

The Governor's Office of Storm Recovery

Title: Program Administrator

About Us

Governor Cuomo created the Office of Storm Recovery in June 2013 to centralize recovery and rebuilding efforts in storm-affected municipalities throughout New York State. In close collaboration with local and community leaders in these areas, the Office, under the New York Rising umbrella, is working to respond to communities' most urgent rebuilding needs while also identifying long-term and innovative solutions to strengthen the State's infrastructure and critical systems for the future. New York Rising programs include: 1) the Housing Recovery program, which provides homeowners with assistance for home repairs/rehabilitation, mitigation and elevation, and buyouts; 2) the Small Business program, which includes small business grants of \$50,000 or more and low-interest loans for businesses recovering from the storms; and 3) the Community Reconstruction Program, which provides assistance through a community-driven initiative to develop distinct comprehensive recovery plans which increase resilience and economic development in the regions affected by these three storms.
