*Re: RROF and Environmental Certification for NYS CDBG-DR: Platte Clove Road Culvert Replacement project, Town of Saugerties, Ulster County, New York*

Dear Ms. Parker:

Attached is a Request for Release of Funds (RROF) and Environmental Certification for the Platte Clove Road Culvert Replacement project, located in the Town of Saugerties, Ulster County, New York

The Governor's Office of Storm Recovery, operating under the auspices of the New York State Homes and Renewal's Housing Trust Fund Corporation, performed an environmental review for the project pursuant to 24 CFR Part 58 for the activities covered by the RROF.

Pursuant to 24 CFR Section 58.70, the combined Finding of No Significant Impact (FONSI) and Notice of Intent to Request Release of Funds (NOI/RROF) was published in the *Saugerties Times* on August 30, 2018 (see attached copy of the FONSI/NOIRROF and the affidavit of publication). No comments were received.

If you have any questions concerning this submission, please contact me at (518) 474-0755 or by electronic mail at [Lori.Shirley@nyshcr.org](mailto:Lori.Shirley@nyshcr.org).

Sincerely,

Lori A. Shirley  
Director, Bureau of Environmental Review and Assessment

**Part 2. Environmental Certification** (to be completed by responsible entity)

---

**With reference to the above Program Activity(ies)/Project(s), I, the undersigned officer of the responsible entity, certify that:**

1. The responsible entity has fully carried out its responsibilities for environmental review, decision-making and action pertaining to the project(s) named above.
2. The responsible entity has assumed responsibility for and complied with and will continue to comply with, the National Environmental Policy Act of 1969, as amended, and the environmental procedures, permit requirements and statutory obligations of the laws cited in 24 CFR 58.5; and also agrees to comply with the authorities in 24 CFR 58.6 and applicable State and local laws.
3. The responsible entity has assumed responsibility for and complied with and will continue to comply with Section 106 of the National Historic Preservation Act, and its implementing regulations 36 CFR 800, including consultation with the State Historic Preservation Officer, Indian tribes and Native Hawaiian organizations, and the public.
4. After considering the type and degree of environmental effects identified by the environmental review completed for the proposed project described in Part 1 of this request, I have found that the proposal did ☐ did not ☐ require the preparation and dissemination of an environmental impact statement.
5. The responsible entity has disseminated and/or published in the manner prescribed by 24 CFR 58.43 and 58.55 a notice to the public in accordance with 24 CFR 58.70 and as evidenced by the attached copy (copies) or evidence of posting and mailing procedure.
6. The dates for all statutory and regulatory time periods for review, comment or other action are in compliance with procedures and requirements of 24 CFR Part 58.
7. In accordance with 24 CFR 58.71(b), the responsible entity will advise the recipient (if different from the responsible entity) of any special environmental conditions that must be adhered to in carrying out the project.

As the duly designated certifying official of the responsible entity, I also certify that:

8. I am authorized to and do consent to assume the status of Federal official under the National Environmental Policy Act of 1969 and each provision of law designated in the 24 CFR 58.5 list of NEPA-related authorities insofar as the provisions of these laws apply to the HUD responsibilities for environmental review, decision-making and action that have been assumed by the responsible entity.
9. I am authorized to and do accept, on behalf of the recipient personally, the jurisdiction of the Federal courts for the enforcement of all these responsibilities, in my capacity as certifying officer of the responsible entity.

## **PUBLIC NOTICE**

### **COMBINED NOTICE OF FINDING OF NO SIGNIFICANT IMPACT (FONSI) AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS**

#### **PLATTE CLOVE ROAD CULVERT REPLACEMENT PROJECT SAUGERTIES, ULSTER COUNTY, NY**

**August 30, 2018**

**Name of Responsible Entity and Recipient:** New York State Homes and Community Renewal (HCR), 38-40 State Street, Hampton Plaza, Albany, NY 12207, in cooperation with the New York State Housing Trust Fund Corporation (HTFC), of the same address. Contact: Lori A. Shirley (518) 474-0755. The Governor's Office of Storm Recovery (GOSR), an office of HCR's HTFC, is responsible for the direct administration of the United States Department of Housing and Urban Development (HUD) Community Development Block Grant – Disaster Recovery (CDBG-DR) program in New York State.

Pursuant to 24 CFR Section 58.43, this combined Notice of Finding of No Significant Impact and Notice of Intent to Request Release of Funds (FONSI/NOIRROF) satisfies two separate procedural requirements for project activities proposed to be undertaken by HCR.

**Project Description:** GOSR proposes to fund \$644,684 to the Town of Saugerties to replace two-inadequately sized culverts at Platte Clove Road. Platte Clove Road is a two-lane Town road that provides access between West Saugerties and Tannersville. An unnamed tributary of Plattekill Creek crosses under Platte Clove Road approximately 0.5 miles northwest of the intersection of Platte Clove Road and Manorville Road. The tributary flows through two stacked twenty-four-inch diameter corrugated metal culverts approximately 22 feet long. The culverts are partially collapsed with the inlets buried, resulting in temporary ponding of water upstream of the Platte Clove Road embankment. The inlet of the lower 24-inch culvert is completely blocked by soils, sediment and debris, which has accumulated at the toe of the road embankment. The inlet of the upper 24-inch culvert is open, but deteriorated to the point of being ineffective to convey water properly, causing infiltration of stormwater through the supporting structure. The project will replace the two existing culverts with a single 60-inch heavy-duty steel pipe. The new culvert will be installed by trenchless directional drilling.

### **FINDING OF NO SIGNIFICANT IMPACT**

An Environmental Assessment (EA) for the Proposed Project has been prepared in accordance with the National Environmental Policy Act of 1969 (NEPA) and HUD environmental review regulations at 24 CFR Part 58. The EA is incorporated by reference into this FONSI. Subject to public comments, no further review of the Proposed Project is anticipated. HCR has determined that the EA for the project identified herein complies with the requirements of HUD environmental review regulations at 24 CFR Part 58. HCR has determined that the Proposed Project will have no significant impact on the human environment and therefore does not require the preparation of an environmental impact statement under NEPA.

**Public Review:** Public viewing of the EA is available online at <http://stormrecovery.ny.gov/environmental-docs> and is also available in person Monday – Friday, 9:00 AM – 5:00 PM at the following address: Governor’s Office of Storm Recovery, 99 Washington Avenue, Suite 1224, Albany, New York 12260. Contact: Lori A. Shirley (518) 474-0755. Further information may be requested by writing to the above address, emailing NYSCDBG\_DR\_ER@nyshcr.org or by calling (518) 474-0755. This combined notice is being sent to individuals and groups known to be interested in these activities, local news media, appropriate local, state and federal agencies, the regional office of the U.S. Environmental Protection Agency having jurisdiction, and to the HUD Field Office, and is being published in a newspaper of general circulation in the affected community.

**Public Comments on FONSI and/or NOIRROF:** Any individual, group or agency may submit written comments on the Proposed Project. The public is hereby advised to specify in their comments which “notice” their comments address. Comments should be submitted via email, in the proper format, on or before September 14, 2018 at NYSCDBG\_DR\_ER@nyshcr.org. Written comments may also be submitted at the following address, or by mail, in the proper format, to be received on or before September 14, 2018: Governor’s Office of Storm Recovery, 99 Washington Avenue, Suite 1224, Albany, New York 12260. All comments must be received on or before 5pm on September 14, 2018 or they will not be considered. If modifications result from public comment, these will be made prior to proceeding with the expenditure of funds.

### **REQUEST FOR RELEASE OF FUNDS AND CERTIFICATION**

On or about September 17, 2018, the HCR certifying officer will submit a request and certification to HUD for the release of CDBG-DR funds as authorized by related laws and policies for the purpose of implementing this part of the New York CDBG-DR program.

HCR certifies to HUD that Lori A. Shirley, in her capacity as Certifying Officer, consents to accept the jurisdiction of the U.S. federal courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD’s approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows GOSR to use CDBG-DR program funds.

**Objection to Release of Funds:** HUD will accept objections to its release of funds and GOSR’s certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later). Potential objectors may contact HUD or the GOSR Certifying Officer to verify the actual last day of the objection period.

The only permissible grounds for objections claiming a responsible entity’s non-compliance with 24 CFR Part 58 are: (a) Certification was not executed by HCR’s Certifying Officer; (b) the responsible entity has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the responsible entity has committed funds or incurred costs not authorized by 24 CFR Part 58 before release of funds and approval of environmental certification; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to Tennille Smith Parker, Director, Disaster Recovery and Special Issues Division, Office of Block Grant Assistance, U.S. Department of Housing & Urban Development, 451 7<sup>th</sup> Street SW, Washington, DC 20410, Phone: (202) 402-4649.
