The Planning Committee is working towards a Community Reconstruction Plan supporting specific goals

Goals
- Increase resiliency of key assets
- Address short, medium, and long-term risks
- Balance costs and benefits
- Protect vulnerable populations
- Drive economic growth
- Coordinate with regional initiatives
- Outline steps for implementation

In today’s meeting we will discuss strategy prioritization and break into small groups to discuss priority resiliency issues

Meeting objectives

- Identify Assets and Risks
- Define Needs, Opportunities, and Vision
- Identify, Evaluate, and Prioritize Projects and Actions
- Identify Funding Sources and Develop Implementation Plan
- Create Final Community Reconstruction Plan

OpenPlans update

- Sample comments:

  - “**Underutilized Park buildings** in Public parks that are outside of ANY FEMA map projections for flooding can be repurposed with solar and other alternative power sources. Can serve as **information and resiliency centers.**”

  - Would there be any **grants or low cost loans for Confucius Plaza,** which houses about 1700 families (many elderly), to acquire and install a generator(s)?

  - “Knickerbocker Village residents are **still dealing with storm damage considerations.** Broken boilers, water supply and electricity.”

  - “Please take measures to **prevent flooding on Canal St.** during future storms.”

Priority Resiliency Strategies

Please indicate your top three priority strategies

A. Improve emergency preparedness, response, and recovery
B. Increase resiliency of vulnerable populations
C. Increase small business resiliency
D. Increase residential resiliency
E. Increase telecommunication resiliency
F. Ensure safe transportation options during an emergency
G. Strengthen coastal protection
H. Increase parks and open space resiliency

In this phase, we will identify preliminary initiatives for evaluation and funding, in three categories:

**Short-Term Project**
- High priority
- Appropriate scale and cost
- Potentially CDBG eligible

**Short-Term Recommendation**
- High- to medium-priority
- Large scale and cost
- City/state/federal entities working to address
- May or may not be CDBG eligible

**Long-Term Project/Recommendation**
- Longer time horizon to implement
- Large scale/cost
STRATEGY: Improve emergency preparedness, response, and recovery

**Short-Term Project**
- Develop process and tool (e.g., registry) for identifying and tracking vulnerable populations

**Short-Term Recommendation**
- Improve quality of Seward Park HS evacuation center

**Long-Term Project/Recommendation**
- Develop network of community/relief centers providing year-round and emergency services
