Housing Trust Fund Corporation (“HTFC” or “Owner”), acting through the Governor’s Office of Storm Recovery (“GOSR”), has entered into a Demolition Agreement with Contractor for demolition of certain property or properties acquired by GOSR through the Acquisition and Buyout Programs outlined in the New York State Action Plan for the U.S. Department of Housing and Urban Development (“HUD”) Community Development Block Grant Disaster Recovery (“CBCG-DR”) funds appropriated by the Disaster Relief Appropriations Act, 2013 (Pub. L. 113-2), though which Owner is undertaking programs in support of recovery, blight removal, disposition and redevelopment for those properties impacted by Superstorm Sandy, Hurricane Irene or Tropical Storm Lee.

Pursuant to the terms of the Demolition Agreement, Contractor must comply, and cause its subcontractors and their lower-tiered subcontractors to comply, with certain federal and state requirements as set forth in these GOSR Supplementary Conditions for Contracts (these “Supplementary Conditions”). Subject to the applicable requirements of the Demolition Agreement, Contractor will use its own form contracts and other project agreements for each Project. However, as a condition to receiving CDBG-DR funds for the Project, Contractor is required to include these Supplementary Conditions in each subcontract (each, a “Project Contract”) which it enters into for the applicable Project and to require all subcontractors to include these Supplementary Conditions in every subsequent lower-tiered subcontract so that such provisions are binding upon each subcontractor and lower-tiered subcontractor. Among other things, as set forth more specifically below, these Supplementary Conditions (a) include GOSR requirements which may not otherwise be included in the Project Contract; (b) define the order of precedence for the interpretation and enforcement of the various parts and provisions of the Project Contract (including these Supplementary Conditions); and (c) add certain other provisions which GOSR deems necessary or desirable for the orderly administration and enforcement of each Project Contract. For purposes of Subcontractor’s compliance with these Supplementary Conditions, references to Contractor in the following Parts shall be deemed to refer to Subcontractor, and references to Owner shall be deemed to refer to Contractor.

Accordingly, Contractor and Subcontractor have signed below to evidence their agreement to (a) incorporate into each Project Contract these Supplementary Conditions (which shall be deemed “Contract Documents” under the applicable Project Contract), (b) include these Supplementary Conditions in all subcontracts under the applicable Project Contract, and (c)

require that all lower-tiered subcontractors reproduce these Supplementary Conditions in all subsequent lower-tiered subcontracts under each Project Contract.

PART 1

ORDER OF PRECEDENCE OF DOCUMENTS

In the event of a conflict between the terms of these Supplementary Conditions and the terms of the remainder of the applicable Project Contract (including any other attachments thereto and amendments thereof), the terms of these Supplementary Conditions shall control.

The Demolition Agreement and these Supplementary Conditions contain some provisions which overlap or deal with the same subject matter. In such cases the terms of these Supplementary Conditions shall be construed to add to, embellish, and/or supplement the terms of the Demolition Contract (and not to restrict or inhibit the same). Any question as to a perceived conflict or inconsistency between the terms of the Demolition Agreement and the terms of these Supplementary Conditions shall be submitted by Contractor to the GOSR Referee, who shall decide the applicable question.

In the event of a conflict among the requirements found in these Supplementary Conditions, which conflict would make it impossible to comply with all of the requirements set forth herein, the provisions shall be applied with the following priority: (1) the HUD General Provisions; then (2) the HTFC M/WBE Requirements; then (3) the HTFC Standard Clauses; then (3) the Required Contract Terms; and the remaining requirements shall be interpreted in a manner so as to allow for the terms contained therein to remain valid and consistent with such superseding provisions. If any provision of these Supplementary Conditions relates to a matter embraced by another provision(s) of these Supplementary Conditions but is not in conflict therewith, all such provisions shall apply. Any question as to which requirements control in a particular instance which cannot be resolved by Subcontractor and Contractor shall be submitted in writing (indicating the issue and the applicable provisions) by Contractor to the GOSR Referee, who shall decide the applicable question.

PART 2

In addition, all insurance carriers and bonding companies shall meet minimum size and financial stability/financial rating requirements as set forth in the Demolition Agreement or as otherwise imposed by Owner from time to time.

B. Civil Rights

1. Compliance

Contractor agrees to comply with the New York State Human Rights Law and with Title VI of the Civil Rights Act of 1964, as amended, Title VIII of the Civil Rights Act of 1968 as amended, Section 104(b) and Section 109 of Title I of the Housing and Community Development Act of 1974 as amended, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, Executive Order 11063, and Executive Order 11246 as amended by Executive Orders 11375, 11478, 12107, and 12086.

2. Nondiscrimination

Contractor agrees to comply with the non-discrimination in employment and contracting opportunities laws, regulations, and executive orders referenced in 24 CFR 570.607, as revised by Executive Order 13279. The applicable non-discrimination provisions in Section 109 of the HCD Act are still applicable.

3. [Omitted Without Implication]

4. Section 504

Contractor agrees to comply with all Federal regulations issued pursuant to Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), which prohibits discrimination against individuals with disabilities or handicaps in any Federally assisted program. Owner shall provide Contractor with certain guidelines for compliance with that portion of the regulations in force during the term of the Demolition Agreement, and Contractor shall provide Subcontractor with any guidelines relevant to the Project Contract.

C. Affirmative Action

1. Approved Plan

Contractor agrees that it shall be committed to carry out, pursuant to Owner's specifications, an Affirmative Action Program in keeping with the principles as provided in Executive Order 11246 of September 24, 1965. Owner shall provide certain Affirmative Action guidelines to Contractor

to assist in the formulation of such program. Contractor shall submit a plan for an Affirmative Action Program for approval prior to the award of funds. Contractor shall provide Subcontractor with any requirements of such Affirmative Action Program relevant to the Project Contract.

2. Minority- and Women-Owned Businesses (M/WBE)

a. Federal Requirements

Contractor shall comply with the small and minority firms, women's business enterprise, and labor surplus area requirements as set forth at 24 CFR 85.36 or 84.44, as applicable.

Contractor will use its best efforts to afford small businesses, minority business enterprises, and women's business enterprises the maximum practicable opportunity to participate in the performance of the Project Contract. As used in these Required Contract Terms, the terms "small business" means a business that meets the criteria set forth in section 3(a) of the Small Business Act, as amended (15 U.S.C. 632), and "minority and women's business enterprise" means a business at least fifty-one (51) percent owned and controlled by minority group members or women. For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed, or Spanish-heritage Americans, Asian-Americans, and American Indians. Contractor may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

b. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A ("Article 15-A"), HTFC recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and/or women-owned business enterprises ("M/WBEs") in the performance of certain HTFC-funded demolition agreements, and all HTFC-funded contracts and subcontracts. HTFC values affording M/WBEs the opportunity to participate in the performance of these demolition agreements, contracts and subcontracts to be awarded under this project. Accordingly, Contractor certifies that it has made and will continue to make good-faith efforts to promote and assist the participation of certified M/WBEs through the use of non-governmental contractors and their subcontractors at all tiers on this project, in an amount equal to ten percent (10%) minority-owned business enterprises ("MBE") and ten percent (10%) women-owned business enterprises ("WBE") of the total dollar value of this project. These participation goals are applicable to the Project Contract as set forth in Part 4 of these Supplementary Conditions and will be monitored by HTFC.

Contractor and its subcontractors at all tiers shall comply with the aforementioned M/WBE requirements as set forth in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, attached hereto as Part 4 of these Supplementary Conditions. In accordance with those requirements, Contractor shall submit and shall require all covered subcontractors at all tiers to submit the required M/WBE documentation, including utilization plans and quarterly reports, to Owner.

Contractor shall provide quarterly reporting of M/WBE data in a form acceptable to Owner, which may require Contractor to consolidate all reports received from subcontractors and lower-tiered subcontractors into a single report or several reports as

reasonably requested by Owner with copies of subcontractor and lower-tiered subcontractor M/WBE documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Contractor and its subcontractors at all tiers shall maintain copies of all reports and supporting documents as set forth in these Required Terms.

3. Equal Employment Opportunity (“EEO”) and Non-Discrimination

a. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

Contractor will, in all solicitations or advertisements for employees placed by or on behalf of Contractor, state that it is an Equal Opportunity or Affirmative Action employer.

b. Non-Discrimination

Contractor shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. Contractor shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status, or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

c. HTFC Requirements

Pursuant to New York State Executive Law Article 15-A (“Article 15-A”), HTFC recognizes its obligation under the law to promote opportunities for the employment of minority group members and women in the performance of HTFC-funded contracts.

Contractors and its subcontractors at all tiers shall comply with the equal employment opportunity (“EEO”) requirements found in the Participation by Minority Group Members and Women Requirements and Procedures for Contracts with Housing Trust Fund Corporation, attached hereto as Part 4 of these Supplementary Conditions. In accordance with those requirements, Contractor shall submit and shall require all covered subcontractors at all tiers to submit the required documentation, including an EEO policy statement, staffing plan, and quarterly reports to Owner. Contractor shall provide quarterly reporting of EEO data in a form acceptable to Owner, which may require Contractor to consolidate all reports received from subcontractors and lower-tiered subcontractors into a single report or several reports as reasonably requested by Owner, with copies of subcontractor and lower-tiered subcontractor EEO documentation as supporting documentation. Notwithstanding the provision of such reports and supporting documentation, Contractor and its subcontractors at all tiers shall maintain copies of all reports and supporting documents as set forth in these Required Terms.

4. Retention

Contractor shall retain all records pertinent to these Required Terms for a period of five (5) years. The retention period begins on the date of the submission of HTFC’s annual performance and evaluation report to HUD in which the activities assisted under the Demolition Agreement are reported on for the final time. Notwithstanding the above, if there is litigation, claims, audits,

negotiations, or other actions that involve any of the records cited and that have started before the expiration of the five-year period, then all such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five-year period, whichever occurs later.

5. Access to Records

Contractor shall furnish and cause each of its subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by Owner, HTFC, HUD or its agent, the Comptroller General of the United States, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein.

D. Employment Restrictions

1. Labor Standards

Contractor agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act, as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327 et seq.), and all other applicable Federal, state, and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of the Project Contract. Contractor agrees to comply with the Copeland Anti-Kick Back Act (18 U.S.C. 874 et seq.) and its implementing regulations of the U.S. Department of Labor at 29 CFR Part 5. Contractor shall maintain documentation that demonstrates compliance with hour and wage requirements of this part. Such documentation shall be made available to Owner and HTFC for review upon request. If Contractor is engaged under a contract in excess of \$2,000.00 for construction, renovation, or repair work financed in whole or in part with assistance provided under the Demolition Agreement, Contractor agrees, except with respect to the rehabilitation or construction of residential property containing less than eight (8) units, to comply and to cause all subcontractors engaged under such contracts to comply with Federal requirements adopted by HTFC pertaining to such contracts and with the applicable requirements of the regulations of the Department of Labor, under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journey workers; provided that, if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve Contractor of its obligation, if any, to require payment of the higher wage. Contractor shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

2. "Section 3" Clause

a. Compliance

Compliance with the provisions of Section 3 of the HUD Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of the Project Contract, shall be a condition of the Federal financial assistance provided under the Demolition Agreement and binding upon HTFC, Contractor, and any of Contractor's subcontractors and lower-tiered subcontractors. Failure to fulfill these requirements shall subject HTFC, Contractor, and any of Contractor's subcontractors and lower-tiered subcontractors, as well as their successors and assigns, to those sanctions specified by the agreement through which Federal assistance is provided. Contractor certifies and agrees that no contractual or other

disability exists that would prevent compliance with these requirements.

Contractor further agrees to comply with these “Section 3” requirements and to include the following language in all subsequent contracts, and subcontracts executed under the Project Contract:

“The work to be performed under this Agreement is a project assisted under a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701). Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located.”

Contractor further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the CDBG-DR funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

Contractor certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.

b. Notifications

Contractor agrees to send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising said labor organization or worker’s representative of its commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

c. Contracts

Contractor will take appropriate action, pursuant to any such agreement, upon a finding that a subcontractor or lower-tiered subcontractor is in violation of regulations issued by HUD. Contractor will not subcontract with any entity where it has notice or knowledge that the entity has been found in violation of regulations under 24 CFR Part 135, and will not let any subcontract unless the entity has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

d. Reporting

Irrespective of any applicable Federal reporting requirements, Contractor shall submit quarterly reports along with any supporting documentation, in a form acceptable to Owner, of its Section 3 compliance efforts to Owner. Contractor may be required to consolidate all reports received from contractors, subcontractors and lower-tiered subcontractors into a single report or several reports as reasonably requested by Owner. Notwithstanding the provision of such reports and supporting documentation, Contractor shall maintain copies of all reports and supporting documents as set forth in these Required Terms.

3. **BREACH OF CONTRACT TERMS**

The State reserves its right to all administrative, contractual, or legal remedies, including but not limited to suspension or termination of this contract, in instances where the Contractor or any of its subcontractors violate or breach any contract term. If the Contractor or any of its subcontractors violate or breach any contract term, they shall be subject to such sanctions and penalties as may be appropriate. The duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

4. **REPORTING REQUIREMENTS**

5. **ACCESS TO RECORDS**

The State, the U.S. Department of Housing and Urban Development, the Comptroller General of the United States, or any of their duly authorized representatives, shall have, at any time and from time to time during normal business hours, access to any work product, books, documents, papers, and records of the Contractor which are related to this contract, for the purpose of inspection, audits, examinations, and making excerpts, copies and transcriptions.

6. **MAINTENANCE/RETENTION OF RECORDS**

7. SMALL AND MINORITY FIRMS, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

The Contractor will take necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used in subcontracting when possible. Steps include:

- (i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

- (v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce.

(c) *Copyright.*

(1) *Data first produced in the performance of this contract.* (i) Unless provided otherwise in paragraph (d) of this clause, the Contractor may, without prior approval of HTFC, assert copyright in scientific and technical articles based on or containing data first produced in the performance of this contract and published in academic, technical or professional journals, symposia proceedings, or similar works. The prior, express written permission of HTFC is required to assert copyright in all other data first produced in the performance of this contract; (ii) When authorized to assert copyright to the data, the Contractor shall affix the applicable copyright notices of 17 U.S.C. 401 or 402, and an acknowledgment of HTFC sponsorship (including contract number); (iii) For data other than computer software, the Contractor grants to HTFC, and others acting on its behalf, a paid-up, nonexclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform publicly and display publicly by or on behalf of HTFC. For computer software, the Contractor grants to HTFC, and others acting on its behalf, a paid-up, nonexclusive, irrevocable, worldwide license in such copyrighted computer software to reproduce, prepare derivative works, and perform publicly and display publicly (but not to distribute copies to the public) by or on behalf of HTFC.

(2) *Data not first produced in the performance of this contract.* The Contractor shall not, without the prior written permission of HTFC, incorporate in data delivered under this contract any data not first produced in the performance of this contract unless the Contractor: (i) Identifies the data; and (ii) Grants to HTFC, or acquires on its behalf, a license of the same scope as set forth in paragraph (c)(1) of this clause or, if such data are restricted computer software, HTFC shall acquire a copyright license as set forth in paragraph (g)(4) of this clause (if included in this contract) or as otherwise provided in a collateral agreement incorporated in or made part of this contract.

(3) *Removal of copyright notices.* HTFC will not remove any authorized copyright notices placed on data pursuant to this paragraph (c), and will include such notices on all reproductions of the data.

(d) *Release, publication, and use of data.* The Contractor shall have the right to use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the Contractor in the performance of this contract, except: (1) As prohibited by Federal law or regulation (*e.g.*, export control or national security laws or regulations); (2) As expressly set forth in this contract; or (3) If the Contractor receives or is given access to data necessary for the performance of this contract that contain restrictive markings, the Contractor shall treat the data in accordance with such markings unless specifically authorized otherwise in writing by HTFC.

(e) *Unauthorized marking of data.*

(1) Notwithstanding any other provisions of this contract concerning inspection or acceptance, if any data delivered under this contract are marked with the notices specified in paragraph (g)(3) or (g) (4) if included in this clause, and use of the notices is not authorized by this clause, or if the data bears any other restrictive or limiting markings not authorized by this contract, HTFC may at any time either return the data to the Contractor, or cancel or ignore the markings. However, pursuant to 41 U.S.C. 253d, the following procedures shall apply prior to

canceling or ignoring the markings: (i) HTFC will make written inquiry to the Contractor affording the Contractor 60 days from receipt of the inquiry to provide written justification to substantiate the propriety of the markings; (ii) If the Contractor fails to respond or fails to provide written justification to substantiate the propriety of the markings within the 60-day period (or a longer time approved in writing by HTFC for good cause shown), HTFC shall have the right to cancel or ignore the markings at any time after said period and the data will no longer be made subject to any disclosure prohibitions; (iii) If the Contractor provides written justification to substantiate the propriety of the markings within the period set in paragraph (e)(1)(i) of this clause, HTFC will consider such written justification and determine whether or not the markings are to be cancelled or ignored. If HTFC determines that the markings are authorized, the Contractor will be so notified in writing. If HTFC determines, with concurrence of the head of the contracting activity, that the markings are not authorized, HTFC will furnish the Contractor a written determination, which determination will become the final agency decision regarding the appropriateness of the markings unless the Contractor files suit in a court of competent jurisdiction within 90 days of receipt of HTFC's decision. HTFC will continue to abide by the markings under this paragraph (e)(1)(iii) until final resolution of the matter either by HTFC's determination becoming final (in which instance HTFC will thereafter have the right to cancel or ignore the markings at any time and the data will no longer be made subject to any disclosure prohibitions), or by final disposition of the matter by court decision if suit is filed.

(2) The time limits in the procedures set forth in paragraph (e)(1) of this clause may be modified in accordance with agency regulations implementing the Freedom of Information Act (5 U.S.C. 552) if necessary to respond to a request thereunder.

(3) Except to the extent HTFC's action occurs as the result of final disposition of the matter by a court of competent jurisdiction, the Contractor is not precluded by paragraph (e) of the clause from bringing a claim, in accordance with the Disputes clause of this contract, that may arise as the result of HTFC removing or ignoring authorized markings on data delivered under this contract.

(f) Omitted or incorrect markings.

(1) Data delivered to HTFC without any restrictive markings shall be deemed to have been furnished with unlimited rights. HTFC is not liable for the disclosure, use, or reproduction of such data.

(2) If the unmarked data has not been disclosed without restriction outside HTFC, the Contractor may request, within 6 months (or a longer time approved by HTFC in writing for good cause shown) after delivery of the data, permission to have authorized notices placed on the data at the Contractor's expense. HTFC may agree to do so if the Contractor: (i) Identifies the data to which the omitted notice is to be applied; (ii) Demonstrates that the omission of the notice was inadvertent; (iii) Establishes that the proposed notice is authorized; and (iv) Acknowledges that HTFC has no liability for the disclosure, use, or reproduction of any data made prior to the addition of the notice or resulting from the omission of the notice.

(3) If data has been marked with an incorrect notice, HTFC may: (i) Permit correction of the notice at the Contractor's expense if the Contractor identifies the data and demonstrates that the correct notice is authorized; or (ii) Correct any incorrect notices.

(g) Protection of limited rights data and restricted computer software.

(1) The Contractor may withhold from delivery qualifying limited rights data or restricted computer software that are not data identified in paragraphs (b)(1)(i), (ii), and (iii) of this clause. As a condition to this withholding, the Contractor shall: (i) Identify the data being withheld; and (ii) Furnish form, fit, and function data instead.

(2) Limited rights data that are formatted as a computer database for delivery to HTFC shall be treated as limited rights data and not restricted computer software.

(h) *Subcontracting*. The Contractor shall obtain from its subcontractors all data and rights therein necessary to fulfill the Contractor's obligations to HTFC under this contract. If a subcontractor refuses to accept terms affording HTFC those rights, the Contractor shall promptly notify HTFC of the refusal and shall not proceed with the subcontract award without authorization in writing from HTFC.

(i) *Relationship to patents or other rights*. Nothing contained in this clause shall imply a license to HTFC under any patent or be construed as affecting the scope of any license or other right otherwise granted to HTFC.

The Contractor shall accept any reasonable conflict mitigation strategy employed by the State, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

16. SUBCONTRACTING

When subcontracting, the Contractor shall solicit for and contract with such subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include but are not limited to:

22. TERMINATION FOR CAUSE (Applicable to contracts exceeding \$10,000)

If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Contractor under this contract shall, at the option of the State, become the State's property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by the State by virtue of any breach of the contract by the Contractor, and the State may withhold any payments to the Contractor for the purpose of set-off until such time as the exact amount of damages due the State from the Contractor is determined.

23. TERMINATION FOR CONVENIENCE (Applicable to contracts exceeding \$10,000)

The State may terminate this contract at any time by giving at least ten (10) days' notice in writing to the Contractor. If the contract is terminated by the State as provided herein, the Contractor will be paid for the time provided and expenses incurred up to the termination date.

 4. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Deputy Assistant Secretary for Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The Contractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Contractor may have the notice read to a visually disabled individual, or may lower the posted notice so that it might be read by a person in a wheelchair).
 5. The Contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.
 6. The Contractor will include the provisions of this clause in every subcontract or purchase order in excess of \$10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Deputy Assistant Secretary for Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

During the performance of this contract, the Contractor agrees as follows:

- A. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- B. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by Contracting Officer setting forth the provisions of this non-discrimination clause. - D. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers representative of the contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- E. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.

- G. In the event of the Contractor's non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- H. Contractor shall incorporate the provisions of A through G above in every subcontract or

purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such subcontractor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

(Applicable to construction contracts exceeding \$10,000)

The Contractor certifies that it does not maintain or provide for its establishments, and that it does not permit employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this certification is a violation of the equal opportunity clause of this contract.

As used in this certification, the term “segregated facilities” means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin because of habit, local custom, or any other reason.

The Contractor further agrees that (except where it has obtained for specific time periods) it will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the equal opportunity clause; that it will retain such certifications in its files; and that it will forward the preceding notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).

- B. Contractor agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the Housing Trust Fund Corporation (“Corporation”), to fully comply and cooperate with the Corporation in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for certified minority and women- owned business enterprises (“MWBEs”). Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR §142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, State or local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non- responsiveness, non-responsibility and/or a breach of Contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to section VII of this Appendix II or enforcement proceedings as allowed by the Contract.

II. Contract Goals

- A. For purposes of this procurement, the Corporation hereby establishes an overall goal of 20% for Minority and Women-Owned Business Enterprises (“MWBE”) participation, 10% for Minority-Owned Business Enterprises (“MBE”) participation and 10% for Women-Owned Business Enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs).
- B. For purposes of providing meaningful participation by MWBEs on this Contract and achieving the Contract Goals established in section III-A, Contractor should reference the directory of New York State Certified MBWEs found at the following internet address: <http://www.empire.state.ny.us/MWBE/directorySearch.html> .

- C. Where MWBE goals have been established herein, pursuant to 5 NYCRR §142.8, Contractor must document “good faith efforts” to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of this Contract. In accordance with section 316-a of Article 15-A and

5 NYCRR §142.13, the Contractor acknowledges that if Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of Contract and the Contractor shall be liable to the Corporation for liquidated or other appropriate damages, as set forth herein.

III. Equal Employment Opportunity (EEO)

- A. Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the "Division"). If any of these terms or provisions conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.
- B. Contractor shall comply with the following provisions of Article 15-A:
 - 1. Contractor and Subcontractors shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

 - a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

1. ACCOUNTING RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance of work done for the Agency or Agencies under this Contract (hereinafter, collectively, "the Records") consistent with generally accepted bookkeeping practices. The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The Agency or Agencies involved in this Contract and any person or entity authorized to conduct an examination shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The Agency or Agencies shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform the Agencies' Senior Vice President and Counsel, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the Agency's or Agencies' right to discovery in any pending or future litigation.

2. CONFLICTS OF INTEREST. The Contractor shall not accept any engagement in conflict with the Agency's or Agencies' interest in the subject matter of this Contract.

The Servicer shall not offer to any employee, member or director of the Agency or Agencies' any gift, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could reasonably be inferred that the gift was intended to influence said employee, member or director, or could reasonably be expected to influence said employee, member or director, in the performance of the official duty of said employee, member or director or was intended as a reward for any official action on the part of said employee, member or director.

3. SUBCONSULTANTS. The Contractor shall not employ, contract with, or use the services of any consultant for the work of this Contract (except such third parties which may be used by the Contractor in

the normal course of business, such as couriers, imaging services, etc.) without obtaining the prior written approval of the Agency or Agencies.

4. NON-ASSIGNABILITY. This Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or disposed of without the previous consent in writing of the Agency or Agencies and any attempts to assign the Contract without the Agency or Agencies' written consent are null and void. However, this Contract shall be binding upon and inure to the benefit of the Agency or Agencies and its successors and assigns.

5. INDEMNITY. The Contractor shall indemnify and hold the Agency or Agencies and their employees, officers, Members and Directors (collectively, the "Indemnities") harmless from and against all claims, demands, liability, loss, cost, damage or expense, including attorney's fees, which may be incurred by the Indemnities because of negligence or malfeasance on the part of the Contractor arising out of this Contract.

The Contractor will bind all subcontractors hired to perform services in connection with this Contract to the requirements of this section, take such action for enforcement as the Commissioner may direct, and notify the Commissioner if such action results in litigation. This Contract may be terminated by the Agency or Agencies upon the Commissioner's finding of non-compliance with this section, and the Contractor may be declared ineligible for future contracts with an agency of the State or a public authority until the Contractor satisfies the Commissioner of compliance.

7. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.
