or other rights. Nothing contained in this clause shall imply a license to HTFC under any patent or be construed as affecting the scope of any license or other right otherwise granted to HTFC.

9. ENERGY EFFICIENCY

The Contractor shall comply with mandatory standards and policies relating to energy efficiency which are contained in the New York State energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

10. TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

The Contractor shall comply with the provisions of Title VI of the Civil Rights Act of 1964. No person shall, on the grounds of race, color, or national origin, be excluded from participation in, be

denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

11. SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974

The Contractor shall comply with the provisions of Section 109 of the Housing and Community Development Act of 1974. No person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title. Section 109 further provides that discrimination on the basis of age under the Age Discrimination Act of 1975 or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, as amended, is prohibited.

12. SECTION 504 OF THE REHABILITATION ACT OF 1973

The Contractor shall comply with section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), as amended, and any applicable regulations.

The Contractor agrees that no qualified individual with handicaps shall, solely on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance from HUD.

13. AGE DISCRIMINATION ACT OF 1975

The Contractor shall comply with the Age Discrimination Act of 1975 (42 U.S.C. § 6101 *et seq.*), as amended, and any applicable regulations. No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.

14. DEBARMENT, SUSPENSION, AND INELIGIBILITY

The Contractor represents and warrants that it and its subcontractors are not debarred or suspended or otherwise excluded from or ineligible for participation in Federal assistance programs subject to 2 C.F.R. part 2424.

15. CONFLICTS OF INTEREST

The Contractor shall notify the State as soon as possible if this contract or any aspect related to the anticipated work under this contract raises an actual or potential conflict of interest (as defined at 2 C.F.R. Part 215 and 24 C.F.R. § 85.36 (or 84.42, if applicable)). The Contractor shall explain the actual or potential conflict in writing in sufficient detail so that the State is able to assess such actual or potential conflict. The Contractor shall provide the State any additional information necessary for the State to fully assess and address such actual or potential conflict of interest. The Contractor shall accept any reasonable conflict mitigation strategy employed by the State, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

16. SUBCONTRACTING

When subcontracting, the Contractor shall solicit for and contract with such subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include but are not limited to:

- (i) Placing unreasonable requirements on firms in order for them to qualify to do business,
- (ii) Requiring unnecessary experience and excessive bonding,
- (iii) Noncompetitive pricing practices between firms or between affiliated companies,
- (iv) Noncompetitive awards to consultants that are on retainer contracts,
- (v) Organizational conflicts of interest,

- (vii) Any arbitrary action in the procurement process.

The Contractor represents to the State that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, taking into account the nature of the work to be performed under this contract.

The Contractor will include these HUD General Provisions in every subcontract issued by it so that such provisions will be binding upon each of its subcontractors as well as the requirement to flowdown such terms to all lower-tiered subcontractors.

17. ASSIGNABILITY

The Contractor shall not assign any interest in this contract, and shall not transfer any interest in the same (whether by assignment or novation) without prior written approval of the State.

18. INDEMNIFICATION

The Contractor shall indemnify, defend, and hold harmless the State and its agents and employees from and against any and all claims, actions, suits, charges, and judgments arising from or related to the negligence or willful misconduct of the Contractor in the performance of the services called for in this contract.

The Contractor shall comply with all applicable "Anti-Kickback" regulations and shall insert appropriate provisions in all subcontracts covering work under this contract to ensure compliance by subcontractors with such regulations, and shall be responsible for the submission of affidavits required of subcontractors thereunder except as the Secretary of Labor may specifically provide for variations of or exemptions from the requirements thereof.

All laborers and mechanics employed by contractors or subcontractors, including employees of other governments, on construction work assisted under this contract, and subject to the provisions of the federal acts and regulations listed in this paragraph, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act.

22. TERMINATION FOR CAUSE (Applicable to contracts exceeding \$10,000)

If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Contractor under this contract shall, at the option of the State, become the State's property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by the State by virtue of any breach of the contract by the Contractor, and the State may withhold any payments to the Contractor for

the purpose of set-off until such time as the exact amount of damages due the State from the Contractor is determined.

23. TERMINATION FOR CONVENIENCE (Applicable to contracts exceeding \$10,000)

The State may terminate this contract at any time by giving at least ten (10) days' notice in writing to the Contractor. If the contract is terminated by the State as provided herein, the Contractor will be paid for the time provided and expenses incurred up to the termination date.

24. SECTION 503 OF THE REHABILITATION ACT OF 1973
(Applicable to contracts exceeding \$10,000)

The Contractor shall comply with section 503 of the Rehabilitation Act of 1973 (29 U.S.C. § 793), as amended, and any applicable regulations.

Equal Opportunity for Workers With Disabilities

1. The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals with disabilities without discrimination based on their physical or mental disability in all employment practices, including the following:

- i. Recruitment, advertising, and job application procedures;
- ii. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;

2. The Contractor agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.
3. In the event of the Contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.
4. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Deputy Assistant Secretary for Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The Contractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Contractor may have the notice read to a visually disabled individual, or may lower the posted notice so that it might be read by a person in a wheelchair).
5. The Contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.
6. The Contractor will include the provisions of this clause in every subcontract or purchase order in excess of \$10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Deputy Assistant Secretary for Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

25. EXECUTIVE ORDER 11246

(Applicable to construction contracts and subcontracts exceeding \$10,000)

The Contractor shall comply with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60).

During the performance of this contract, the Contractor agrees as follows:

- A. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

- B. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by Contracting Officer setting forth the provisions of this non-discrimination clause. The Contractor shall state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
- C. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- D. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers representative of the contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- E. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.
- F. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to books, records and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- G. In the event of the Contractor's non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- H. Contractor shall incorporate the provisions of A through G above in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such subcontractor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

26. CERTIFICATION OF NONSEGREGATED FACILITIES
(Applicable to construction contracts exceeding \$10,000)

The Contractor certifies that it does not maintain or provide for its establishments, and that it does not permit employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this certification is a violation of the equal opportunity clause of this contract.

As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin because of habit, local custom, or any other reason.

The Contractor further agrees that (except where it has obtained for specific time periods) it will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the equal opportunity clause; that it will retain such certifications in its files; and that it will forward the preceding notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).

27. CERTIFICATION OF COMPLIANCE WITH CLEAN AIR AND WATER ACTS
(Applicable to contracts exceeding \$100,000)

The Contractor and all subcontractors shall comply with the requirements of the Clean Air Act, as amended, 42 U.S.C. § 1857 *et seq.*, the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.*, and the regulations of the Environmental Protection Agency with respect thereto, at 40 C.F.R. Part 15 and 32, as amended, Section 508 of the Clean Water Act (33 U.S.C. § 1368) and Executive Order 11738.

In addition to the foregoing requirements, all nonexempt contractors and subcontractors shall furnish to the owner, the following:

- A. A stipulation by the Contractor or subcontractors, that any facility to be utilized in the performance of any nonexempt contract or subcontract, is not listed on the Excluded Party Listing System pursuant to 40 C.F.R. 32 or on the List of Violating Facilities issued by the Environmental Protection Agency (EPA) pursuant to 40 C.F.R. Part 15, as amended.
- B. 1. ACCOUNTING RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance of work done for the Agency or Agencies under this Contract (hereinafter, collectively, "the Records") consistent with generally accepted bookkeeping practices. The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The Agency or Agencies involved in this Contract and any person or entity authorized to conduct an examination shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The Agency or Agencies shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform the Agencies' Senior Vice President and Counsel, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the Agency's or Agencies' right to discovery in any pending or future litigation.

2. CONFLICTS OF INTEREST. The Contractor shall not accept any engagement in conflict with the Agency's or Agencies' interest in the subject matter of this Contract.

The Servicer shall not offer to any employee, member or director of the Agency or Agencies' any gift, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could reasonably be inferred that the gift was intended to influence said employee, member or director, or could reasonably be expected to influence said employee, member or director, in the performance of the official duty of said employee, member or director or was intended as a reward for any official action on the part of said employee, member or director.

3. SUBCONSULTANTS. The Contractor shall not employ, contract with, or use the services of any consultant for the work of this Contract (except such third parties which may be used by the Contractor in the normal course of business, such as couriers, imaging services, etc.) without obtaining the prior written approval of the Agency or Agencies.

4. NON-ASSIGNABILITY. This Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or disposed of without the previous consent in writing of the Agency or Agencies and any attempts to assign the Contract without the Agency or Agencies' written consent are null and void. However, this Contract shall be binding upon and inure to the benefit of the Agency or Agencies and its successors and assigns.

5. INDEMNITY. The Contractor shall indemnify and hold the Agency or Agencies and their employees, officers, Members and Directors (collectively, the "Indemnittees") harmless from and against all claims, demands, liability, loss, cost, damage or expense, including attorney's fees, which may be incurred by the Indemnittees because of negligence or malfeasance on the part of the Contractor arising out of this Contract.

6. NON-DISCRIMINATION. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. If this a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason or race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Contract. Contractor is subject to fines of \$50 per person per day for any violation of Section 239 as well as possible termination of this Contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

If directed to do so by the State Commissioner of Human Rights ("Commissioner"), the Contractor will send to each labor union to which the Contractor is bound a notice provided by the Commissioner advising of this provision. APPENDIX III

DIVERSITY FORMS

SECTION 1 : HUD

This report is to be completed by grantees, developers, sponsors, builders, agencies, and/or project owners for reporting contract and subcontract activities of \$10,000 or more under the following programs: Community Development Block Grants (entitlement and small cities); Urban Development Action Grants, Housing Development Grants, Multifamily Insured and Noninsured; Public and Indian Housing Authorities; and contracts entered into by recipients of CDBG rehabilitation assistance.

Contracts/subcontracts of less than \$10,000 need be reported only if such contracts represent a significant portion of your total contracting activity. Include only contracts executed during this reporting period.

This form has been modified to capture Section 3 contract data in columns 7g and 7i. Section 3 requires that the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. Recipients using this form to report Section 3 contract data must also use Part I of form HUD-60002 to report employment and training opportunities data. Form HUD-2516 is to be

completed for public and Indian housing and most community development programs. Form HUD-60002 is to be completed by all other HUD programs including State administered community development programs covered under Section 3.

A Section 3 contractor/subcontractor is a business concern that provides economic opportunities to low- and very low-income residents of the metropolitan area (or nonmetropolitan county), including a business concern that is 51 percent or more owned by low- or very low-income residents, employs a substantial number of low- or very low-income residents, or provides subcontracting or business development opportunities to businesses owned by low- or very low-income residents. Low- and very low-income residents include participants in Youthbuild programs established under Subtitle D of Title IV of the Cranston-Gonzalez National Affordable Housing Act.

The terms "low-income persons" and "very low-income persons" have the same meanings given the terms in section 3(b)(2) of the United States Housing Act of 1937. Low-income persons mean families (including single persons) whose incomes do not exceed 80 percent of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary

may establish income ceilings higher or lower than 80 percent of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families. Very low-income persons means low-income families (including single persons) whose incomes do not exceed 50 percent of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 percent of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

Submit two (2) copies of this report to your local HUD Office within ten (10) days after the end of the reporting period you checked in item 4 on the front.

Complete item 7h only once for each contractor/subcontractor on each semi-annual report.

Enter the prime contractor's ID in item 7i for all contracts and subcontracts. Include only contracts executed during this reporting period. PHAs/RIAs are to report all contracts/subcontracts.

WHAT IS THE LOCK-IN DATE? For contracts entered into pursuant to competitive bidding procedures, the bid opening date "locks-in" the wage decision provided that the contract is awarded within 90 days. If the contract is awarded more than 90 days after bid opening, the contract award date "locks-in" the wage decision. For contracts, purchase orders or other agreements for which there is no bid opening or award date, use the construction start date as the lock-in date. However, for projects receiving assistance under Section 8 of the U.S. Housing Act of 1937 or contracts involving a project wage determination, the lock-in rules may vary from above. See Department of Labor Regulations, 29 CFR, Part 1, Section 1.6 and/or HUD Handbook 1344.1, or consult the HUD Labor Relations staff.

WHAT IT ISN'T: Do not use the wage decision publication date, unless that happens to correspond to one of the trigger events described above. If you are not sure about any of this, please feel free to contact the Labor Relations staff in your state or region.

All Federal agencies administering programs subject to Davis-Bacon wage provisions are required by Department of Labor (DOL) regulations (29 CFR Part 5, Section 5.7(b)) to submit a report of all new covered contracts/projects and all enforcement activities each six months. In order for HUD to comply with this requirement, it must collect contract and enforcement information from local agencies that administer HUD-assisted programs subject to Davis-Bacon requirements. HUD requests that local agencies complete and submit a Semi-annual Enforcement Report each six months.

Local agencies and HUD must retain a copy of the Semi-annual Enforcement Report in its files.

*Please follow these instructions while compiling the **Semi-Annual Labor Standards Enforcement Report for Local Contracting Agencies (HUD Programs) (form HUD-4710)**.*

Introduction

Department of Labor (DOL) Regulations 29 CFR §5.7(b) require Federal agencies administering programs subject to Davis-Bacon and Related Act (DBRA) and Contract Work Hours and Safety Standards Act (CWHSSA) labor standards to furnish a Semi-Annual Labor Standards Enforcement Report to the Administrator of the Wage and Hour Division. Some HUD programs are administered by state and local agencies for labor standards compliance. HUD must collect information from such agencies in order to capture enforcement activities for all HUD programs in its reports to DOL.

Reporting Periods: **Period 1 October 1 through March 31**
Period 2 April 1 through September 30

Report Format: Each agency report consists of two parts:

Part I concerns contracting activity for work awarded during the reporting period;
Part II concerns enforcement activity for all contracts, regardless of the award date.

The HUD Labor Relations staff for your area will send a courtesy reminder shortly before the due date about preparing the report and will remind you of the date your report is due. However, you should maintain accurate records throughout the year of relevant contract information so that you can submit the report timely.

Definitions and Guidance

- C. Where MWBE goals have been established herein, pursuant to 5 NYCRR §142.8, Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of this Contract. In accordance with section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of Contract and the Contractor shall be liable to the Corporation for liquidated or other appropriate damages, as set forth herein.

III. Equal Employment Opportunity (EEO)

- A. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the “Division”). V. Waivers

- A. For Waiver Requests Contractor should use Form PROC-3 – Waiver Request.
- B. If the documentation included with the waiver request is complete, the Corporation shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.
- C. If the Corporation, upon review of the Utilization Plan and updated Compliance Reports determines that Contractor is failing or refusing to comply with the Contract goals and no waiver has been issued in regards to such non-compliance, the Corporation may issue a notice of deficiency to the Contractor. STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of

any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this

contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00,

whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment

opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

21. RECIPROCITY AND SANCTIONS PROVISIONS.

Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT.

Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.

If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded

the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at:

<http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not

limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.
