Re: Request for Qualifications for Community Development Block Grant-Disaster Recovery, Advisory and Project Management Support, RFQ #201411\_027

Dear Mr. Bell:

Thank you for submitting a response to the December 3, 2014 Request for Qualifications for Community Development Block Grant-Disaster Recovery, Advisory and Project Management Support. This RFQ was issued by the Governor's Office of Storm Recovery (GOSR) of the Housing Trust Fund Corporation (Corporation).

After a review of all the responses, I am pleased to inform you that TELACU Construction Management has been selected to provide services under Task 2, 3, 4 and 5 to the Corporation, subject to execution and delivery of a contract by GOSR that includes all Federal and New York State terms, conditions and appendices included in the RFQ. This award is also subject to an in-person interview in New York with the principals of your firm. We request that this interview be scheduled within the next two weeks. You may arrange this interview by contacting Ms. Shin Kim at [shin.kim@stormrecovery.ny.gov](mailto:shin.kim@stormrecovery.ny.gov).

As set forth in the RFQ, the Corporation reserves the right to award a contract to multiple offerors; based upon our review of proposals, it was in the best interest of the Corporation to make these awards. As such, this award neither requires your immediate performance of any activities nor obligates any funds to your company. As GOSR determines a need for specific activities under the above-referenced contract, GOSR anticipates including additional scopes of work and awarding task orders for such activities through a mini-bid selection process.

Notwithstanding the foregoing, please be advised that GOSR reserves the right to withdraw this award at any time prior to the execution and delivery of the contract, in GOSR's sole discretion (and for any reason or no reason). In event of any such withdrawal of this award, GOSR reserves the right, in its sole discretion, to award to any of the other parties who submitted bids for these services or to solicit bids from other parties.

We look forward to working with you (subject to the foregoing) and will contact you shortly to discuss the contract and the intended allocation and initiation of services.

Sincerely,

Lisa Bova-Hiatt  
Acting Chief Operations Officer
