II. Design Professional’s Certification

I hereby certify that the above referenced project has been satisfactorily completed in accordance with the Community Development Block Grant – Disaster Recovery Program, NY Rising Housing Recovery Program, local building code requirements, and all items in the NY Rising Program Estimated Cost to Repair.

The Program may release the final payment amount of the Program award only after a Certificate of Occupancy, or other governmental document, issued by the local building department has been received. In the event that the local building department will not issue a Certificate of Occupancy, due to an existing non-conforming condition(s), which cannot be funded by the Program, the Program may release the final payment of the Program award, as long as the following condition is met:

- Designer certifies the eligible scope of work in the estimate has been completed in compliance with the Program requirements (subject to Program verification) and*
- The scope of work for the project being compensated with grant funds is complete and has been accepted by the Code Enforcement Official.*

If the local building department required the following, please select below, sign and attach the supporting document:

- ECCCNYS 2010 - RES Check*
- ECCCNYS 2010 - HERS Certification*
