WHEREAS, HTFC is authorized to administer CDBG-DR funds in the State;

WHEREAS, HTFC seeks Contractor services in order to assist HTFC in administering these funds (Exhibit A) (also referred to herein as the “Scope of Services”);

WHEREAS, the Contractor is engaged in the business of providing the types of services set out in the Scope of Services of this Agreement;

WHEREAS, HTFC is the signatory to this Agreement, the Governor’s Office of Storm Recovery (“GOSR”) and its representatives shall administer the day-to-day activities and operations set forth herein and in any Task Order(s); and

NOW, THEREFORE, pursuant to and in consideration of the above, and other mutual covenants and obligations herein contained, it is

STIPULATED AND AGREED as follows:

1. General Obligations of the Contractor.

(a) This Agreement incorporates by reference as if set forth herein the Contractor's proposal dated August 26, 2014 and any subsequently submitted documents, communications and representations ("Proposal Documents") utilized by HTFC/GOSR in evaluating the Contractor for award of this Agreement.

(b) This Agreement sets forth the general terms and conditions governing the entire Scope of Services (Exhibit A) that HTFC/GOSR may seek and the actual Services obligated by HTFC pursuant to a properly executed Task Order. This Agreement alone does not obligate compensation to be paid by HTFC or Services to be performed the Contractor. Services and compensation for such Services shall only be obliged upon the proper and complete execution of a Task Order.

(c) The Contractor shall thoroughly familiarize itself with the nature and scope of the Scope of Services under this Agreement and with matters which may affect this Scope of Services, including the Law governing the Scope of Services and this Agreement. "Law" means all existing and future federal, state, and local statutes, laws, codes, ordinances, decrees, rules, regulations, requirements, required permits and licenses, and orders, of any governmental authority, entity, or agency whether federal, state, municipal, local, or other government body or subdivision, including the regulations governing CDBG-DR funds and the requirements for contracting with the State of New York. Some, but not all, of the requirements are incorporated by references in Appendix I – III. Any failure by the Contractor to thoroughly familiarize itself with and understand such matters shall not relieve the Contractor of its obligations under this Agreement or any Task Order hereunder.

(d) The Contractor shall perform the Services contained in any Task Order in a diligent, safe, and workmanlike manner that conforms to generally accepted industry and professional practices, and the care and skill ordinarily exercised, for such Services. The

Contractor will perform work under this contract by competent personnel under the management, supervision, and direction or employment of, the Contractor.

(e) The Contractor shall commit adequate resources to perform the Services.

2. General Obligations of HTFC/GOSR.

(a) HTFC agrees to compensate the Contractor for its performance of the Services under any proper and fully executed Task Order at the schedule set forth in the cognizant Task Order and at the rates established in Exhibit B (also referred to herein as the “Fee Schedule”). Contractor agrees that in no event will HTFC pay the Contractor more than \$5,000,000 (“Total Fee”) for the Services under all Task Orders under this Agreement. The Contractor under no circumstances shall exceed the Total Fee without a properly and fully executed modification placed against this Agreement. HTFC will not be obligated to remit payment to the Contractor for any fees or expenses (including termination costs and travel expenses) if to do so would exceed the Total Fee, and the Contractor shall not be obligated to continue performance if to do so would cause the Contractor’s fees to exceed the Total Fee, unless and until the Parties properly and fully execute a modification against this Agreement.

(b) HTFC/GOSR shall, in its sole discretion, determine the extent to which it will use the Services of the Contractor. This Agreement does not guarantee any minimum number of hours or amount of funds to be utilized over its term.

(c) Nothing herein is intended nor shall it be construed as creating any exclusive arrangement with the Contractor. The Contractor shall not restrict HTFC from contracting with other entities for any or all of the Services contained in the Scope of Services.

3. Task Order Contract. All Services and compensation shall be obligated pursuant to a Task Order, which shall include: 1) a Statement of Work that will set forth the specific Services and quantity of such Services; and 2) the compensation and payment schedule of such compensation based upon the fees set forth in the Fee Schedule at Exhibit B.

4. Period of Agreement. This Agreement shall commence as of the Effective Date and shall terminate one (1) year from the Effective Date. Any extension of this Agreement shall be mutually agreed to by the Parties in writing through a modification to the Agreement, as provided for in Appendix II. If the Agreement is not modified, unless otherwise instructed by

HTFC, by the end of the period of the Agreement, Contractor shall deliver any and all Property belonging to HTFC to a location designated by HTFC/GOSR. In addition, the Contractor, at no additional cost, shall: (a) cooperate fully at the direction of HTFC/GOSR in the orderly transition of the Services to its successor; and (b) undertake the orderly cessation of the Services. For the purposes of this provision, "Property" means all tangible and real property owned or leased by HTFC. HTFC property includes both HTFC/GOSR-furnished and Contractor-acquired property. HTFC property includes material, equipment, special tooling, special test equipment, and real property. Intellectual property shall be governed by Appendix I, Article 8.

5. Contractor Representations and Warranties. The Contractor represents, covenants and warrants that:

(c) The Contractor possesses the business, professional, and technical expertise, and training required to perform the Services;

(f) The Contractor and/or its facilities, employees, or agents, have been issued, as of the date of this Agreement and throughout the term of the Agreement, all material permits, licenses, certificates, or approvals required by applicable Law necessary to perform the Services; and

Contractor represents that HTFC/GOSR, for whatever purpose, may rely upon all such documents and the data therein as being complete and accurate. The Contractor agrees to promptly notify HTFC/GOSR upon discovery of any instances where the Contractor becomes aware of any discrepancies in relation to documents under this Section.

6. Inspection & Acceptance. The Contractor shall only tender for acceptance those items that conform to the requirements of this Agreement. HTFC/GOSR reserves the right to inspect or test any deliverables or Services that have been tendered for acceptance. HTFC/GOSR may require repair or replacement of nonconforming Services at no increase in compensation. If repair/replacement or reperformance will not correct the defects or is not possible, HTFC/GOSR may seek an equitable price reduction or adequate consideration for acceptance of nonconforming Services. HTFC/GOSR must exercise its post-acceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

7. Payment Process and Accounting Procedures.

- (a) Payment for all Services shall be made in United States currency.
- (b) Payment will be made upon receipt of an accurate and complete invoice (as provided in subsection 7(e)) from the Contractor for Services rendered, in conformance with the Task Order's payment schedule.
- (c) HTFC/GOSR reserves the right to refuse payment on any portion thereof, until such portion is acceptably presented.
- (d) Except as may be specifically provided in the Task Order, the Contractor is solely responsible for all the Contractor's costs and any other expenses necessarily and incidentally incurred in order to complete the Services.

8. Termination of Agreement.

(a) Termination for Cause. If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his obligations under this Agreement, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Agreement, HTFC shall thereupon have the right to terminate this Agreement by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) business days before the effective date of such termination. Notwithstanding the above, the Contractor shall not be relieved of liability to HTFC for damages sustained by HTFC by virtue of any breach of the Agreement by the Contractor, and HTFC may withhold any payments to the Contractor for the purpose of set-off until such time as the exact amount of damages due HTFC from the Contractor is determined.

(b) Termination for Convenience. HTFC may terminate this Agreement at any time by giving at least ten (10) business days' notice in writing to the Contractor. If this Agreement is terminated by HTFC as provided herein, the Contractor will be paid for the time provided and expenses incurred up to the termination date.

Notwithstanding the time periods set forth therein, Contractor shall maintain all records connected with this Agreement for a period of at least six (6) years following the date of final payment or the close-out of all pending matters or audits related to this Agreement, whichever is later.

11. Indemnity & Insurance.

(a) Indemnity: Contractor shall and hereby agrees to hold harmless, defend (with counsel acceptable to HTFC) and indemnify HTFC and each and all of its successors, affiliates, or assigns, and any of any of their employees, officers, directors, attorneys, consultants, agents, managers, and affiliates, from and against any and all damages, costs, attorneys' fees, claims, expenses, injuries, property damage, causes of action, violations of law, violations of this Agreement, and losses of any form or nature arising from or related to this Agreement, the Services or Scope of Services, any Task Order(s), or the conduct of Contractor or any subcontractor or supplier of any level or tier in connection with this Agreement, the Services or Scope of Services, or any Task Order(s). This indemnity shall expressly include, but is not limited to, the obligation of Contractor to indemnify and reimburse HTFC for any and all attorneys' fees and other litigation or dispute resolution costs incurred or to be incurred in HTFC's enforcement of this Agreement or any portion thereof against Contractor or otherwise arising in connection with this Agreement. This clause shall survive indefinitely the termination of this Agreement for any reason.

(b) Insurance: Contractor shall procure and maintain without interruption, at its sole cost and expense, insurance of the type, and with limits and deductibles, as follows:

12. Assignment and Subcontracting.

(a) The Parties' rights regarding assignment and subcontracting are subject to terms of Appendix II. The right to assign this Agreement or subcontract any of the Services under a Task Order to this Agreement is generally prohibited without prior written approval of HTFC.

(b) Any change of control by the Contractor, shall be deemed an assignment that requires prior written consent. A "change of control" includes any merger, consolidation, sale of all or substantially all of the assets or sale of a substantial block of stock of the Contractor.

(c) As part of any subcontract hereunder, after Contractor receives written approval, the Contractor must incorporate the terms of this Agreement in its subcontract, including those

If the Contractor does subcontract out any portion of the Services, after notice and consent are given, nothing contained in this Agreement or otherwise, shall create any contractual relationship between HTFC and the Contractor's subcontractors, and no subcontract shall relieve the Contractor of its responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to HTFC for the acts and omissions of its subcontractors of any level or tier and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of Contractor and for persons directly employed by the Contractor.

(d) The Contractor's obligation to pay its subcontractors is an independent obligation from HTFC's obligation to make payments to the Contractor. As a result, HTFC shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

13. Compliance with Law.

(a) The Contractor shall comply with all Law applicable to this Agreement and the Services performed hereunder.

(b) The Contractor shall promptly notify HTFC in writing upon discovery of any failure, or any allegation of any failure, of the Contractor to comply with any applicable Law relevant to the performance of Services or any requirement of this Agreement.

Restricted rights, as used in this clause, means the rights of the HTFC in restricted computer software, as set forth in a Restricted Rights Notice of paragraph (g) if included in this clause, or as otherwise may be provided in a collateral agreement incorporated in and made part of this contract, including minor modifications of such computer software.

Technical data, means recorded information (regardless of the form or method of the recording) of a scientific or technical nature (including computer databases and computer software documentation). This term does not include computer software or financial, administrative, cost or pricing, or management data or other information incidental to contract administration. The term includes recorded information of a scientific or technical nature that is included in computer databases (See 41 U.S.C. 403(8)).

Unlimited rights means the rights of HTFC to use, disclose, reproduce, prepare derivative works, distribute copies to the public, and perform publicly and display publicly, in any manner and for any purpose, and to have or permit others to do so.

(b) *Allocation of rights.*

(1) Except as provided in paragraph (c) of this clause, HTFC shall have unlimited rights in:
(i) Data first produced in the performance of this contract; (ii) Form, fit, and function data delivered under this contract; (iii) Data delivered under this contract (except for restricted

computer software) that constitute manuals or instructional and training material for installation, operation, or routine maintenance and repair of items, components, or processes delivered or furnished for use under this contract; and (iv) All other data delivered under this contract unless provided otherwise for limited rights data or restricted computer software in accordance with paragraph (g) of this clause.

(2) The Contractor shall have the right to: (i) Assert copyright in data first produced in the performance of this contract to the extent provided in paragraph (c)(1) of this clause; (ii) Use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the Contractor in the performance of this contract, unless provided otherwise in paragraph (d) of this clause; (iii) Substantiate the use of, add, or correct limited rights, restricted rights, or copyright notices and to take other appropriate action, in accordance with paragraphs (e) and (f) of this clause; and (iv) Protect from unauthorized disclosure and use those data that are limited rights data or restricted computer software to the extent provided in paragraph (g) of this clause.

(c) *Copyright.*

(1) *Data first produced in the performance of this contract.* (i) Unless provided otherwise in paragraph (d) of this clause, the Contractor may, without prior approval of HTFC, assert copyright in scientific and technical articles based on or containing data first produced in the performance of this contract and published in academic, technical or professional journals, symposia proceedings, or similar works. The prior, express written permission of HTFC is required to assert copyright in all other data first produced in the performance of this contract; (ii) When authorized to assert copyright to the data, the Contractor shall affix the applicable copyright notices of 17 U.S.C. 401 or 402, and an acknowledgment of HTFC sponsorship (including contract number); (iii) For data other than computer software, the Contractor grants to HTFC, and others acting on its behalf, a paid-up, nonexclusive, irrevocable, worldwide license in such copyrighted data to reproduce, prepare derivative works, distribute copies to the public, and perform publicly and display publicly by or on behalf of HTFC. For computer software, the Contractor grants to HTFC, and others acting on its behalf, a paid-up, nonexclusive, irrevocable, worldwide license in such copyrighted computer software to reproduce, prepare derivative works, and perform publicly and display publicly (but not to distribute copies to the public) by or on behalf of HTFC.

(2) *Data not first produced in the performance of this contract.* The Contractor shall not, without the prior written permission of HTFC, incorporate in data delivered under this contract any data not first produced in the performance of this contract unless the Contractor: (i) Identifies the data; and (ii) Grants to HTFC, or acquires on its behalf, a license of the same scope as set forth in paragraph (c)(1) of this clause or, if such data are restricted computer software, HTFC shall acquire a copyright license as set forth in paragraph (g)(4) of this clause (if included in this contract) or as otherwise provided in a collateral agreement incorporated in or made part of this contract.

(3) *Removal of copyright notices.* HTFC will not remove any authorized copyright notices placed on data pursuant to this paragraph (c), and will include such notices on all reproductions of the data.

(d) *Release, publication, and use of data.* The Contractor shall have the right to use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the

Contractor in the performance of this contract, except: (1) As prohibited by Federal law or regulation (e.g., export control or national security laws or regulations); (2) As expressly set forth in this contract; or (3) If the Contractor receives or is given access to data necessary for the performance of this contract that contain restrictive markings, the Contractor shall treat the data in accordance with such markings unless specifically authorized otherwise in writing by HTFC.

(e) Unauthorized marking of data.

(1) Notwithstanding any other provisions of this contract concerning inspection or acceptance, if any data delivered under this contract are marked with the notices specified in paragraph (g)(3) or (g) (4) if included in this clause, and use of the notices is not authorized by this clause, or if the data bears any other restrictive or limiting markings not authorized by this contract, HTFC may at any time either return the data to the Contractor, or cancel or ignore the markings. However, pursuant to 41 U.S.C. 253d, the following procedures shall apply prior to canceling or ignoring the markings: (i) HTFC will make written inquiry to the Contractor affording the Contractor 60 days from receipt of the inquiry to provide written justification to substantiate the propriety of the markings; (ii) If the Contractor fails to respond or fails to provide written justification to substantiate the propriety of the markings within the 60-day period (or a longer time approved in writing by HTFC for good cause shown), HTFC shall have the right to cancel or ignore the markings at any time after said period and the data will no longer be made subject to any disclosure prohibitions; (iii) If the Contractor provides written justification to substantiate the propriety of the markings within the period set in paragraph (e)(1)(i) of this clause, HTFC will consider such written justification and determine whether or not the markings are to be cancelled or ignored. If HTFC determines that the markings are authorized, the Contractor will be so notified in writing. If HTFC determines, with concurrence of the head of the contracting activity, that the markings are not authorized, HTFC will furnish the Contractor a written determination, which determination will become the final agency decision regarding the appropriateness of the markings unless the Contractor files suit in a court of competent jurisdiction within 90 days of receipt of HTFC's decision. HTFC will continue to abide by the markings under this paragraph (e)(1)(iii) until final resolution of the matter either by HTFC's determination becoming final (in which instance HTFC will thereafter have the right to cancel or ignore the markings at any time and the data will no longer be made subject to any disclosure prohibitions), or by final disposition of the matter by court decision if suit is filed.

(2) The time limits in the procedures set forth in paragraph (e)(1) of this clause may be modified in accordance with agency regulations implementing the Freedom of Information Act (5 U.S.C. 552) if necessary to respond to a request thereunder.

(3) Except to the extent HTFC's action occurs as the result of final disposition of the matter by a court of competent jurisdiction, the Contractor is not precluded by paragraph (e) of the clause from bringing a claim, in accordance with the Disputes clause of this contract, that may arise as the result of HTFC removing or ignoring authorized markings on data delivered under this contract.

(f) Omitted or incorrect markings.

(1) Data delivered to HTFC without any restrictive markings shall be deemed to have been furnished with unlimited rights. HTFC is not liable for the disclosure, use, or reproduction of such data.

(2) If the unmarked data has not been disclosed without restriction outside HTFC, the Contractor may request, within 6 months (or a longer time approved by HTFC in writing for good cause shown) after delivery of the data, permission to have authorized notices placed on the data at the Contractor's expense. HTFC may agree to do so if the Contractor: (i) Identifies the data to which the omitted notice is to be applied; (ii) Demonstrates that the omission of the notice was inadvertent; (iii) Establishes that the proposed notice is authorized; and (iv) Acknowledges that HTFC has no liability for the disclosure, use, or reproduction of any data made prior to the addition of the notice or resulting from the omission of the notice.

(3) If data has been marked with an incorrect notice, HTFC may: (i) Permit correction of the notice at the Contractor's expense if the Contractor identifies the data and demonstrates that the correct notice is authorized; or (ii) Correct any incorrect notices.

(g) Protection of limited rights data and restricted computer software.

(1) The Contractor may withhold from delivery qualifying limited rights data or restricted computer software that are not data identified in paragraphs (b)(1)(i), (ii), and (iii) of this clause. As a condition to this withholding, the Contractor shall: (i) Identify the data being withheld; and (ii) Furnish form, fit, and function data instead.

(2) Limited rights data that are formatted as a computer database for delivery to HTFC shall be treated as limited rights data and not restricted computer software.

(h) *Subcontracting.* The Contractor shall obtain from its subcontractors all data and rights therein necessary to fulfill the Contractor's obligations to HTFC under this contract. If a subcontractor refuses to accept terms affording HTFC those rights, the Contractor shall promptly notify HTFC of the refusal and shall not proceed with the subcontract award without authorization in writing from HTFC.

(i) *Relationship to patents or other rights.* Nothing contained in this clause shall imply a license to HTFC under any patent or be construed as affecting the scope of any license or other right otherwise granted to HTFC.

The Contractor shall explain the actual or potential conflict in writing in sufficient detail so that the State is able to assess such actual or potential conflict. The Contractor shall provide the State any additional information necessary for the State to fully assess and address such actual or potential conflict of interest. The Contractor shall accept any reasonable conflict mitigation strategy employed by the State, including but not limited to the use of an independent subcontractor(s) to perform the portion of work that gives rise to the actual or potential conflict.

16. SUBCONTRACTING

When subcontracting, the Contractor shall solicit for and contract with such subcontractors in a manner providing for fair competition. Some of the situations considered to be restrictive of competition include but are not limited to:

22. TERMINATION FOR CAUSE (Applicable to contracts exceeding \$10,000)

If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the State shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Contractor under this contract shall, at the option of the State, become the State’s property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by the State by virtue of any breach of the contract by the Contractor, and the State may withhold any payments to the Contractor for

the purpose of set-off until such time as the exact amount of damages due the State from the Contractor is determined.

23. TERMINATION FOR CONVENIENCE (Applicable to contracts exceeding \$10,000)

4. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Deputy Assistant Secretary for Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The Contractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Contractor may have the notice read to a visually disabled individual, or may lower the posted notice so that it might be read by a person in a wheelchair).
5. The Contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.
6. The Contractor will include the provisions of this clause in every subcontract or purchase order in excess of \$10,000, unless exempted by the rules, regulations, or orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Deputy Assistant Secretary for Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

During the performance of this contract, the Contractor agrees as follows:

- A. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

- B. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by Contracting Officer setting forth the provisions of this non-discrimination clause. The Contractor shall state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.

- D. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers representative of the contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- E. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.
- F. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to books, records and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.
- G. In the event of the Contractor's non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.
- H. Contractor shall incorporate the provisions of A through G above in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such subcontractor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

26. CERTIFICATION OF NONSEGREGATED FACILITIES
(Applicable to construction contracts exceeding \$10,000)

The Contractor certifies that it does not maintain or provide for its establishments, and that it does not permit employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this certification is a violation of the equal opportunity clause of this contract.

As used in this certification, the term “segregated facilities” means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation and housing facilities provided for employees which are segregated by explicit directive or are, in fact, segregated on the basis of race, color, religion, or national origin because of habit, local custom, or any other reason.

The Contractor further agrees that (except where it has obtained for specific time periods) it will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the equal opportunity clause; that it will retain such certifications in its files; and that it will forward the preceding notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).

27. CERTIFICATION OF COMPLIANCE WITH CLEAN AIR AND WATER ACTS
(Applicable to contracts exceeding \$100,000)

The Contractor and all subcontractors shall comply with the requirements of the Clean Air Act, as amended, 42 U.S.C. § 1857 *et seq.*, the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.*, and the regulations of the Environmental Protection Agency with respect thereto, at 40 C.F.R. any notification received from the Director, Office of Federal Activities, EPA, indicating that a facility utilized, or to be utilized for the contract, is under consideration to be listed on the Excluded Party Listing System or the EPA List of Violating Facilities.

- D. Agreement by the Contractor that he will include, or cause to be included, the criteria and requirements in paragraph (A) through (D) of this section in every nonexempt subcontract and requiring that the Contractor will take such action as the government may direct as a means of enforcing such provisions.

(As required by applicable thresholds)

- A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD’s regulations in 24 C.F.R. part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers’ representative of the Contractor’s commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The Contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. part 135. STANDARD CLAUSES FOR AGENCY CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "Contract") agree to be bound by the following clauses which are hereby made a part of the Contract (the word "Contractor" herein refers to any party other than the State of New York ("State"), whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. ACCOUNTING RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance of work done for the Agency or Agencies under this Contract (hereinafter, collectively, "the Records") consistent with generally accepted bookkeeping practices. The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The Agency or Agencies involved in this Contract and any person or entity authorized to conduct an examination shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The Agency or Agencies shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform the Agencies' Senior Vice President and Counsel, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the Agency's or Agencies' right to discovery in any pending or future litigation.

2. CONFLICTS OF INTEREST. The Contractor shall not accept any engagement in conflict with the Agency's or Agencies' interest in the subject matter of this Contract.

The Servicer shall not offer to any employee, member or director of the Agency or Agencies' any gift, whether in the form of money, service, loan, travel, entertainment, hospitality, thing or promise, or in any other form, under circumstances in which it could reasonably be inferred that the gift was intended to influence said employee, member or director, or could reasonably be expected to influence said employee, member or director, in the performance of the official duty of said employee, member or director or was intended as a reward for any official action on the part of said employee, member or director.

3. SUBCONSULTANTS. The Contractor shall not employ, contract with, or use the services of any consultant for the work of this Contract (except such third parties which may be used by the Contractor in the normal course of business, such as couriers, imaging services, etc.) without obtaining the prior written approval of the Agency or Agencies.

4. NON-ASSIGNABILITY. This Contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or disposed of without the previous consent in writing of the Agency or Agencies and any attempts to assign the Contract without the Agency or Agencies' written consent are null and void. However, this Contract shall be binding upon and inure to the benefit of the Agency or Agencies and its successors and assigns.

5. INDEMNITY. The Contractor shall indemnify and hold the Agency or Agencies and their employees, officers, Members and Directors (collectively, the "Indemnities") harmless from and against all claims, demands, liability, loss, cost, damage or expense, including attorney's fees, which may be incurred by the Indemnities because of negligence or malfeasance on the part of the Contractor arising out of this Contract.

6. NON-DISCRIMINATION. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. If this a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason or race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Contract. Contractor is subject to fines of \$50 per person per day for any violation of Section 239 as well as possible termination of this Contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

If directed to do so by the State Commissioner of Human Rights ("Commissioner"), the Contractor will send to each labor union to which the Contractor is bound a notice provided by the Commissioner advising of this provision. The Servicer will keep posted in conspicuous places notices of the Commissioner regarding laws against discrimination. The Contractor will state in

all advertisements for employees that all qualified applicants will be afforded equal opportunities without discrimination because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status.

If the Contractor has fifteen or more employees, it is an unlawful employment practice for the Contractor to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to the individual's compensation, terms, conditions, or privileges of employment, or to limit, segregate, or classify employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect an individual's status as an employee, because of such individual's race, color, religion, sex, or national origin, or because an individual opposed any practice made unlawful by Title VII of the Civil Rights Act of 1964, as amended, or because he or she made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under that Title; and that it shall be an unlawful employment practice to print or publish or cause to be printed or published any notice or advertisement relating to employment indicating any preference, limitation, specification, or discrimination on the basis of race, color, religion, sex, or national origin.

To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will comply with all non-discriminatory employment practices, will furnish all information deemed necessary by the Commissioner, and will permit the Commissioner access to its records to ascertain compliance. The Contractor will bind all subcontractors hired to perform services in connection with this Contract to the requirements of this section, take such action for enforcement as the Commissioner may direct, and notify the Commissioner if such action results in litigation. This Contract

may be terminated by the Agency or Agencies upon the Commissioner's finding of non-compliance with this section, and the Contractor may be declared ineligible for future contracts with an agency of the State or a public authority until the Contractor satisfies the Commissioner of compliance.

7. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this Contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby the Agency or Agencies, is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the Agency or Agencies, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the Agency or Agencies, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of this Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of 'a', 'b', and 'c' above, in every subcontract. Section 312 does not apply to: (i) work,

The Agency or Agencies shall consider compliance by a Contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The Agency or Agencies shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the Agency or Agencies shall waive the applicability of Section 312 to the extent of such duplication or conflict. (b) PRIVACY NOTIFICATION. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. The Contractor agrees, if requested by the Agencies, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

For purposes of this Agreement, Contractor responsibility generally means that the Contractor has the integrity to justify the award of public dollars and the capacity to perform the requirements of this Contract fully. In connection herewith, to the extent that the Agencies may make certain determinations with respect to Contractor responsibility, wherein the Agencies determine whether it has reasonable assurances that a Contractor is responsible, is an important part of the procurement process, promoting fairness in contracting, mitigating contract issues, and protecting the Contractor and the Agencies against failed contracts. In making such a responsibility determination, the Agencies shall evaluate the Contractor's responsibility with respect to four factors: (a) financial and organizational capacity; (ii) legal authority to do business in New York State; (c) integrity; and (iv) previous performance.

Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the Agencies issue a written notice authorizing a resumption of performance under the Contract.

SECTION 1 : HUD

This report is to be completed by grantees, developers, sponsors, builders, agencies, and/or project owners for reporting contract and subcontract activities of \$10,000 or more under the following programs: Community Development Block Grants (entitlement and small cities); Urban Development Action Grants; Housing Development Grants; Multifamily Insured and Noninsured; Public and Indian Housing Authorities; and contracts entered into by recipients of CDBG rehabilitation assistance.

Contracts/subcontracts of less than \$10,000 need be reported only if such contracts represent a significant portion of your total contracting activity. Include only contracts executed during this reporting period.

This form has been modified to capture Section 3 contract data in columns 7g and 7i. Section 3 requires that the employment and other economic opportunities generated by HUD financial assistance for housing and community development programs shall, to the greatest extent feasible, be directed toward low- and very low-income persons, particularly those who are recipients of government assistance for housing. Recipients using this form to report Section 3 contract data must also use Part I of form HUD-60002 to report employment and training opportunities data. Form HUD-2516 is to be

completed for public and Indian housing and most community development programs. Form HUD-60002 is to be completed by all other HUD programs including State administered community development programs covered under Section 3.

A Section 3 contractor/subcontractor is a business concern that provides economic opportunities to low- and very low-income residents of the metropolitan area (or nonmetropolitan county), including a business concern that is 51 percent or more owned by low- or very low-income residents; employs a substantial number of low- or very low-income residents; or provides subcontracting or business development opportunities to businesses owned by low- or very low-income residents. Low- and very low-income residents include participants in Youthbuild programs established under Subtitle D of Title IV of the Cranston-Gonzalez National Affordable Housing Act.

The terms "low-income persons" and "very low-income persons" have the same meanings given the terms in section 3(b)(2) of the United States Housing Act of 1937. Low-income persons mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary

may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families. Very low-income persons means low-income families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes.

Submit two (2) copies of this report to your local HUD Office within ten (10) days after the end of the reporting period you checked in item 4 on the front.

Complete item 7h. only once for each contractor/subcontractor on each semi-annual report.

Enter the prime contractor's ID in item 7f. for all contracts and subcontracts. Include only contracts executed during this reporting period. PHAs/IHAs are to report all contracts/subcontracts.

All Federal agencies administering programs subject to Davis-Bacon wage provisions are required by Department of Labor (DOL) regulations (29 CFR Part 5, Section 5.7(b)) to submit a report of all new covered contracts/projects and all enforcement activities each six months. In order for HUD to comply with this requirement, it must collect contract and enforcement information from local agencies that administer HUD-assisted programs subject to Davis-Bacon requirements. HUD requests that local agencies complete and submit a Semi-annual Enforcement Report each six months.

Local agencies and HUD must retain a copy of the Semi-annual Enforcement Report in its files.

Please follow these instructions while compiling the Semi-Annual Labor Standards Enforcement Report for Local Contracting Agencies (HUD Programs) (form HUD-4710).

Introduction

Department of Labor (DOL) Regulations 29 CFR §5.7(b) require Federal agencies administering programs subject to Davis-Bacon and Related Act (DBRA) and Contract Work Hours and Safety Standards Act (CWHSSA) labor standards to furnish a Semi-Annual Labor Standards Enforcement Report to the Administrator of the Wage and Hour Division. Some HUD programs are administered by state and local agencies for labor standards compliance. HUD must collect information from such agencies in order to capture enforcement activities for all HUD programs in its reports to DOL.

Reporting Periods: **Period 1** October 1 through March 31
Period 2 April 1 through September 30

Report Format: Each agency report consists of two parts:

- Part I** concerns contracting activity for work awarded during the reporting period;
- Part II** concerns enforcement activity for all contracts, regardless of the award date.

The HUD Labor Relations staff for your area will send a courtesy reminder shortly before the due date about preparing the report and will remind you of the date your report is due. However, you should maintain accurate records throughout the year of relevant contract information so that you can submit the report timely.
