I. SUBRECIPIENT PROGRAM

The Subrecipient will be responsible for performing the activities detailed in Schedule A and incorporated herein ("Subrecipient Program Description"). Activities to complete tasks and produce deliverables contained in the Subrecipient Program Description, must be conducted in a manner satisfactory to the Grantee and in compliance with applicable federal and state requirements, laws and regulations, and will be funded on a reimbursement basis. The Grantee will monitor the performance of the Subrecipient against goals and performance standards as stated in the Subrecipient Program Description. The Subrecipient must perform (and document to the Grantee) the entire Subrecipient Program Description, even if the funds provided hereunder do not cover 100% of the costs of performance. Standard performance as reasonably determined by the Grantee, in its sole discretion, will constitute noncompliance with this Agreement. If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time (as determined by the Grantee) after being notified by the Grantee, the Grantee may chose not to reimburse the Subrecipient for noncompliant and/or unallowable work and/or take action to suspend or terminate this Agreement or other actions as permitted under applicable law. Nothing in this Agreement shall waive or otherwise limit the actions Grantee may take or the remedies Grantee may seek as a

result of any noncompliance by Subrecipient, including but not limited to suspending or debarring the Subrecipient from future State benefits.

II. TERM

The period of performance for all activities (with the exception of those activities required for the close out and final audit) assisted pursuant to this Agreement shall commence as of March 1, 2014 and shall end on April 30, 2015. Any funds not properly used by the end of the term, unless approved otherwise in writing by the Grantee, promptly shall be remitted, in full and without off-set or deduction, to the Grantee.

III. BUDGET

The Grantee may require a detailed budget breakdown, and the Subrecipient shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the Grantee. Any change to the Amount of Grant Funds must be approved in writing by both the Grantee before such changes are allowed and reimbursable.

IV. GRANT FUNDS

It is expressly agreed and understood that the total amount to be paid by the Grantee under this Agreement shall not exceed \$ «Dollar» Dollars ("Grant Funds"). The amount of Grant Funds that the Grantee has agreed to provide the Subrecipient under this Agreement is expressly conditioned upon the Grantee's receipt of such funds from HUD pursuant to the Act. The Grantee reserves the right to reduce the Grant Funds if funding from HUD is not provided at the currently anticipated levels and/or if the actual costs for the approved activities are less than those set forth in the Budget.

In the event the Subrecipient is awarded, granted, or provided with additional funds from any other source, which may include, in part or whole, aspects related to the Grantee Program of this Agreement, Subrecipient shall immediately notify Grantee of such funds, the amount, the source, and the conditions for their use. Subrecipient further agrees to provide any additional information Grantee requests related to such funds.

V. DISBURSEMENT OF GRANT FUNDS

- a) The Subrecipient is required to submit a request for Grant Funds in accordance with the provisions of this Agreement, program guidelines and the program policy and procedures which are established by the Grantee. No payment by the Grantee of an improper, unauthorized or unallowable request shall constitute a waiver of the Grantee's right, whether before, during or after making any payment, to: (i) challenge the validity of such payment; (ii) enforce all rights and remedies set forth in this Agreement or provided under applicable law; (iii) require and receive a full repayment or refund of all payments made under this Agreement or (iv) take

corrective or remedial administrative action including, without limitation, suspension or termination of the Subrecipient's funding under this Agreement.

- c) The use of Grant Funds is conditioned upon the Subrecipient incurring allowable costs permitted under the terms of this Agreement or as otherwise pre-approved, in writing, by the Grantee. The Subrecipient shall not be reimbursed for any costs until all environmental conditions of 24 CFR Part 58 have been fully satisfied and the Grantee has issued the environmental clearance required thereunder, unless the activity is exempt under section 58.34 or falls under a categorical exclusion listed in section 58.35(b).
- d) In the event cognizant State or Federal Government authorities disallow any of the costs incurred by the Subrecipient, the Subrecipient shall immediately remit any funds received by the Subrecipient for the unallowable costs to the Grantee. The Subrecipient may request the Grantee challenge the State or Federal determination and pursue other legal recourse to secure these funds, however, the Grantee maintains the sole discretion in deciding whether to pursue such funds, may request the Subrecipient pay any costs associated with such effort, and may require that the Subrecipient return the questioned funds until a final outcome is reached.

As used in this Agreement, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. The Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

HTFC values affording minority- and women-owned business enterprises (M/WBEs) the opportunity to participate in the performance of the contract to be awarded for this project. Accordingly, the Subrecipient asserts that they have made and will continue to make good-faith efforts to promote and assist the participation of certified M/WBEs that maintain and/or enhance the value of their proposals as subcontractors and suppliers on this project, in an amount equal to ten percent (10%) MBE and ten percent (10%) WBE of the total dollar value of this project. These participation goals shall be applicable to the contract as a whole and will be monitored by HTFC.

The Subrecipient shall complete the Staffing Plan, PROC-1 form, attached hereto as Exhibit A. Thereafter, this information is to be submitted on a quarterly basis during the term of this Agreement to report the actual workforce utilized in the performance of this Agreement by the specified categories listed including ethnic background, gender, and Federal occupational categories. The Quarterly Workforce Report, PROC-5 form, attached hereto as Exhibit B, must be submitted to report this information for the quarters ending March 31st, June 30th, September 30th and December 31st. Quarterly Workforce Reports shall be submitted, in PDF format, to OFHEO1@nyshtcr.org by April 10th, July 10th, October 10th, and January 10th.

The Subrecipient shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. The Subrecipient shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also

follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Pursuant to New York State ("NYS") Executive Law Article 15-A, the Subrecipient recognizes its obligation under the law to promote opportunities for maximum feasible participation of NYS certified minority- and women-owned business enterprises ("MWBEs") in the performance of the Subrecipient's contracts. For purposes of this Agreement, the Subrecipient will fulfill its MWBE participation goals by directly contracting with NYS Certified MWBE firms.

3. Access to Records

The Subrecipient shall furnish and cause each of its own Subrecipients or subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by the Grantee, HUD or its agent, the Comptroller General of the United States, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations and provisions stated herein.

4. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

The Subrecipient will, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient, state that it is an Equal Opportunity or Affirmative Action employer.

5. Subcontract Provisions

The Subrecipient will include the provisions of Paragraphs X.A, Civil Rights, and B, Affirmative Action, in every subcontract or purchase order, specifically or by reference, so that such provisions will be binding upon each of its own Subrecipients or subcontractors.

C. Employment Restrictions

1. Prohibited Activity

The Subrecipient is prohibited from using funds provided herein or personnel employed in the administration of the program for: political activities; inherently religious activities; lobbying; political patronage; and nepotism activities.

2. Labor Standards

The Subrecipient agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.) and all other applicable Federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement. The Subrecipient agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and its implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. The Subrecipient shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to the Grantee for review upon request. The Subrecipient agrees that, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, all contractors engaged under contracts in excess of \$2,000.00 for construction, renovation or repair work financed in whole or in part with assistance provided under this Agreement, shall comply with Federal requirements adopted by the Grantee pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Subrecipient of its obligation, if any, to require payment of the higher wage. The Subrecipient shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

3. "Section 3" Clause

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be a condition of the Federal financial assistance provided under this Agreement and binding upon the Grantee, the Subrecipient and any of the Subrecipient's Subrecipients and subcontractors. Failure to fulfill these requirements shall subject the Grantee, the Subrecipient and any of the Subrecipient's Subrecipients and subcontractors, their successors and assigns, to those sanctions specified by the agreement through which Federal assistance is provided. The Subrecipient certifies and agrees that no contractual or other disability exists that would prevent compliance with these requirements.

The Subrecipient further agrees to comply with these "Section 3" requirements and to include the following language in all subcontracts executed under this Agreement:

"The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located."

The Subrecipient further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

The Subrecipient certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. Notifications

The Subrecipient agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker's representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

c. Subcontracts

The Subrecipient will include this Section 3 clause in every subcontract and will take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by HUD. The Subrecipient will not subcontract with any entity where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135 and will not let any subcontract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

D. Conduct

1. Hatch Act

The Subrecipient agrees that no funds provided, nor personnel employed under this Agreement, shall be in any way or to any extent engaged in the conduct of political activities in violation of Chapter 15 of Title V of the U.S.C.

2. Conflict of Interest

The Subrecipient agrees to abide by the provisions of 24 CFR 85.36 and 570.611, which include (but are not limited to) the following:

- b. In the event the Subrecipient is not, the Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of this Agreement. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

c. No covered persons who exercise or have exercised any functions or responsibilities with respect to CDBG-DR assisted activities, or who are in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in any contract, or have a financial interest in any contract, subcontract, or agreement with respect to the CDBG-DR assisted activity, or with respect to the proceeds from the CDBG-DR assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for a period of one (1) year thereafter. For purposes of this paragraph, a "covered person" includes any person who is an employee, agent, consultant, officer, or elected or appointed official of the Grantee, the Subrecipient, or any designated public agency.

5. Lobbying

The Subrecipient hereby certifies that:

a. To the best of its knowledge and belief, no Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement;

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Agreement;

c. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

d. It has and will comply with Section 139-j and 139-k of the State Finance Law.

e. It will require that the language of paragraphs (a) through (e) of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Subrecipients shall certify and disclose accordingly

6. Copyright

If this Agreement results in any copyrightable material or inventions, the Grantee and/or HUD reserves the right to royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use and to authorize others to use, the work or materials for governmental purposes. This clause shall survive indefinitely the termination of this Agreement for any reason by either Party.

EXHIBIT A

Subrecipient Program Description

The Health & Welfare Council of Long Island

March 2014

The Health and Welfare Council of Long Island (HWCLI) is a 67-year old, regional human service provider, planner, convener and leader with a membership of health and human service agencies. HWCLI serves the interests of poor and vulnerable people on Long Island by convening, representing, and supporting the organizations that serve them; and through

- Illuminating the issues that critically impact them
- Organizing community and regional responses to their needs
- Advocacy, Research, and Policy Analysis
- Providing services, information and education

As the umbrella agency for health and human service providers, part of HWCLI's role is to facilitate regional planning for health and human service providers, to ensure that adequate, relevant resources and supports are available to those most vulnerable and at-risk. In this role, HWCLI is uniquely qualified to play a role in disaster planning, response and recovery. First responders play a very clear role in a disaster-one that has a definitive beginning and end, but health and human service providers fill the role from response to long-term recovery. While every disaster is unique, there are consistent services that are necessary: housing, food, mental health, disaster case management, etc. These critical services are provided by the voluntary health and human service sector.

Following a national model of disaster recovery, HWCLI established the Long Island Voluntary Organizations Active in Disaster (LIVOAD) in December 2001 in response to 9/11 to coordinate a regional network of agencies in an attempt to bolster and support government efforts for regional response operations, planning and recovery. HWCLI provides oversight and direction for the LIVOAD to facilitate collaborative activities between government and the human service sectors that create greater capacity in both sectors to provide those most vulnerable with information, resources, education, training and assistance before and after a large scale disaster. The LIVOAD has "stood up" and eased operations since 9/11 in response to the economic disaster of 2007/2008 and after Tropical Storm Irene. While all of these previous disasters necessitated a LIVOAD response by local organizations, in many ways these responses were a warm up or practice for the magnitude of the Sandy recovery effort.

Due to the fact that HWCLI was still convening the LIVOAD in response to Irene, HWCLI was able to organize the long-standing partners quickly and easily as it became clear that Long Island was going to experience a significant storm. As Long Island transitioned from emergency response to recovery, HWCLI and the LIVOAD followed national disaster models and established a Superstorm Sandy Long Term Recovery Group (LTRG) to mobilize and operationalize organizations for the long term recovery of Long Island's communities. An Executive Committee was convened to advise the LTRG and created the following mission:

To provide recovery services to individuals and families affected by Hurricane Sandy in Nassau and Suffolk Counties. Services will be provided regardless of the individuals' race, creed, color, gender, disability, sexual preference or religious preference. The Long Island Long Term Recovery Group strives to see all of its fellow residents fully recovered from the disaster with a priority given to at-risk and vulnerable residents including low-income, seniors, and people with disabilities.

Since Sandy first hit, the LTRG has grown to include approximately 150 governmental and non-governmental agencies that meet weekly by telephone and every other week in person. The LTRG has established 8 subcommittees including Disaster Case Management, Construction, Housing, Legal Issues, Health and Safety, Volunteer Management, and Unmet Needs Roundtable. Unmet Needs Roundtables, commonly used following federally declared disasters, bring together donors and case workers to financially assist those impacted by the disaster, provide emergency assistance, and facilitate victims' long-term recovery in cases when all other means of assistance have been exhausted. Disaster case workers already working with disaster survivors are trained to identify potential unmet needs and to present the case to the round table of funders who determine if they will fund that need based on predetermined criteria. The funding is provided directly to the vendor (i.e. mental health provider, roof contractor, refrigerator vendor, etc.) providing a transparent and traceable system for helping. Every dollar goes directly to assist families in returning to self-sufficiency and long-term stability.

The full LTRG meets monthly and more as necessary and the subcommittees meet throughout the month. All LTRG members receive weekly updates. HWCLI and the LTRG continues to be a communications and coordinating network ensuring a regional umbrella of cooperation and collaboration over all local and community recovery efforts.

Through its network of state and national partners, LTRG connected with World Renew's Disaster Response Services (greenshirts.org) to assist LI in assessing storm related needs after Tropical Storm Irene. World Renew Disaster Response Services (DRS) works in partnership with the National Voluntary Organizations Active in Disaster (NVOAD) and Church World Service (CWS) to respond to disasters by supporting local VOADS. Six months after Sandy hit, the "Green Shirts" volunteers canvased south shore assisted the LTRG in identifying Sandy survivors in need and connecting them to Disaster Case Management (DCM). After two experiences (Irene and Sandy) working with the "Green Shirts", HWCLI and the LTRG members have learned from these internationally known disaster recovery experts on best practices on community canvassing, communications and connecting disaster survivors to resources.

HWCLI will utilize these strategies to outreach to and target Low- and Moderate-Income (LMI) households in hard hit communities. To this end, HWCLI will undertake the following:

Activities

Outreach

1. Outreach to Current Client Base: Cross-check the CAN (DCM system) and NY RISING. DCM agencies will follow-up with clients that have not applied yet for NYRISING and qualify as LMI. If they are in/near the community event areas, DCM's will encourage them to attend to complete the application. Households targeted for direct outreach will be identified as LMI households through FEMA data.

2. Community-Specific Outreach: Cross check the FEMA registrant lists (extracting LMI specific households from the hardest hit and highest LMI communities: Long Beach, Babylon, Lindenhurst, Mastic Beach). Canvass at minimum 3,000 LMI households in Amityville, Copiague, Long Beach, Babylon, Lindenhurst, Shirley and Mastic Beach. Distribute materials including the program end date, a phone number to call for more information (the State "800" number and outreach the date/time of local outreach events. If an individual requests a home visit, the information will be immediately shared with partnering DCM agencies and follow-up will take place within 48 hours.

3. Ongoing Outreach: Continue outreach to the LMI population after the deadline passes to ensure they are connected with any and all additional resources to assist with their recovery (disaster case management, mental health services, financial support through the unmet needs roundtable, etc.).

Communications

1. Client Follow-up: 211 will follow-up with all canvassed households. Call at minimum 3,000 LMI canvassed households and direct them to community events and/or connect with a disaster case manager to complete home visit. Staff will make three attempts to reach each household. If the homeowner is interested in completing the application, but unable to get to one of the community events (and is in need of a home visit), the names will be transferred daily to the LTRG for follow-up within the next 48 hours.

Enrollment

1. Events: Hold a minimum of eight (8) enrollment events in Long Beach (Saturday, March 22nd, Thursday, March 27th and Saturday, March 29th). Lindenhurst/Babylon (Saturday, March 29th, Friday, April 4th and Saturday, April 5th) and Mastic Beach (Saturday, April 5th and Monday, April 7th).

Reporting

1. Low- and Moderate-Income (LMI) Tracking: Track outreach calls, contacts by phone, in-person contacts, and referrals by LMI status. Verify and report LMI status of individuals contacted and assisted.

Specific Outcomes Include:

Staffing

- Project Coordination: There will be a Project Coordinator overseeing all components of the project from scope, to implementation to assessment. The coordinator will receive operational and fiscal support.
- Canvassing: There will be team leaders administering and overseeing the canvassing component for each targeted community and a minimum of 10 people canvassing each community.
