

Invitation to Attend a NY Rising Communities Public Meeting for the Towns of Jay and Keene

Tuesday, May 13, 2014
6:00-8:00 PM

JEMS Theater | Jay, NY

The NY Rising Community Reconstruction (NYRCR) Program is helping communities impacted by Hurricane Irene, Tropical Storm Lee, and Superstorm Sandy to rebuild and become more resilient through community-driven plans.

Residents and stakeholders of the Towns of Jay and Keene are invited to participate in a public meeting to learn about the NYRCR Plan, the strategies and project that are included in the plan, and the next steps that will help Jay and Keene 'build back better'.

On April 23rd, Governor Cuomo announced that the Towns of Jay and Keene had received a **Rising to the Top** award, which increases the eligible amount of funding available to implement the NYRCR Plan from \$6 million to \$9 million!
