Housing Trust Fund Corporation (“HTFC” or “Grantee”), acting through the Governor’s Office of Storm Recovery (“GOSR”) has entered into a Subrecipient Agreement with the Subrecipient for a grant of Community Development Block Grant Disaster Recovery (“CDBG-DR”) funds for purposes of the design and construction of the Project (the “Subrecipient Agreement”). This grant represents a portion of CDBG-DR funds received or to be received under the Federal CDBG-DR program administered by the U.S. Department of Housing and Urban Development (“HUD”) to fund necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure, and housing and economic revitalization in the most impacted and distressed areas resulting from a major disaster declared due to Hurricane Sandy and other eligible events (subject to the Federal statutes and regulations governing CDBG grants, as modified by exceptions and waivers previously or hereafter granted by HUD).

Subrecipient is a municipal government or other government agency, which will use its own form contracts and other project agreements for the Project. However, as a condition to receiving CDBG-DR funds for the Project, Subrecipient is required to include these Supplementary Conditions in each contract which it enters into for the applicable project and to require all contractors to include these Supplementary Conditions in every subsequent subcontract and lower-tiered subcontracts so that such provisions are binding upon each contractor, subcontractor and lower-tiered subcontractor. Among other things, as set forth more specifically below, these Supplementary Conditions (a) include GOSR requirements which may not otherwise be included in the contract; (b) define the order of precedence for the interpretation and enforcement of the various parts and provisions of the contract (including these Supplementary Conditions); and (c) add certain other provisions which GOSR deems necessary or desirable for the orderly administration and enforcement of the contract. For purposes of lower-tiered subcontracts, references in these Supplementary Conditions to “Subrecipient” shall be deemed to refer to the applicable subcontractor, and references to “Contractor” shall be deemed to refer to the applicable lower-tiered subcontractor.

Accordingly, Subrecipient and Contractor have signed below to evidence their agreement to (a) incorporate into the contract these Supplementary Conditions (which shall be deemed “Contract Documents” under the contract), (b) include these Supplementary Conditions in all subcontracts under the contract, and (c) require that all subcontractors reproduce these Supplementary Conditions in all lower-tiered subcontracts under the contract. By signing below, contractor agrees to comply with the terms and

B. Civil Rights

1. Compliance

Contractor agrees to comply with the New York State Human Rights Law and with Title VI of the Civil Rights Act of 1964, as amended, Title VIII of the Civil Rights Act of 1968 as amended, Section 104(b) and Section 109 of Title I of the Housing and Community Development Act of 1974 as amended, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, Executive Order 11063, and Executive Order 11246 as amended by Executive Orders 11375, 11478, 12107, and 12086.

2. Nondiscrimination

Contractor agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCD Act are still applicable.

3. Land Covenants

The Subrecipient Agreement is subject to the requirements of Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and 24 CFR 570.601 and 570.602. In regard to the sale, lease, or other transfer of land acquired, cleared or improved with assistance provided under the Subrecipient Agreement, Contractor shall cause or shall require a covenant running with the land to be inserted in the deed or lease for such transfer, prohibiting discrimination as herein defined, in the sale, lease or rental, or in the use or occupancy of such land, or in any improvements erected or to be erected thereon, providing that Grantee and the United States are beneficiaries of, and entitled to enforce, such covenants. To the extent that any such sale, lease or other transfer of land shall occur, Contractor, in undertaking its obligation to carry out the Program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

4. Section 504

Contractor agrees to comply with all Federal regulations issued pursuant to Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), which prohibits discrimination against individuals with disabilities or handicaps in any federally assisted program. C. Affirmative Action

Contractor shall submit a plan for an Affirmative Action Program for approval prior to the award of funds.

2. Minority- and Women-Owned Businesses (M/WBE)

Contractor will use its best efforts to afford small businesses, minority business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of the contract. As used in these Required Contract Terms, the terms "small business" means a business that meets the criteria set forth in Section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed, or Spanish-heritage Americans, Asian-Americans, and American Indians. Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

b. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A ("Article 15-A"), HTFC recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and/or women-owned business enterprises ("M/WBEs") in the performance of certain HTFC-funded subrecipient agreements, and all HTFC-funded contracts and subcontracts. HTFC values affording M/WBEs the opportunity to participate in the performance of these subrecipient agreements, contracts and subcontracts to be awarded under this project. Accordingly, Contractor certifies that it has made and will continue to make good-faith efforts to promote and assist the participation of certified M/WBEs through the use of non-governmental sub-

subrecipients, contractors and their subcontractors at all tiers on this project, in an amount currently equal to fifteen percent (15%) minority-owned business enterprises (“MBE”) and fifteen percent (15%) women-owned business enterprises (“WBE”) of the total dollar value of this project. These participation goals are applicable to the contract as set forth in Part 4 of these Supplementary Conditions and will be monitored by HTFC. Notwithstanding the foregoing goals, should the State of New York change such goals, subrecipients and its contractors and their subcontractors (at all tiers) shall continuously make good-faith efforts to achieve the M/WBE goals in effect at any given time during the performance of the contract and their contract(s), respectively.

Contractor and its subcontractors at all tiers shall comply with the aforementioned M/WBE requirements as set forth in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, attached hereto as Part 4 of these Supplementary Conditions. In accordance with those requirements, Contractor shall submit and shall require all covered subcontractors at all tiers to submit the required M/WBE documentation, including utilization plans and quarterly reports, to Subrecipient.

Contractor shall provide quarterly reporting of M/WBE data in a form acceptable to Subrecipient, which may require Contractor to consolidate all reports received from subcontractors and lower-tiered subcontractors into a single report or several reports as reasonably requested by Subrecipient with copies of subcontractor and lower-tiered subcontractor M/WBE documentation as supporting documentation. Notwithstanding the provisions of such reports and supporting documentation, Contractor and its subcontractors at all tiers shall maintain copies of all reports and supporting documents as set forth in these Required Terms.

3. Equal Employment Opportunity (“EEO”) and Non-Discrimination

b. Non-Discrimination

Contractor shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. Contractor shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

c. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A (“Article 15-A”), HTFC recognizes its obligation under the law to promote opportunities for the employment of minority group members and women in the performance of HTFC-funded contracts.

Contractors and its subcontractors at all tiers shall comply with the equal employment opportunity (“EEO”) requirements found in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, attached hereto as Part 4 of these Supplementary Conditions. In accordance with those requirements, Contractor shall submit and shall require all covered subcontractors at all tiers to submit the required documentation, including an EEO policy statement, staffing plan, and quarterly reports to Subrecipient. Contractor shall provide quarterly reporting of EEO data in a form acceptable to Subrecipient, which may require Contractor to consolidate all reports received from subcontractors and lower-tiered subcontractors into a single report or several reports as reasonably requested by Subrecipient, with copies of subcontractor and lower-tiered subcontractor EEO documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Contractor and its subcontractors at all tiers shall maintain copies of all reports and supporting documents as set forth in these Required Terms.

4. Retention

Contractor shall retain all records pertinent to these Required Terms for a period of five (5) years. The retention period begins on the date of the submission of Grantee’s annual performance and evaluation report to HUD in which the activities assisted under the Subrecipient Agreement are reported on for the final time. Notwithstanding the above, if there is litigation, claims, audits, negotiations, or other actions that involve any of the records cited and that have started before the expiration of the five-year period, then all such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five-year period, whichever occurs later.

5. Access to Records

Contractor shall furnish and cause each of its subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by Subrecipient, Grantee, HUD or its agent, the Comptroller General of the United States, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein.

D. Employment Restrictions

1. Labor Standards

Contractor agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.), and all other applicable Federal, state, and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of the contract. Contractor agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and its implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. Contractor shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to Subrecipient and Grantee for review upon

request. If Contractor is engaged under a contract in excess of \$2,000.00 for construction, renovation, or repair work financed in whole or in part with assistance provided under the Subrecipient Agreement, Contractor agrees, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, to comply and to cause all subcontractors engaged under such contracts to comply with Federal requirements adopted by Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve Contractor of its obligation, if any, to require payment of the higher wage. Contractor shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

2. “Section 3” Clause

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of the contract, shall be a condition of the Federal financial assistance provided under the Subrecipient Agreement and binding upon Grantee, Subrecipient, Contractor, and any of Contractor’s subcontractors and lower-tiered subcontractors. Failure to fulfill these requirements shall subject Grantee, Subrecipient, Contractor, and any of Contractor’s subcontractors and lower-tiered subcontractors, as well as their successors and assigns, to those sanctions specified by the agreement through which Federal assistance is provided. Contractor certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

Contractor further agrees to comply with these “Section 3” requirements and to include the following language in all subsequent contracts and subcontracts executed under the contract:

“The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible, opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located.”

Contractor further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing

construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

Contractor certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. Notifications

Contractor agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

c. Contracts

Contractor will take appropriate action, pursuant to any such agreement, upon a finding that a subcontractor or lower-tiered subcontractor is in violation of regulations issued by HUD. Contractor will not subcontract with any entity where it has notice or knowledge that the entity has been found in violation of regulations under 24 CFR Part 135, and will not let any subcontract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

d. Reporting

Irrespective of any applicable Federal reporting requirements, Contractor shall submit quarterly reports along with any supporting documentation, in a form acceptable to Subrecipient, of its Section 3 compliance efforts to Subrecipient. Contractor may be required to consolidate all reports received from subcontractors and lower-tiered subcontractors into a single report or several reports as reasonably requested by Subrecipient. The Contractor shall notify the State as soon as possible if this contract or any aspect related to the anticipated work under this contract raises an actual or potential conflict of interest (as defined at 2 C.F.R. Part 215 and 24 C.F.R. § 85.36 (or 84.42, if applicable)). The Contractor shall explain the actual or potential conflict in writing in sufficient detail so that the State is able to assess such actual or potential conflict. The Contractor shall provide the State any additional information necessary for the State to fully assess and address such actual or potential conflict of

interest. The Contractor shall accept any reasonable conflict mitigation strategy employed by the State, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

16. SUBCONTRACTING

When subcontracting, the Contractor shall solicit for and contract with such subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include but are not limited to:

- (iii) Noncompetitive pricing practices between firms or between affiliated companies,
- (iv) Noncompetitive awards to consultants that are on retainer contracts,
- (v) Organizational conflicts of interest,
- (vi) Specifying only a *brand name* product instead of allowing an *equal* product to be offered and describing the performance of other relevant requirements of the procurement, and
- (vii) Any arbitrary action in the procurement process.

The Contractor represents to the State that all work shall be performed by personnel experienced in the appropriate and applicable profession and areas of expertise, taking into account the nature of the work to be performed under this contract.

The Contractor will include these HUD General Provisions in every subcontract issued by it so that such provisions will be binding upon each of its subcontractors as well as the requirement to flow down such terms to all lower-tiered subcontractors.

17. ASSIGNABILITY

The Contractor shall not assign any interest in this contract, and shall not transfer any interest in the same (whether by assignment or novation) without prior written approval of the State.

18. INDEMNIFICATION

The Contractor shall indemnify, defend, and hold harmless the State and its agents and employees from and against any and all claims, actions, suits, charges, and judgments arising from or related to the negligence or willful misconduct of the Contractor in the performance of the services called for in this contract.

The Contractor shall comply with all applicable "Anti-Kickback" regulations and shall insert appropriate provisions in all subcontracts covering work under this contract to ensure compliance by subcontractors with such regulations, and shall be responsible for the submission of affidavits required of subcontractors thereunder except as the Secretary of Labor may specifically provide for variations of or exemptions from the requirements thereof.

21. DAVIS-BACON ACT

(Applicable to construction contracts exceeding \$2,000 when required by Federal program legislation)

The Contractor shall comply with the Davis Bacon Act (40 U.S.C. §§ 276a to 276a-7) as supplemented by Department of Labor regulations (29 C.F.R. part 5).

All laborers and mechanics employed by contractors or subcontractors, including employees of other governments, on construction work assisted under this contract, and subject to the provisions of the federal acts and regulations listed in this paragraph, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act.

22. TERMINATION FOR CAUSE (Applicable to contracts exceeding \$10,000)

If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Contractor under this contract shall, at the option of the State, become the State's property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by the State by virtue of any breach of the contract by the Contractor, and the State may withhold any payments to the Contractor for the purpose of set-off until such time as the exact amount of damages due the State from the Contractor is determined.

23. TERMINATION FOR CONVENIENCE (Applicable to contracts exceeding \$10,000)

The State may terminate this contract at any time by giving at least ten (10) days' notice in writing to the Contractor. If the contract is terminated by the State as provided herein, the Contractor will be paid for the time provided and expenses incurred up to the termination date.

(Applicable to contracts exceeding \$10,000)

The Contractor shall comply with section 503 of the Rehabilitation Act of 1973 (29 U.S.C. § 793), as amended, and any applicable regulations.

Equal Opportunity for Workers With Disabilities

1. The Contractor will not discriminate against any employee or applicant for employment because of physical or mental disability in regard to any position for which the employee or applicant for employment is qualified.  4. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Deputy Assistant Secretary for Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The Contractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Contractor may have the notice read to a visually disabled individual, or may lower the posted notice so that it might be read by a person in a wheelchair).
 5. The Contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.
 6. The Contractor will include the provisions of this clause in every subcontract or purchase order in excess of \$10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Deputy Assistant Secretary for Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

25. EXECUTIVE ORDER 11246
(Applicable to construction contracts and subcontracts exceeding \$10,000)

During the performance of this contract, the Contractor agrees as follows:

- A. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- B. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by Contracting Officer setting forth the provisions of this non-discrimination clause. - D. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers representative of the contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- E. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.
- F. - G. In the event of the Contractor's non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- H. Contractor shall incorporate the provisions of A through G above in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such subcontractor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests

of the United States.

26. CERTIFICATION OF NONSEGREGATED FACILITIES
(Applicable to construction contracts exceeding \$10,000)

The Contractor certifies that it does not maintain or provide for its establishments, and that it does not permit employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this certification is a violation of the equal opportunity clause of this contract.

As used in this certification, the term “segregated facilities” means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin because of habit, local custom, or any other reason.

The Contractor further agrees that (except where it has obtained for specific time periods) it will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the equal opportunity clause; that it will retain such certifications in its files; and that it will forward the preceding notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).

any notification received from the Director, Office of Federal Activities, EPA, indicating that a facility utilized, or to be utilized for the contract, is under consideration to be listed on the Excluded Party Listing System or the EPA List of Violating Facilities.

- D. Agreement by the Contractor that he will include, or cause to be included, the criteria and requirements in paragraph (A) through (D) of this section in every nonexempt subcontract and requiring that the Contractor will take such action as the government may direct as a means of enforcing such provisions.

29. BONDING REQUIREMENTS

(Applicable to construction and facility improvement contracts exceeding \$100,000)

The Corporation is required to implement the provisions of New York State (“State”) Executive Law Article 15-A and 5 NYCRR Parts 142-144 (“MWBE Regulations”) for all State contracts as defined therein, with a value: (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the Housing Trust Fund Corporation (“Corporation”), to fully comply and cooperate with the Corporation in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for certified minority and women-owned business enterprises (“MWBEs”). Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, State or local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of Contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to section VII of this Part or enforcement proceedings as allowed by the Contract.

II. Contract Goals

- A. For purposes of this procurement, the Corporation hereby establishes an overall goal of 30% for Minority and Women-Owned Business Enterprises (“MWBE”) participation, 15% for Minority-Owned Business Enterprises (“MBE”) participation and 15% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). Notwithstanding the foregoing goals, should the State of New York change such goals, contractors and their subcontractors (at all tiers) shall continuously make good-faith efforts to achieve the M/WBE goals in effect at any given time during the performance of the contract.
- B. For purposes of providing meaningful participation by MWBEs on this Contract and achieving the Contract Goals established in section III-A, Contractor should reference the directory of New York State Certified MBWEs found at the following internet address:
<https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.

Additionally, Contractor is encouraged to contact the Division of Minority and Woman Business Development ((518) 292-5250; (212) 803-2414; or (716) 846-8200) to discuss additional methods of maximizing participation by MWBEs on this Contract.

- C. Where MWBE goals have been established herein, pursuant to 5 NYCRR §142.8, Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of this Contract. In accordance with section 316-a of Article 15-A and 5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of Contract and the Contractor shall be liable to the Corporation for liquidated or other appropriate damages, as set forth herein.

III. Equal Employment Opportunity (EEO)

- A. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the “Division”). If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.

- B. Contractor shall comply with the following provisions of Article 15-A:

1. Contractor and Subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
2. The Contractor shall submit an EEO policy statement (Form PROC-8) to the Corporation within seventy two (72) hours after the date of the notice by Corporation to award the Contract to the Contractor.
3. If Contractor or Subcontractor does not have an existing EEO policy statement, the Corporation may provide the Contractor or Subcontractor a model statement (see Form PROC-4 – Minority and Women-Owned Business Enterprises Equal Employment Opportunity Policy Statement).
4. The Contractor’s EEO policy statement shall include the following language:
 - a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.
 - b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
 - c. disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.

- d. The Contractor will include the provisions of sections (a) through (c) of this subsection and paragraph "E" of this section, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with this Contract.

C. Form PROC-1- Staffing Plan

Contractors shall complete the Staffing plan form and submit it as part of their bid or proposal or within a reasonable time, but no later than the time of award of the Contract.

D. Form PROC-5 - Workforce Employment Utilization Report ("Workforce Report")

1. Once a Contract has been awarded and during the term of Contract, Contractor is responsible for updating and providing notice to the Corporation of any changes to the previously submitted Staffing Plan. This information is to be submitted on a quarterly basis during the term of the Contract to report the actual workforce utilized in the performance of the Contract by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Workforce Report must be submitted to report this information.

Reports should be submitted by email to: MWBE_EEOCreports@stormrecovery.ny.gov.

2. Separate forms shall be completed by Contractor and any subcontractor performing work on the Contract.
3. In limited instances, Contractor may not be able to separate out the workforce utilized in the performance of the Contract from Contractor's and/or subcontractor's total workforce. When a separation can be made, Contractor shall submit the Workforce Report and indicate that the information provided related to the actual workforce utilized on the subject Contract. When the workforce to be utilized on the Contract cannot be separated out from Contractor's and/or subcontractor's total workforce, Contractor shall submit the Workforce Report and indicate that the information provided is Contractor's total workforce during the subject time frame, not limited to work specifically under the Contract.

- E. Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions. Contractor and subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

- A. The Contractor represents and warrants that Contractor has submitted an MWBE Utilization Plan (Form PROC-2) either prior to, or at the time of, the execution of this Contract.
- B. Contractor agrees to use such MWBE Utilization Plan for the performance of MWBEs on this Contract pursuant to the prescribed MWBE goals set forth in section III-A of this Part.
- C. Contractor further agrees that a failure to submit and/or use such MWBE Utilization Plan shall constitute a material breach of the terms of this Contract. Upon the occurrence of such a material breach, the Corporation shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsiveness.

V. Waivers

- A. For Waiver Requests Contractor should use Form PROC-3 – Waiver Request.
- B. If the Contractor, after making good faith efforts, is unable to comply with MWBE goals, the Contractor may submit a Request for Waiver documenting good faith efforts by the Contractor to meet such goals. If the documentation included with the waiver request is complete, the Corporation shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.
- C. If the Corporation, upon review of the Utilization Plan and updated Compliance Reports determines that Contractor is failing or refusing to comply with the Contract goals and no waiver has been issued in regards to such non-compliance, the Corporation may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

VI. Quarterly MWBE Contractor Compliance Report

STANDARD CLAUSES FOR AGENCY CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "Contract") agree to be bound by the following clauses which are hereby made a part of the Contract (the word "Contractor" herein refers to any party other than the State of New York ("State"), whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. ACCOUNTING RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance of work done for the Agency or Agencies under this Contract (hereinafter, collectively, "the Records") consistent with generally accepted bookkeeping practices. The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The Agency or Agencies involved in this Contract and any person or entity authorized to conduct an examination shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The Agency or Agencies shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform the Agencies' Senior Vice President and Counsel, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the Agency's or Agencies' right to discovery in any pending or future litigation.

2. CONFLICTS OF INTEREST. The Contractor shall not accept any engagement in conflict with the Agency's or Agencies' interest in the subject matter of this Contract.

The Servicer shall not offer to any employee, member or director of the Agency or Agencies' any gift, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or

promise, or in any other form, under circumstances in which it could reasonably be inferred that the gift was intended to influence said employee, member or director, or could reasonably be expected to influence said employee, member or director, in the performance of the official duty of said employee, member or director or was intended as a reward for any official action on the part of said employee, member or director.

3. SUBCONSULTANTS. The Contractor shall not employ, contract with, or use the services of any consultant for the work of this Contract (except such third parties which may be used by the Contractor in the normal course of business, such as couriers, imaging services, etc.) without obtaining the prior written approval of the Agency or Agencies.

4. NON-ASSIGNABILITY. This Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or disposed of without the previous consent in writing of the Agency or Agencies and any attempts to assign the Contract without the Agency or Agencies' written consent are null and void. However, this Contract shall be binding upon and inure to the benefit of the Agency or Agencies and its successors and assigns.

5. INDEMNITY. The Contractor shall indemnify and hold the Agency or Agencies and their employees, officers, Members and Directors (collectively, the "Indemnities") harmless from and against all claims, demands, liability, loss, cost, damage or expense, including attorney's fees, which may be incurred by the Indemnities because of negligence or malfeasance on the part of the Contractor arising out of this Contract.

6. NON-DISCRIMINATION. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. If this a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason or race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Contract. Contractor is subject to fines of \$50 per person per day for any violation of Section 239 as well as possible termination of this Contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

If directed to do so by the State Commissioner of Human Rights ("Commissioner"), the Contractor will send to each labor union to which the Contractor is bound a notice provided by the Commissioner advising of this provision. The Servicer will keep posted in conspicuous places notices of the Commissioner regarding laws against discrimination. The Contractor will state in all advertisements for employees that all qualified applicants will be afforded equal opportunities without discrimination because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status.

If the Contractor has fifteen or more employees, it is an unlawful employment practice for the Contractor to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to the individual's compensation, terms, conditions, or privileges of employment, or to limit, segregate, or classify employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect an individual's status as an employee, because of such individual's race, color, religion, sex, or national origin, or because an individual opposed any practice made unlawful by Title VII of the Civil Rights Act of 1964, as amended, or because he or she made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under that Title; and that it shall be an unlawful employment practice to print or publish or cause to be printed or published any notice or advertisement relating to employment indicating any preference, limitation, specification, or discrimination on the basis of race, color, religion, sex, or national origin.

If the Contractor has fifteen or more employees, the Contractor: (1) will make and keep such records relevant to the determinations of whether unlawful employment practices have been or are being committed; (2) will preserve such records for such periods as the Equal Employment Opportunity Commission ("EEOC") shall prescribe by regulation; (3) will make such reports therefrom as the EEOC shall prescribe by regulation or order; (4) must post and keep posted in conspicuous places upon its premises where notices to employees and applicants for employment are customarily posted a notice prepared or approved by the EEOC setting forth excerpts from, or summaries of, pertinent provisions of Title VII of the Civil Rights Act of 1964, as amended, and information pertinent to the filing of a complaint.

To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will comply with all non-discriminatory employment practices, will furnish all information deemed necessary by the Commissioner, and will permit the Commissioner access to its records to ascertain compliance. The Contractor will bind all subcontractors hired to perform services in connection with this Contract to the requirements of this section, take such action for enforcement as the Commissioner may direct, and notify the Commissioner if such action results in litigation. This Contract may be terminated by the Agency or Agencies upon the Commissioner's finding of non-compliance with this section, and the Contractor may be declared ineligible for future contracts with an agency of the State or a public authority until the Contractor satisfies the Commissioner of compliance.

7. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this Contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby the Agency or Agencies, is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the Agency or Agencies, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) the Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on Agency or Agencies' contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the Agency or Agencies, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of this Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract. Section 312 does not apply to: (i) work, goods or services unrelated to this Contract; or (ii) employment outside New York State. The Agency or Agencies shall consider compliance by a Contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The Agency or Agencies shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the Agency or Agencies shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

(d) If the procurement of the goods or services provided herein is subject to minority and women-owned participation requirements pursuant to Article 15-A of the Executive Law, the Contractor shall be liable to the Agency or Agencies for liquidated or other appropriate damages and shall provide for other appropriate remedies on account of such breach in the event it is found that the Contractor willfully and intentionally failed to comply with the minority and women-owned participation requirements set-forth in Article 15-A of the Executive Law.

- (c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and
- (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this Contract and agrees to cooperate with the State in these efforts.

25. GENERAL RESPONSIBILITY LANGUAGE. The Contractor shall at all times during Contract term remain responsible. The Contractor agrees, if requested by the Agencies, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

For purposes of this Agreement, Contractor responsibility generally means that the Contractor has the integrity to justify the award of public dollars and the capacity to perform the requirements of this Contract fully. In connection herewith, to the extent that the Agencies may make certain determinations with respect to Contractor responsibility, wherein the Agencies determine whether it has reasonable assurances that a Contractor is responsible, is an important part of the procurement process, promoting fairness in contracting, mitigating contract issues, and protecting the Contractor and the Agencies against failed contracts. In making such a responsibility determination, the Agencies shall evaluate the Contractor's responsibility with

respect to four factors: (a) financial and organizational capacity; (ii) legal authority to do business in New York State; (c) integrity; and (iv) previous performance.

26. SUSPENSION OF WORK (for Non-Responsibility). The Agencies reserve the right to suspend any or all activities under this Contract, at any time, when the Agency discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Agencies issue a written notice authorizing a resumption of performance under the Contract.

27. Termination (for Non-Responsibility). Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Agency staff, the Contract may be terminated by the Agencies at the Contractor's expense where the Contractor is determined by the Agencies to be non-responsible. In such event, the Agencies may complete the contractual requirements in any manner they deem advisable and pursue available legal or equitable remedies for breach.

28. Iran Divestment Act. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the Agency.

During the term of the Contract, should the Agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the Agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the Agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The Agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

PART 6A. HUD Diversity Forms

This report is to be completed by grantees, developers, sponsors, builders, agencies, and/or project owners for reporting contract and subcontract activities of \$10,000 or more under the following programs: Community Development Block Grants (entitlement and small cities); Urban Development Action Grants; Housing Development Grants; Multifamily Insured and Noninsured; Public and Indian Housing Authorities; and contracts entered into by recipients of CDBG rehabilitation assistance.

Contracts/subcontracts of less than \$10,000 need be reported only if such contracts represent a significant portion of your total contracting activity. Include only contracts executed during this reporting period.

This form has been modified to capture Section 3 contract data in columns 7g and 7i. Section 3 requires that the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. Recipients using this form to report Section 3 contract data must also use Part I of form HUD-60002 to report employment and training opportunities data. Form HUD-2516 is to be

completed for public and Indian housing and most community development programs. Form HUD-60002 is to be completed by all other HUD programs including State administered community development programs covered under Section 3.

A Section 3 contractor/subcontractor is a business concern that provides economic opportunities to low- and very low-income residents of the metropolitan area (or nonmetropolitan county), including a business concern that is 51 percent or more owned by low- or very low-income residents; employs a substantial number of low- or very low-income residents; or provides subcontracting or business development opportunities to businesses owned by low- or very low-income residents. Low- and very low-income residents include participants in Youthbuild programs established under Subtitle D of Title IV of the Cranston-Gonzalez National Affordable Housing Act.

The terms "low-income persons" and "very low-income persons" have the same meanings given the terms in section 3(b)(2) of the United States Housing Act of 1937. Low-income persons mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary

may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families. Very low-income persons means low-income families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

Submit two (2) copies of this report to your local HUD Office within ten (10) days after the end of the reporting period you checked in item 4 on the front.

Enter the prime contractor's ID in item 7f. for all contracts and subcontracts. Include only contracts executed during this reporting period. PHAs/IHAs are to report all contracts/subcontracts.

The regulations are found at 24 CFR Part 135. The information will be used by the Department to monitor program recipients' compliance with Section 3, to assess the results of the Department's efforts to meet the statutory objectives of Section 3, to prepare reports to Congress, and by recipients as a self-monitoring tool. The data is entered into a data base and will be analyzed and distributed. The collection of information involves recipients receiving Federal financial assistance for housing and community development programs covered by Section 3. The information will be collected annually to assist HUD in meeting its reporting requirements under Section 808(e)(6) of the Fair Housing Act and Section 916 of the HCDA of 1992. All Federal agencies administering programs subject to Davis-Bacon wage provisions are required by Department of Labor (DOL) regulations (29 CFR Part 5, Section 5.7(b)) to submit a report of all new covered contracts/projects and all enforcement activities each six months. In order for HUD to comply with this requirement, it must collect contract and enforcement information from local agencies that administer HUD-assisted programs subject to Davis-Bacon requirements. HUD requests that local agencies complete and submit a Semi-annual Enforcement Report each six months.

Local agencies and HUD must retain a copy of the Semi-annual Enforcement Report in its files.

*Please follow these instructions while compiling the **Semi-Annual Labor Standards Enforcement Report for Local Contracting Agencies (HUD Programs) (form HUD-4710)**.*

Introduction

Department of Labor (DOL) Regulations 29 CFR §5.7(b) require Federal agencies administering programs subject to Davis-Bacon and Related Act (DBRA) and Contract Work Hours and Safety Standards Act (CWHSSA) labor standards to furnish a Semi-Annual Labor Standards Enforcement Report to the Administrator of the Wage and Hour Division. Some HUD programs are administered by state and local agencies for labor standards compliance. HUD must collect information from such agencies in order to capture enforcement activities for all HUD programs in its reports to DOL.

Reporting Periods: **Period 1 October 1 through March 31**
Period 2 April 1 through September 30

Report Format: Each agency report consists of two parts:

Part I concerns contracting activity for work awarded during the reporting period;
Part II concerns enforcement activity for all contracts, regardless of the award date.

The HUD Labor Relations staff for your area will send a courtesy reminder shortly before the due date about preparing the report and will remind you of the date your report is due. However, you should maintain accurate records throughout the year of relevant contract information so that you can submit the report timely.

Definitions and Guidance

Part II - Enforcement Activity - This part concerns *all* enforcement activity no matter when the contract was awarded or construction began.

(c) At the request of the contracting agency, this organization shall request each employment agency, labor union, or authorized representative for a statement that it will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of this organization's obligations herein.

(d) Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions.
