I. SUBRECIPIENT PROGRAM

Subrecipient will be responsible for performing the activities detailed in Exhibit A, which may be amended from time to time, and is hereby incorporated by reference ("Subrecipient Program Description"). In order to propose a project or projects under the Subrecipient Program Description, the Subrecipient shall submit to Grantee the project application form provided by Grantee. A separate project application form will be required for each project the Subrecipient proposes to implement under this Agreement.

Project applications should address the Subrecipient's housing, infrastructure, and economic recovery and revitalization needs.

Grantee's consideration and approval of project applications is based on current Grantee guidelines (hereinafter "Grantee policy"), HUD guidelines and regulations, and other applicable state and federal laws and regulations.

Project Application Acceptance and Environmental Review

- Once a project application form is accepted as complete by Grantee, Grantee will notify the Subrecipient in writing. Acceptance of the application as complete does not commit Grantee to providing any CDBG-DR or other funding to a project.
- Thereafter, this Agreement may be amended to incorporate the proposed scope, budget, and schedule for all or part of the work contemplated by the proposed project, if stipulated by both parties (hereinafter referred to as an "Amendment").
- Any proposed budget set forth in an Amendment will clearly specify proposed funding for administrative costs, program delivery costs, design or planning costs, and/or construction costs. Any such amendment will clearly state that the Subrecipient shall not engage in, or in any way commit funding for, through a contract or other mechanism, construction or any other activities that could have an environmental impact or limit the choice of reasonable alternatives to the proposed project ("Restricted Activities") prior to undergoing Environmental Review and receiving a Clearance Letter (each as defined below). The schedule for a proposed project set forth in an Amendment shall provide, with reasonable specificity, a proposed schedule for the proposed project as well as a description and schedule for activities proposed to be conducted in each phase of the proposed project.
- Following execution of a proposed project's Amendment and prior to any Construction Activities, Grantee shall conduct an environmental review (the "Environmental Review") of the proposed project pursuant to 24 CFR Part 58 and the New York State Environmental Quality Review Act ("SEQRA").
- Upon written notice from Grantee, the Subrecipient may initiate project design which shall be closely coordinated with and informed by the Environmental Review process, including the assessment of any reasonable alternatives to the proposed project, and avoidance of any potential significant environmental impact. Subrecipient herein agrees that, for purposes of SEQRA, Grantee shall serve as the lead agency for purposes of conducting the Environmental Review.

Project Application Approval

- Upon completion of the Environmental Review, Grantee may (i), upon HUD's issuance of the authority to use grant funds for a proposed project, approve the proposed project application, (ii) approve an alternative or modified project identified through the Environmental Review Process and, notwithstanding anything to the contrary contained in the Agreement, unilaterally adjust the Grant Funds amount accordingly or (iii) reject the project application and,

notwithstanding anything to the contrary contained in the Agreement, unilaterally reduce the Grant Funds by an amount equal to the amount otherwise allocated to construction or other implementation phase of the proposed project.

Project Phase

- Following the completion of Environmental Review and approval of the proposed project's application, Grantee will notify the Subrecipient in writing ("Clearance Letter") that Subrecipient may commit funds for Restricted Activities and other activities necessary for project implementation.
- If construction/implementation is authorized by Grantee in the Clearance Letter, Subrecipient must comply with any and all conditions or required mitigation set forth in the Environmental Review documents, and shall retain an independent environmental monitor to document compliance with such measures, as well as any permit requirements, or other applicable requirements of federal and state environmental laws, including worker health and safety requirements. The independent environmental monitor must be approved in writing by Grantee prior to the commencement of any construction activities. The Subrecipient shall, by contract, ensure that the independent environmental monitor provides monthly reports to Grantee to document compliance with the requirements referenced above for the entirety of the construction phase.

The Subrecipient may not commence any work, including design work, without adhering to the proposed project schedule set forth in the corresponding Amendment as submitted to and approved by Grantee and the Subrecipient. Additionally, the Subrecipient and its design contractor shall provide any analysis or information reasonably requested by Grantee to conduct the Environmental Review for a proposed project. The Subrecipient is required to comply and cooperate with the Grantee in meeting all terms and conditions under this Agreement.

Subrecipient hereby agrees that it shall not engage in, or in any way commit funding for, through a contract or other mechanism, construction work, real estate acquisition, or any other activities that could have an environmental impact or limit the choice of reasonable alternatives to the proposed project until Subrecipient has received the Clearance Letter from Grantee.

As a reimbursement-based program,¹ tasks and deliverables contained in the Subrecipient Program Description must be conducted in a manner satisfactory to Grantee and in compliance with applicable federal and state requirements, laws, and regulations. Grantee will monitor the performance of Subrecipient against goals and performance standards as stated in the agreed upon Subrecipient Program Description. While Grantee may consider

¹ By "reimbursement" Grantee means that typically costs must be actually incurred before the Grantee will make payment to the Subrecipient. However, this does not mean that the Subrecipient must have previously paid these costs. Rather, these costs can be passed along to Grantee in the form of an invoice(s) (or similar document) and appropriate supporting information as required by the terms of this Agreement, for payment of such invoice(s), per the payment terms of this Agreement.

additional costs, as they arise, Subrecipient must be prepared to perform (and document to Grantee) the entire Subrecipient Program Description, even if the funds provided hereunder do not cover 100% of the costs of performance. In the event Grantee's funds do not cover 100% of the agreed upon budget (see Section III), Subrecipient must make a showing of committed supplemental funding. Substandard performance or any election by Subrecipient to discontinue work on a Subrecipient Program Description, as reasonably determined by Grantee in its sole discretion, will constitute noncompliance with this Agreement. If Subrecipient does not take action to correct such substandard performance or discontinuance of work within a reasonable period of time (as determined by Grantee) after being notified by Grantee, Grantee may choose (i) not to reimburse Subrecipient for noncompliant and/or unallowable work, (ii) take action to suspend or terminate this Agreement, (iii) recapture awarded funds or (iv) other actions as permitted under applicable law. Nothing in this Agreement shall waive or otherwise limit the actions Grantee may take or the remedies Grantee may seek as a result of any noncompliance by Subrecipient, including but not limited to suspending or debarring Subrecipient from future State benefits.

II. TERM

The period of performance for all activities (with the exception of those activities required for the close out and final audit) assisted pursuant to this Agreement shall commence as of the Effective Date and shall end on September 30, 2019. Any funds not properly used by the end of the term, unless approved otherwise in writing by Grantee, promptly shall be remitted, in full and without off-set or deduction, to Grantee.

III. BUDGET

As set forth in Section I of this Agreement, for each project application, Grantee will require and the Parties shall agree upon a detailed budget breakdown. Grantee may also require additional budget information, and Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by Grantee. Any change to budgeted amounts, must be approved in writing by Grantee before such changes are allowed and reimbursable.

IV. GRANT FUNDS

It is expressly agreed and understood that the total amount to be paid by Grantee under this Agreement shall not exceed the aggregate amounts set forth in each of the applicable project applications, currently set at \$0 ("Grant Funds"), which may be amended from time-to-time to incorporate project applications and budgets accepted by Grantee.

The amount of Grant Funds that Grantee has agreed to provide Subrecipient under this Agreement is expressly conditioned upon Grantee's receipt of such funds from HUD pursuant to the Act. Grantee reserves the right to reduce the Grant Funds if funding from

HUD is not provided at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in the Budget.

In the event Subrecipient is awarded, granted, or provided with additional funds from any other source, which includes funds that Subrecipient uses or intends to use to fund, in part or whole, programs, projects or activities contemplated by this Agreement or any subsequent amendment hereto, Subrecipient shall immediately notify Grantee of such funds, the amount, the source, and the conditions for their use. Subrecipient further agrees to provide any additional information Grantee requests related to such funds. Subrecipient may not use such other funds to conduct construction activities or any other action that would have an environmental impact or limit the choice of reasonable alternatives until issuance of the Clearance Letter.

V. DISBURSEMENT OF GRANT FUNDS

- a) Subrecipient is required to submit a request for Grant Funds in accordance with the provisions of this Agreement, program guidelines, and the program policy and procedures which are established by Grantee. No payment by Grantee of an improper, unauthorized, or unallowable request shall constitute a waiver of Grantee's right, whether before, during, or after making any payment, to: (i) challenge the validity of such payment; (ii) enforce all rights and remedies set forth in this Agreement or provided under applicable law; (iii) require and receive a full repayment or refund of all payments made under this Agreement or (iv) take corrective or remedial administrative action including, without limitation, suspension or termination of Subrecipient's funding under this Agreement.
- b) Subrecipient shall certify in a statement made by a senior official with each request for Grant Funds that to the best of his or her knowledge based on the information available to Subrecipient at the time and after making due inquiry: (i) all statements and representations previously made regarding this Agreement are correct and complete; and (ii) the funds do not duplicate reimbursement of costs and services from any other source.
- c) The use of Grant Funds is conditioned upon Subrecipient incurring allowable costs permitted under the terms of this Agreement or as otherwise pre-approved, in writing, by Grantee. Subrecipient shall not be reimbursed for any costs related to construction work, real estate acquisition, or any other activities that could have an environmental impact or limit the choice of reasonable alternatives to a proposed project until all environmental conditions of 24 CFR Part 58 have been fully satisfied and Grantee has issued the environmental clearance required thereunder, unless the activity is exempt under section 58.34 or falls under a categorical exclusion listed in section 58.35(b).
- d) In the event applicable State or Federal Government authorities disallow any of the costs incurred by Subrecipient, Subrecipient shall immediately remit any

funds received by Subrecipient for the unallowable costs to Grantee. Subrecipient may request, and Grantee shall reasonably consider Subrecipient's request, that Grantee challenge the State or Federal determination and pursue other legal recourse to secure these funds; however, Grantee maintains the sole discretion in deciding whether to pursue such funds, may request that Subrecipient pay any costs associated with such effort, and may require that Subrecipient return the questioned funds until a final outcome is reached.

VI. CITIZEN PARTICIPATION REQUIREMENTS

To ensure compliance with Section 508 of the HCD Act, units of general local government ("UGLGs") applying for or receiving CDBG-DR funds from the State must provide citizens with adequate opportunity to participate in the planning, implementation, and assessment of the CDBG program. Any such UGLG must provide adequate information to citizens, obtain views and proposals of citizens, and provide opportunity to comment on the UGLG's previous community development performance.

If Subrecipient is a UGLG, it shall have a written and adopted Citizen Participation Plan that complies with the requirements set forth in the State of New York Action Plan for Community Development Block Grant Program Disaster Recovery, dated April 2013, as amended ("Action Plan"). The Action Plan and amendments thereto can be found at: <http://stormrecovery.ny.gov/action-plans-and-amendments>.

Subrecipient shall at all times remain an "independent contractor" with respect to the efforts to be performed under this Agreement. Grantee shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as Subrecipient is an independent entity.

New York State and the New York State Housing Trust Fund Corporation shall be named as additional insureds on all such insurance. Subrecipient shall meet all other insurance requirements as Grantee may impose from time to time. In addition, all insurance carriers and bonding companies shall meet minimum size and financial stability/financial rating requirements as may be imposed by Grantee from time to time. Certificates of insurance shall be provided to Grantee and full and complete copies of the policies and/or bonds shall be provided to Grantee upon its request for same.

G. Amendments

This Agreement may be amended provided that such amendments make specific reference to this Agreement, comply with programmatic policies, procedures, and guidelines, are executed in writing and signed by a duly authorized representative of each Party, and approved by Grantee's governing body. Such amendments shall not invalidate this Agreement, nor relieve or release the Parties from their obligations under this Agreement. Grantee may, in its sole discretion, amend this Agreement to conform with Federal, state, or local governmental guidelines, policies, and available funding amounts, or for other reasons. If such amendments result in a change in the Grant Funds or the Subrecipient Program Description, such modifications will be incorporated in a written amendment signed by the Parties.

Subrecipient shall maintain all records required by the Federal regulations specified in (1) 2 CFR Part 200, as applicable; (2) 24 CFR 570.506; and (3) the applicable HUD Notices. Only when Grantee's procurement record retention standards are more stringent than Federal regulation shall Subrecipient maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein.

4. Travel

1. Subrecipient shall transfer to Grantee any CDBG-DR funds on hand and any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.
2. Real property under Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of this Agreement or such longer period of time as Grantee deems appropriate. If Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, Subrecipient shall pay Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute Program Income to Grantee. Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period or such longer period of time as Grantee deems appropriate.
3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be Program Income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by Subrecipient for activities under this Agreement shall be (a) transferred to Grantee; or (b) retained after compensating Grantee an amount equal to the current fair market value of the equipment less the percentage of non-CDBG-DR funds used to acquire the equipment.

2. Nondiscrimination

Subrecipient agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCD Act are still applicable.

3. Land Covenants

This Agreement is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and 24 CFR 570.601 and 570.602. In regard to the sale, lease, or other transfer of land acquired, cleared or improved with assistance

provided under this Agreement, Subrecipient shall cause or require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that Grantee and the United States are beneficiaries of, and entitled to enforce, such covenants. To the extent any such sale, lease or other transfer of land shall occur, Subrecipient, in undertaking its obligation to carry out the Program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

4. Section 504

Subrecipient agrees to comply with all Federal regulations issued pursuant to Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), which prohibits discrimination against individuals with disabilities or handicaps in any Federally assisted program. Grantee shall provide Subrecipient with certain guidelines for compliance with that portion of the regulations in force during the term of this Agreement.

B. Affirmative Action

1. Approved Plan

Subrecipient agrees that it shall be committed to carry out, pursuant to Grantee's specifications, an Affirmative Action Program in keeping with the principles as provided in Executive Order 11246 of September 24, 1965. Grantee shall provide certain Affirmative Action guidelines to Subrecipient to assist in the formulation of such program. Subrecipient shall submit a plan for an Affirmative Action Program for approval prior to the award of funds.

2. Minority- and Women-Owned Businesses (M/WBE)

a. Federal Requirements

Subrecipient shall comply with the small and minority firms, women's business enterprise, and labor surplus area requirements as set forth at 2 CFR Part 200, as applicable.

Subrecipient will use its best efforts to afford small businesses, minority business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of this Agreement. As used in this Agreement, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition,

“minority group members” are African-Americans, Spanish-speaking, Spanish surnamed, or Spanish-heritage Americans, Asian-Americans, and American Indians. Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

b. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A (“Article 15-A”), HTFC recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and/or women-owned business enterprises (“M/WBEs”) in the performance of HTFC-funded contracts. HTFC values affording M/WBEs the opportunity to participate in the performance of the contract(s) to be awarded for this project. Accordingly, Subrecipient certifies that it has made and will continue to make good-faith efforts to promote and assist the participation of certified M/WBEs through the use of contractors and their subcontractors at all tiers on this project, in an amount equal to fifteen percent (15%) minority-owned business enterprises (“MBE”) and fifteen percent (15%) women-owned business enterprises (“WBE”) of the total dollar value of each project. Notwithstanding the foregoing goals, should the State of New York change such goals, Subrecipient and its contractors and their subcontractors (at all tiers) shall continuously make good-faith efforts to achieve the M/WBE goals in effect at any given time during the performance of this Agreement and their contract(s) respectively. These participation goals are applicable to this Agreement as set forth in Exhibit E and will be monitored by HTFC.

Subrecipient shall require that its contractors and their subcontractors at all tiers comply with the aforementioned M/WBE requirements as set forth in the Supplementary Conditions attached hereto as Exhibit E. In accordance with those requirements, Subrecipient shall require all covered contractors and their subcontractors at all tiers to submit the required M/WBE documentation, including utilization plans and quarterly reports, to Subrecipient. Subrecipient shall provide quarterly reporting of M/WBE data in a form acceptable to HTFC, with copies of contractor and subcontractor M/WBE documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Subrecipient, and Subrecipient’s contractors and their subcontractors at all tiers, shall maintain copies of all reports and supporting documents as set forth in this Agreement.

3. Equal Employment Opportunity (“EEO”) and Non-Discrimination

a. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

b. Non-Discrimination

Subrecipient shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. Subrecipient shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

c. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A ("Article 15-A"), HTFC recognizes its obligation under the law to promote opportunities for the employment of minority group members and women in the performance of HTFC-funded contracts.

Subrecipient shall require that its contractors and their subcontractors at all tiers comply with the EEO requirements found in the Supplementary Conditions attached hereto as Exhibit E. In accordance with those requirements, Subrecipient shall require all covered contractors and their subcontractors at all tiers to submit the required documentation, including an EEO policy statement, staffing plan, and quarterly reports to Subrecipient. Subrecipient shall provide quarterly reporting of EEO data in a form acceptable to HTFC, with copies of contractor and subcontractor EEO documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Subrecipient, and Subrecipient's contractors and their subcontractors at all tiers, shall maintain copies of all reports and supporting documents as set forth in this Agreement.

4. Access to Records

Subrecipient shall furnish and cause each of its own sub-subrecipients, contractors, and subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by Grantee, HUD or its agent, the Comptroller General of the United States, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein.

5. Contract Provisions

Subrecipient will include the provisions of Paragraphs XI.A., Civil Rights, and B., Affirmative Action, in every subsequent sub-subrecipient agreement, contract, subcontract, or purchase order, specifically or by reference, so that such provisions will be binding upon each of its own sub-subrecipients, contractors, or subcontractors.

C. Employment Restrictions

1. Prohibited Activity

Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the program for: political activities; inherently religious activities; lobbying; political patronage; and nepotism activities.

2. Labor Standards

Subrecipient agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.), and all other applicable Federal, state, and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and its implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to Grantee for review upon request. Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation, or repair work financed in whole or in part with assistance provided under this Agreement, shall comply with Federal requirements adopted by Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve Subrecipient of its obligation, if any, to require payment of the higher wage. Subrecipient shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

3. "Section 3" Clause

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and

all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be a condition of the Federal financial assistance provided under this Agreement and binding upon Grantee, Subrecipient, and any of Subrecipient's sub-subrecipients, contractors, and subcontractors. Failure to fulfill these requirements shall subject Grantee, Subrecipient, and any of Subrecipient's sub-subrecipients, contractors, and subcontractors, as well as their successors and assigns, to those sanctions specified by the agreement through which Federal assistance is provided. Subrecipient certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

Subrecipient further agrees to comply with these "Section 3" requirements and to include the following language in all subsequent sub-subrecipient agreements, contracts, and subcontracts executed under this Agreement:

"The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located."

Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

Subrecipient certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. Notifications

Subrecipient agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

c. Contracts

Subrecipient will include this Section 3 clause in subsequent sub-subrecipient agreements, contracts, and subcontracts, and will take appropriate action, pursuant to any such agreement, upon a finding that a sub-subrecipient, contractor, or subcontractor is in violation of regulations issued by HUD. Subrecipient will not subgrant or contract with any entity where it has notice or knowledge that the entity has been found in violation of regulations under 24 CFR Part 135, and will not let any sub-subrecipient agreement or contract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

d. Reporting

Irrespective of any applicable Federal reporting requirements, Subrecipient shall submit quarterly reports along with any supporting documentation, in a form acceptable to Grantee, of its Section 3 compliance efforts to Grantee. Notwithstanding the provision of such reports and supporting documentation, Subrecipient shall maintain copies of all reports and supporting documents as set forth in this Agreement. A summary of this and certain other reporting obligations is provided at paragraph IX.C.5.

D. Conduct

1. Hatch Act

Subrecipient agrees that no funds provided, nor personnel employed under this Agreement, shall be in any way or to any extent engaged in the conduct of political activities in violation of Chapter 15 of Title V of the U.S.C.

2. Conflict of Interest

Subrecipient agrees to abide by the provisions of 2 CFR Part 200, as applicable, and 24 CFR 570.611, which include (but are not limited to) the following:

a. It is presumed that Subrecipient is subject to state and local ethic laws and regulations related to the conduct of its officers, employees or agents engaged in the award and administration of this Agreement.

b. In the event Subrecipient is not, Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of this Agreement. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

c. No covered persons who exercise or have exercised any functions or responsibilities with respect to CDBG-DR assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the CDBG-DR assisted activity, or with respect to the proceeds from the CDBG-DR assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of Grantee, Subrecipient, or any designated public agency.

3. Lobbying

Subrecipient hereby certifies that:

a. To the best of its knowledge and belief, no Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or

employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement, Subrecipient shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

c. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

d. It has and will comply with Section 139-j and 139-k of the State Finance Law.

e. It will require that the language of paragraphs (a) through (e) of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

4. Copyright

If this Agreement results in any copyrightable material or inventions, Grantee and/or HUD reserves the right to royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use and to authorize others to use, the work or materials for governmental purposes. This clause shall survive indefinitely the termination of this Agreement for any reason.

5. Religious Activities

Subrecipient agrees that funds provided under this Agreement will not be utilized for inherently religious activities prohibited by 24 CFR 570.200(j), such as worship, religious instruction, or proselytization.

Any question as to which requirements control in a particular instance which cannot be resolved by Contractor and Subrecipient shall be submitted in writing (indicating the issue and the applicable provisions) by Subrecipient to GOSR, which shall decide the applicable question.

PART I: REQUIRED FEDERAL PROVISIONS

The following terms and conditions apply to any contract for which any portion of the funding is derived from a grant made by the United States Department of Housing and Urban Development (“HUD”).

GENERAL CONDITIONS

- 1. PROVISIONS REQUIRED BY LAW DEEMED INSERTED.** Each and every provision of law and clause required by law to be inserted in this contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the contract shall forthwith be physically amended to make such insertion or correction.
- 2. STATUTORY AND REGULATORY COMPLIANCE.** Contractor shall comply with all laws and regulations applicable to the Community Development Block Grant-Disaster Recovery funds appropriated by the Disaster Relief Appropriations Act, 2013 (Pub. L. 113-2), including but not limited to the applicable Office of Management and Budget Circulars, which may impact the administration of funds and/or set forth certain cost principles, including the allowability of certain expenses.
- 3. BREACH OF CONTRACT TERMS.** The Subrecipient and GOSR reserve their rights to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this contract, in instances where the Contractor or any of its subcontractors violate or breach any contract term. If the Contractor or any of its subcontractors violate or breach any contract term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.
- 4. REPORTING REQUIREMENTS.** The Contractor shall complete and submit all reports, in such form and according to such schedule, as may be required by the Subrecipient and GOSR. The Contractor shall cooperate with all Subrecipient and GOSR efforts to comply with HUD requirements and regulations pertaining to reporting, including but not limited to 24 C.F.R. §§ 85.40-41 (or 84.50-52, if applicable) and 570.507.

Part 2424. The Contractor shall notify the Subrecipient and GOSR should it or any of its subcontractors become debarred or suspended or otherwise excluded from or ineligible for participation in federal assistance programs subject to 2 C.F.R. Part 2424.

7. CONFLICTS OF INTEREST. The Contractor shall notify the Subrecipient as soon as possible if this contract or any aspect related to the anticipated work under this contract raises an actual or potential conflict of interest (as defined at 2 C.F.R. Part 215 and 24 C.F.R. § 85.36 (or 84.42, if applicable)). The Contractor shall explain the actual or potential conflict in writing in sufficient detail so that the Subrecipient is able to assess such actual or potential conflict. The Contractor shall provide the Subrecipient any additional information necessary for the Subrecipient to fully assess and address such actual or potential conflict of interest. The Contractor shall accept any reasonable conflict mitigation strategy employed by the Subrecipient, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict. If requested by GOSR, contractor shall sign a certification affirming that it has no conflict of interest arising from performance of work on a specific task.

8. SUBCONTRACTING. The Contractor represents to the Subrecipient that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, taking into account the nature of the work to be performed under this contract.

The Contractor will include these Required Federal Provisions in every subcontract issued by it so that such provisions will be binding upon each of its subcontractors as well as the requirement to flow down such terms to all lower-tiered subcontractors.

9. ASSIGNABILITY. The Contractor shall not assign any interest in this contract, and shall not transfer any interest in the same (whether by assignment or novation) without prior written approval of the Subrecipient.

10. INDEMNIFICATION. The Contractor shall indemnify, defend, and hold harmless the Subrecipient, GOSR, and their agents and employees from and against any and all claims, actions, suits, charges, and judgments arising from or related to the negligence or willful misconduct of the Contractor in the performance of the services called for in this contract.

11. TERMINATION FOR CAUSE (Applicable to contracts exceeding \$10,000). If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the Subrecipient shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Contractor under this contract

shall, at the option of the Subrecipient, become the Subrecipient's property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Contractor shall not be relieved of liability to the Subrecipient for damages sustained by the Subrecipient by virtue of any breach of the contract by the Contractor, and the Subrecipient may withhold any payments to the Contractor for the purpose of set-off until such time as the exact amount of damages due the Subrecipient from the Contractor is determined.

12. TERMINATION FOR CONVENIENCE (Applicable to contracts exceeding \$10,000).

The Subrecipient may terminate this contract at any time by giving at least ten (10) days' notice in writing to the Contractor. If the contract is terminated by the Subrecipient as provided herein, the Contractor will be paid for the time provided and expenses incurred up to the termination date.

13. LOBBYING (Applicable to contracts exceeding \$100,000). The Contractor certifies, to the best of his or her knowledge and belief, that:

- A. No federal appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- B. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- C. The Contractor shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

14. BONDING REQUIREMENTS (Applicable to construction and facility improvement contracts exceeding \$100,000). The Contractor shall comply with New York State bonding

requirements, unless they have not been approved by HUD, in which case the Contractor shall comply with the following minimum bonding requirements:

- A. A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.
- B. A performance bond on the part of the Contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the Contractor’s obligations under such contract.
- C. A payment bond on the part of the Contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

15. ACCESS TO RECORDS. The Subrecipient, GOSR, HUD, the Comptroller General of the United States, or any of their duly authorized representatives, shall have, at any time and from time to time during normal business hours, access to any work product, books, documents, papers, and records of the Contractor which are related to this contract, for the purpose of inspection, audits, examinations, and making excerpts, copies and transcriptions.

16. MAINTENANCE/RETENTION OF RECORDS. All records connected with this contract will be maintained in a central location and will be maintained for a period of at least four (4) years following the date of final payment and close-out of all pending matters related to this contract.

CIVIL RIGHTS AND DIVERSITY PROVISIONS

17. SMALL AND MINORITY FIRMS, WOMEN’S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS. The Contractor will comply with the small and minority firms, women’s business enterprise, and labor surplus area requirements as set forth at 24 C.F.R. § 85.36 or 24 C.F.R. § 84.44 as applicable. Contractor will use its best efforts to afford small businesses, minority business enterprises, and women’s business enterprises the maximum practicable opportunity to participate in the performance of the contract. As used in these Required Federal Provisions, the terms “small business” means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. § 632), and “minority and women’s business enterprise” means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, “minority group members” are Afro-Americans, Spanish-speaking, Spanish surnamed, or Spanish-heritage Americans, Asian-Americans, and American Indians. Subrecipient may rely on written

representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

The contractor will take necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used in subcontracting when possible. Steps include:

- A. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- B. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- C. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
- D. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises; and
- E. Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

18. TITLES VI AND VIII OF THE CIVIL RIGHTS ACT OF 1964 AND EXECUTIVE ORDER 11063. The Contractor shall comply with the provisions of Titles VI and VIII of the Civil Rights Act of 1964 and with Executive Order 11063. No person shall, on the grounds of race, color, religion, sex, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. No person shall, on the grounds of race, color, religion, sex, or national origin, be discriminated against in the sale, rental, or financing of dwellings. To the extent that any such sale, lease or other transfer of land shall occur, Contractor, in undertaking its obligation to carry out the Program assisted hereunder, will not itself so discriminate.

19. SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974. The Contractor shall comply with the provisions of Section 109 of the Housing and Community Development Act of 1974. No person in the United States shall on the grounds of race, color, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under this title. Section 109 further provides that discrimination on the basis of age under the Age Discrimination Act of 1975 or with respect to an otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973, as amended, is prohibited.

20. SECTION 504 OF THE REHABILITATION ACT OF 1973 AND THE AMERICANS WITH DISABILITIES ACT OF 1990. The Contractor shall comply with section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), as amended, and any applicable

regulations, and with the Americans with Disabilities Act of 1990 (42 U.S.C. § 126), as amended, and any applicable regulations

The Contractor agrees that no qualified individual with handicaps shall, solely on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives federal financial assistance from HUD.

21. AGE DISCRIMINATION ACT OF 1975. The Contractor shall comply with the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.), as amended, and any applicable regulations. No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving federal financial assistance.

22. NONDISCRIMINATION (Applicable to construction contracts and subcontracts exceeding \$10,000). The Contractor shall comply with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967; Executive Order 11478 of August 8, 1969; Executive Order 12107 of December 28, 1978; Executive Order 12086 of October 5, 1978; and as supplemented in Department of Labor regulations (41 C.F.R. Part 60).

The Contractor shall comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 C.F.R. § 570.607, as revised by Executive Order 13279 of December 12, 2002. The applicable non-discrimination provisions in Section 109 of the Housing and Community Development Act of 1974 are still applicable. The Contractor shall comply with all other federal statutory and constitutional non-discrimination provisions. During the performance of this contract, the Contractor agrees as follows:

- A. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- B. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by Contracting Officer setting forth the provisions of this non-discrimination clause. The Contractor shall state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin. The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that it is an Equal Opportunity or Affirmative Action employer.

- C. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- D. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers representative of the contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- E. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.
- F. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to books, records and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- G. In the event of the Contractor's non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- H. Contractor shall incorporate the provisions of A through G above in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such subcontractor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

23. CERTIFICATION OF NONSEGREGATED FACILITIES (Applicable to construction contracts exceeding \$10,000). The Contractor certifies that it does not maintain or provide for its establishments, and that it does not permit employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this certification is a violation of the nondiscrimination clause of this contract.

As used in this certification, the term “segregated facilities” means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin because of habit, local custom, or any other reason.

The Contractor further agrees that (except where it has obtained for specific time periods) it will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the nondiscrimination clause; that it will retain such certifications in its files; and that it will forward the preceding notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).

24. SECTION 503 OF THE REHABILITATION ACT OF 1973 (Applicable to contracts exceeding \$10,000). The Contractor shall comply with section 503 of the Rehabilitation Act of 1973 (29 U.S.C. § 793), as amended, and any applicable regulations.

- A. The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment and otherwise treat qualified individuals with disabilities without discrimination based on their physical or mental disability in all employment practices, including the following:
1. Recruitment, advertising, and job application procedures;
 2. Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;
 3. Rates of pay or any other form of compensation and changes in compensation;
 4. Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;
 5. Leaves of absence, sick leave, or any other leave;
 6. Fringe benefits available by virtue of employment, whether or not administered by the contractor;
 7. Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;
 8. Activities sponsored by the contractor including social or recreational programs; and
 9. Any other term, condition, or privilege of employment.
- B. The Contractor agrees to comply with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.

- C. In the event of the Contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.
- D. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Deputy Assistant Secretary for Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The Contractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Contractor may have the notice read to a visually disabled individual, or may lower the posted notice so that it might be read by a person in a wheelchair).
- E. The Contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.
- F. The Contractor will include the provisions of this clause in every subcontract or purchase order in excess of \$10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Deputy Assistant Secretary for Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

25. SECTION 3 OF THE HOUSING AND URBAN DEVELOPMENT ACT OF 1968 (As required by applicable thresholds).

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding,

if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, the availability of apprenticeship and training positions, the qualifications for each, the name and location of the person(s) taking applications for each of the positions, and the anticipated date the work shall begin.

- D. The Contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.
- E. The Contractor will certify that any vacant employment positions, including training positions, that are filled: (1) after the Contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 C.F.R. Part 135.
- F. Noncompliance with HUD's regulations in 24 C.F.R. Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible: (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

Irrespective of any applicable federal reporting requirements, Contractor shall submit quarterly reports along with any supporting documentation, in a form acceptable to Subrecipient, of its Section 3 compliance efforts to Subrecipient. Contractor may be required to consolidate all reports received from subcontractors and lower-tiered subcontractors into a single report or several reports as reasonably requested by Subrecipient. Notwithstanding the provision of such reports and supporting documentation, Contractor shall maintain copies of all reports and supporting documents as set forth in these Supplementary Conditions.

26. FAIR HOUSING ACT. Contractor shall comply with the provisions of the Fair Housing Act of 1968 as amended. The act prohibits discrimination in the sale or rental of housing, the financing of housing or the provision of brokerage services against any person on the basis of race, color, religion, sex, national origin, handicap or familial status. Contractor shall comply with the provisions of the Equal Opportunity in Housing Act, which prohibits discrimination against individuals on the basis of race, color, religion, sex or national origin in the sale, rental, leasing or other disposition of residential property, or in the use or occupancy of housing assisted with federal funds.

Part 5), and all other applicable federal, state, and local laws and regulations pertaining to labor standards insofar as they apply to the performance of this agreement. In addition, Contractor shall comply with the Federal Labor

The Contractor shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to Subrecipient and GOSR for review upon request.

If Contractor is engaged under a contract in excess of \$2,000 for construction, renovation, or repair work financed in whole or in part with assistance provided by GOSR, Contractor agrees, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, to comply and to cause all subcontractors engaged under such contracts to comply with federal requirements adopted by GOSR pertaining to such contracts and with the applicable requirements of the Department of Labor under 29 C.F.R. The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "Contract") agree to be bound by the following clauses which are hereby made a part of the Contract.

1. ACCOUNTING RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance of work done for the Subrecipient under this Contract (hereinafter, collectively, "the Records") consistent with generally accepted bookkeeping practices. The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The Subrecipient, Governor's Office of Storm Recovery ("GOSR"), and any person or entity authorized to conduct an examination shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The Subrecipient and GOSR shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform the Subrecipient and GOSR, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the Subrecipient's or GOSR's right to discovery in any pending or future litigation.

2. NON-ASSIGNABILITY. This Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or disposed of without the previous consent in writing of the Subrecipient and GOSR, and any attempts to assign the Contract without such written consent are null and void. However, this Contract shall be binding upon and inure to the benefit of the Subrecipient and GOSR, and their successors and assigns.

3. INDEMNITY. The Contractor shall indemnify and hold New York State and the Housing Trust Fund Corporation and their employees, officers, Members and Directors (collectively, the "Indemnities") harmless from and against all claims, demands, liability, loss, cost, damage or expense, including attorney's fees, which may be incurred by the Indemnities because of negligence or malfeasance on the part of the Contractor arising out of this Contract.

The Contractor will bind all subcontractors hired to perform services in connection with this Contract to the requirements of this section, take such action for enforcement as the Commissioner may direct, and notify the Commissioner if such

action results in litigation. This Contract may be terminated by Subrecipient upon the Commissioner's finding of non-compliance with this section, and the Contractor may be declared ineligible for future contracts with an agency of the state or a public authority until the Contractor satisfies the Commissioner of compliance.

PART IV: REPORTING

Elation Systems, Inc. is a provider of cloud-based diversity and labor compliance reporting and management services. The Governor's Office of Storm Recovery (GOSR) has adopted this web-based compliance management system to help all of its Contractors, Subrecipients, and Subrecipient's Contractors receiving federal funds to adhere to Labor Compliance (Davis-Bacon), Minority and Women Owned Business (MWBE) and Section 3 reporting requirements.

Contractors, Subrecipients, and Subrecipient's Contractors must comply with instructions from GOSR on how and when to meet all reporting requirements, and how to utilize Elation to satisfy those requirements.

To this end, all Contractors, Subrecipients, and Subrecipient's Contractors must register with Elation Systems and attend an online training on the use of this tool. GOSR offers a series of virtual training events. GOSR requires all parties receiving federal funds through GOSR programs to use the Elation Systems application to make reporting requirements easier, faster and simpler to complete.

Prior to participating in training, it is necessary to create an Elation account. An account may be created at <https://www.elationsys.com/app/Registration/>.

Questions related to reporting requirements should be directed to GOSR's Monitoring and Compliance team at stormrecovery.dl.gosr-monitoring&compliance@stormrecovery.ny.gov.
