STIPULATED AND AGREED as follows:

1. Section 3 of the Contract for Services, as amended, is hereby deleted and replaced with the following:

Compensation.

- (a) HTFC agrees to pay the Contractor at the current rates set forth in the Contract for Services and that the compensation ceiling of \$55,401,839.31 shall be increased by \$64,000,000.00. The Contractor agrees that in no event will the Contractor be paid more than \$119,401,839.31, unless otherwise authorized in writing by HTFC.

    - b. The smooth transition of Services from Contractor to successor contractor, including the transfer of data and other necessary information and/or documentation required for a successful transition;
    - c. Satisfaction of all subcontractor invoices, obligations and debts; and
    - d. HTFC's review of all expenses under this Contract for Services.All payments made shall be considered interim payments subject to audit and disallowance by cognizant federal agencies.
2. The attached Appendix 3 is hereby appended to the Contract for Services. Except as expressly set forth below, with respect to any provisions of similar content or effect, the terms of this Appendix 3 shall take precedence and the requirements of prior provisions

shall only supplement the terms of Appendix 3 if they are more stringent than those contained in Appendix 3.

a. Section 8:

- i. In no event will the Contractor be required to provide to HTFC its proprietary software and database. However, Contractor shall transfer:
  1. All transferable third-party software licenses paid for under this Contract for Services to HTFC or its designee; and
  2. All data and other items set forth in Section 8, with which HTFC has unlimited rights in an electronic format and structure usable by HTFC and/or its designee.
- ii. HTFC shall compensate Contractor, at its commercial rates, for the time and effort associated with the transfer of data and other items set forth in Section 8.
- iii. If the transfer of the data and other items as discussed in paragraph (i) of this subsection is not feasible under good faith and commercially reasonable efforts, Contractor agrees to enter into a licensing agreement with HTFC (or its designee) in order to allow HTFC and its designees to gain complete access to its data contained within any such proprietary software, system, database or repository. Any such licensing agreement shall be at standard commercial rates with standard commercial terms for such license.
- iv. The foregoing provisions under this Section 2.a. shall be construed broadly to encompass all mediums of storage, data and other electronic information that is associated with the Contract for Services and of interest to HTFC.
- v. Satisfaction of the foregoing obligations shall be in HTFC's reasonable discretion.

3. Add Section 12, as follows:

12. Additional Terms & Conditions.

Notwithstanding the time periods set forth therein, Contractor shall maintain all records connected with this Contract for Services for a period of at least six (6) years following the date of final payment or the close-out of all pending matters or audits under this Contract for Services, whichever is later. Upon transfer of any records related to the Services to a successor at the direction of HTFC, the Contractor's obligations to retain such transferred records will immediately cease. Contractor shall maintain an index of all records transferred to HTFC, that includes a description, approximate quantity, and date of the records transferred, which shall be signed by a representative of the Contractor that has personal knowledge of the records being transferred.
- (e) Waiver of Non-Compete. Contractor understands that, following the end of employment with Contractor, as a result of or

during the aforementioned transition, separated employees may be eligible for employment with prospective employer, Innovative Emergency Management, Inc. (“IEM”). In order to facilitate this transition and potential employment of its separated employees, Contractor agrees to waive its rights under employment or post-employment non-competition and/or non-solicitation covenants with its employees, IEM and other subcontractors. Notwithstanding this provision, Contractor is not by this provision, and will not, waive any of its rights, restrictions or remedies related to IEM’s, its subcontractors’, or its employees’ obligations with respect to the Contractor’s confidential, trade secret, or proprietary information.

(e) Remedies at Law. In addition to the terms set forth in Appendix I, Contractor acknowledges and agrees that, in the event that it breaches the Contract for Services, that HFTC and members of the public may be irreparably harmed by such breach and that monetary damages would not be adequate remedy for such breach. Accordingly, upon any breach or threatened breach by Contractor, Contractor agrees that HFTC shall be entitled to seek injunctive relief and other appropriate equitable relief in addition to whatever remedies it may have at law, and that HFTC shall be entitled to commence any such proceedings in any court of competent jurisdiction located in the State of New York.

(d) *Release, publication, and use of data.* The Contractor shall have the right to use, release to others, reproduce, distribute, or publish any data first produced or specifically used by the Contractor in the performance of this contract, except: (1) As prohibited by Federal law or regulation (e.g., export control or national security laws or regulations); (2) As expressly set forth in this contract; or (3) If the Contractor receives or is given access to data necessary for the

performance of this contract that contain restrictive markings, the Contractor shall treat the data in accordance with such markings unless specifically authorized otherwise in writing by HTFC.

(e) *Unauthorized marking of data.*

(1) Notwithstanding any other provisions of this contract concerning inspection or acceptance, if any data delivered under this contract are marked with the notices specified in paragraph (g)(3) or (g) (4) if included in this clause, and use of the notices is not authorized by this clause, or if the data bears any other restrictive or limiting markings not authorized by this contract, HTFC may at any time either return the data to the Contractor, or cancel or ignore the markings. However, pursuant to 41 U.S.C. 253d, the following procedures shall apply prior to canceling or ignoring the markings: (i) HTFC will make written inquiry to the Contractor affording the Contractor 60 days from receipt of the inquiry to provide written justification to substantiate the propriety of the markings; (ii) If the Contractor fails to respond or fails to provide written justification to substantiate the propriety of the markings within the 60-day period (or a longer time approved in writing by HTFC for good cause shown), HTFC shall have the right to cancel or ignore the markings at any time after said period and the data will no longer be made subject to any disclosure prohibitions; (iii) If the Contractor provides written justification to substantiate the propriety of the markings within the period set in paragraph (e)(1)(i) of this clause, HTFC will consider such written justification and determine whether or not the markings are to be cancelled or ignored. If HTFC determines that the markings are authorized, the Contractor will be so notified in writing. If HTFC determines, with concurrence of the head of the contracting activity, that the markings are not authorized, HTFC will furnish the Contractor a written determination, which determination will become the final agency decision regarding the appropriateness of the markings unless the Contractor files suit in a court of competent jurisdiction within 90 days of receipt of HTFC's decision. HTFC will continue to abide by the markings under this paragraph (e)(1)(iii) until final resolution of the matter either by HTFC's determination becoming final (in which instance HTFC will thereafter have the right to cancel or ignore the markings at any time and the data will no longer be made subject to any disclosure prohibitions), or by final disposition of the matter by court decision if suit is filed.

(2) The time limits in the procedures set forth in paragraph (e)(1) of this clause may be modified in accordance with agency regulations implementing the Freedom of Information Act (5 U.S.C. 552) if necessary to respond to a request thereunder.

(3) Except to the extent HTFC's action occurs as the result of final disposition of the matter by a court of competent jurisdiction, the Contractor is not precluded by paragraph (e) of the clause from bringing a claim, in accordance with the Disputes clause of this contract, that may arise as the result of HTFC removing or ignoring authorized markings on data delivered under this contract.

(f) *Omitted or incorrect markings.*

(1) Data delivered to HTFC without any restrictive markings shall be deemed to have been furnished with unlimited rights. HTFC is not liable for the disclosure, use, or reproduction of such data.

(2) If the unmarked data has not been disclosed without restriction outside HTFC, the Contractor may request, within 6 months (or a longer time approved by HTFC in writing for good cause shown) after delivery of the data, permission to have authorized notices placed on the data at the Contractor's expense. HTFC may agree to do so if the Contractor: (i) Identifies the data to which the omitted notice is to be applied; (ii) Demonstrates that the omission of the notice was inadvertent; (iii) Establishes that the proposed notice is authorized; and (iv) Acknowledges that

HTFC has no liability for the disclosure, use, or reproduction of any data made prior to the addition of the notice or resulting from the omission of the notice.

(3) If data has been marked with an incorrect notice, HTFC may: (i) Permit correction of the notice at the Contractor's expense if the Contractor identifies the data and demonstrates that the correct notice is authorized; or (ii) Correct any incorrect notices.

(g) *Protection of limited rights data and restricted computer software.*

(1) The Contractor may withhold from delivery qualifying limited rights data or restricted computer software that are not data identified in paragraphs (b)(1)(i), (ii), and (iii) of this clause. As a condition to this withholding, the Contractor shall: (i) Identify the data being withheld; and (ii) Furnish form, fit, and function data instead.

(2) Limited rights data that are formatted as a computer database for delivery to HTFC shall be treated as limited rights data and not restricted computer software.

(h) *Subcontracting.* The Contractor shall obtain from its subcontractors all data and rights therein necessary to fulfill the Contractor's obligations to HTFC under this contract. If a subcontractor refuses to accept terms affording HTFC those rights, the Contractor shall promptly notify HTFC of the refusal and shall not proceed with the subcontract award without authorization in writing from HTFC.

  3. In the event of the Contractor's noncompliance with the requirements of this clause, actions for noncompliance may be taken in accordance with the rules, regulations, and relevant orders of the Secretary of Labor issued pursuant to the act.
  4. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices in a form to be prescribed by the Deputy Assistant Secretary for Federal Contract Compliance Programs, provided by or through the contracting officer. Such notices shall state the rights of applicants and employees as well as the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified employees and applicants with disabilities. The Contractor must ensure that applicants and employees with disabilities are informed of the contents of the notice (e.g., the Contractor may have the notice read to a visually disabled individual, or may lower the posted notice so that it might be read by a person in a wheelchair).
  5. The Contractor will notify each labor organization or representative of workers with which it has a collective bargaining agreement or other contract understanding, that the Contractor is bound by the terms of section 503 of the Rehabilitation Act of 1973, as amended, and is committed to take affirmative action to employ and advance in employment individuals with physical or mental disabilities.
  6. The Contractor will include the provisions of this clause in every subcontract or purchase order in excess of \$10,000, unless exempted by the rules, regulations, or

orders of the Secretary issued pursuant to section 503 of the act, as amended, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Deputy Assistant Secretary for Federal Contract Compliance Programs may direct to enforce such provisions, including action for noncompliance.

25. EXECUTIVE ORDER 11246

The Contractor shall comply with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60).

During the performance of this contract, the Contractor agrees as follows:

- A. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.
- B. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices to be provided by Contracting Officer setting forth the provisions of this non-discrimination clause. - D. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer, advising the labor union or workers representative of the contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- E. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.
- F. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations and orders of the Secretary of Labor, or

pursuant thereto, and will permit access to books, records and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

G. In the event of the Contractor's non-compliance with the non-discrimination clause of this contract or with any of such rules, regulations or orders, this contract may be cancelled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

H. Contractor shall incorporate the provisions of A through G above in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor so that such provisions shall be binding on such subcontractor. The Contractor will take such action with respect to any subcontract or purchase order as the contracting agency may direct as a means of enforcing such provisions including sanctions for non-compliance, provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

It certifies further that it will not maintain or provide for employees any segregated facilities at any of its establishments, and it will not permit employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this certification is a violation of the equal opportunity clause of this contract.

The Contractor further agrees that (except where it has obtained for specific time periods) it will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the equal opportunity clause; that it will retain such certifications in its files; and that it will forward

the preceding notice to such proposed subcontractors (except where proposed subcontractors have submitted identical certifications for specific time periods).
