

## NY Southern Tier Regional Resiliency Summit

November 18, 2013: 1:00 – 6:30 PM

Binghamton University

Innovative Technologies Complex, Room 2008

85 Murray Hill Road, Vestal, NY

Learn about storm preparedness, recovery, and resiliency from leading experts in regional mitigation and floodplain management. Join the Broome, Tioga, and Sidney communities and the NY Rising Community Reconstruction Program team for a day of information sharing.

The New York Rising Community Reconstruction Program is one of several storm recovery initiatives established to provide additional rebuilding and revitalization assistance to communities severely damaged by Superstorm Sandy, Hurricane Irene, and Tropical Storm Lee. To facilitate community redevelopment planning and the resilience of communities, the State has established the New York Rising Community Reconstruction Program.
