

Village of Babylon/West Babylon

Vision Statement

The residents of Babylon Village, West Babylon and Venetian Shores are committed to developing stronger, more resilient communities by implementing innovative infrastructure projects, land use policies, “green” technology and emergency management procedures to better prepare for natural disasters and to preserve the region’s historic nautical character and quality of life. We will accomplish those goals through sustained economic investment, improved communication, and strong educational outreach, which will provide an ongoing example of what can be achieved when communities come together with common purpose.
