Public Meeting Summary

Meetings with City/State Agencies

- NYC Department of Environmental Protection (DEP) - 7/22
- NYC Office of Emergency Management (OEM) - 8/04
- NYC City Planning (DCP) - 8/8
- NYC Parks Department (Parks) - 8/19

To be scheduled:

- Port Authority of New York and New Jersey
- NYC Economic Development Corporation (EDC) - TBD
- NYC Department of Transportation (DOT) - TBD
- Office of Long-Term Planning and Sustainability (OLTPS) - TBD

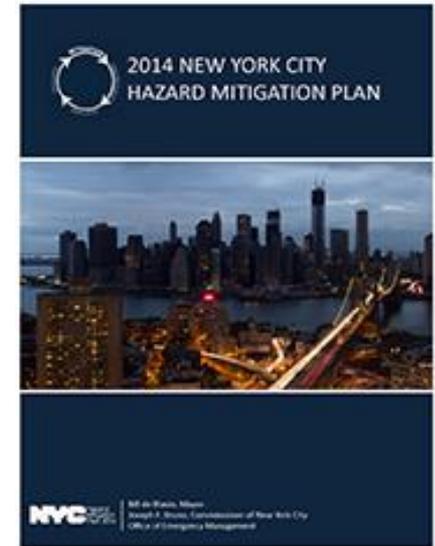

Summary of Meeting with DEP

- **Identified key issues and priorities:**
 - Topography, lack of storm sewers, high water table, potential benefits of green infrastructure.
- **Discussed current and planned projects:**
 - Fourth phase of 20-year sewer build-out under construction.
 - Planning of Phase 5 is in progress--\$20M project for add'l build-out of storm and sanitary sewers and water mains.
- **Next Steps:**
 - DEP will identify small components of ongoing storm sewer build-out that are currently unfunded but could be quickly implemented to resolve localized flooding.

Summary of Meeting with OEM

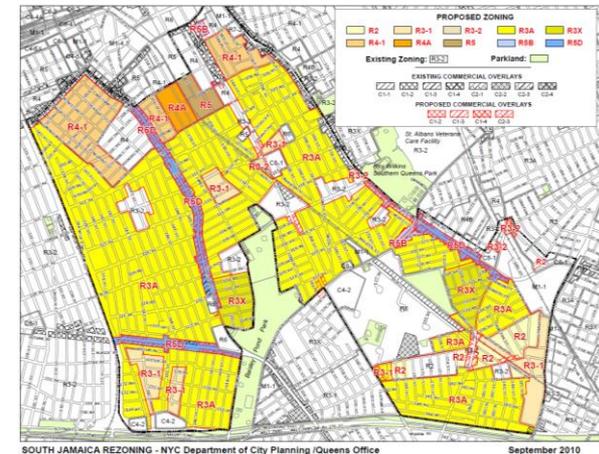

- **Evacuation Centers and Routes:**
 - OEM has established evacuation centers, but encourages residents to evacuate to family and friends.
 - Evacuation routes are not made public because 80% of evacuees do not go to evacuation centers.
- **Community Programs:**
 - Homebound Evacuation Program; Community Emergency Response Teams (CERT); Community Disaster Network; Citizen Corps.
- **Priorities**
 - Improved outreach and communication; Pilot non-profit planning with COADs; Establishment of *Resource and Recovery Centers*.

Summary of Meeting with DCP

- **DCP Activity**

- Rezoning in Springfield Gardens (2005), Brookville (2004), and Rosedale (2010) to maintain community character.
- Residential Streetscape Preservation amendment to zoning resolution (2010) enforces front yard planting requirements.
- Expressed support for implementation of DEP's drainage plan to reduce stormwater flooding.
- Expressed support for the Proposed Greater JFK IBID to help mediate between residents and businesses (especially concern over truck traffic).
